Dear Student-Athlete:

Welcome to Siena Athletics!

Our goal is to provide you with a positive environment in which you can excel athletically and academically. Being an athlete, you know that structure is a necessary part of success.

It may seem that this student-athlete handbook inundates you with numerous rules and regulations. Its purpose is to help you find direction in answering questions about college procedures and policy.

Please hold on to this handbook (it can be accessed through the athletics web site as well; www.SienaSaints.com). It covers areas in which you will have questions during the academic year.

We look forward to working with you and assisting you in developing athletically, socially, and academically. Please take advantage of the services we offer and ask questions of coaches, administrators and staff. Our support staff is here to assist you, but not here to do it for you.

Participating in varsity athletics and succeeding academically is a challenge. It will take discipline, focus and structure.

Sincerely,

A handwritten signature in black ink, appearing to read "John D'Argenio". The signature is fluid and cursive, with a large initial "J" and "D".

Go Saints,
John D'Argenio
Director of Athletics

August 2010

Dear Siena Student-Athlete:

Welcome to the 2010-11 academic year and athletic season!

The purpose of this letter is to inform you of the College's position with regard to hazing and "initiation" activities prior to the beginning of pre-season.

While team unity and team bonding are important for a team's success, the way this is achieved is critical.

Siena has implemented a Hazing Policy that you should become thoroughly familiar with. The policy clearly outlines behaviors and activities that are prohibited, and which are applicable to members of an athletic team. NY State Penal Law prohibits hazing. In addition, Siena College policy prohibits any action or situation, whether on or off College premises, created by an individual, group, organization, or athletic team which intentionally or unintentionally produces mental or physical discomfort, embarrassment, harassment, ridicule or in any way demeans another person.

Some examples of behavior that are unacceptable as team activities or initiations include, but are not limited to the following: forced consumption of alcohol; paddling in any form; engaging in public stunts; morally degrading or humiliating games; wearing signs with inappropriate language/slogans; singing lewd songs; shaving of heads; or any activities inconsistent with the law and/or College policies. In addition, initiations, however explained, or any activities that imply, force, encourage, condone or allow students to misuse alcohol or other drugs, or violate the law, or commit unethical, immoral or inappropriate behavior are prohibited as well.

With hazing and initiations, as with all things, teams share responsibility. However, captains and coaches should set the standard since they are often concerned with the spirit of the team and welfare of student athletes. New players should be able to look to returning players as role models and for support.

I encourage all players to make the welcome of new players to their teams free from harassing and humiliating activities, abuse and excessive alcohol consumption. Please become familiar with the particulars of the Hazing Policy which is enclosed in this manual and in the student handbook *Siena Life*. If there are any questions about activities that may be unacceptable, or to report incidents, contact John D'Argenio, Director of Athletics or one of the College officials listed in the Hazing Policy.

Have a great season, both in competition and in the classroom!

Sincerely,

Maryellen Gilroy, Ed.D.
Vice President for Student Affairs

Siena College

Athletic Department Mission Statement

Mission

The Athletic Department will provide a dynamic and progressive environment in which members of the Siena community can take part in competitive and or recreational opportunities while providing its student athletes with a positive environment in which to learn, live, compete and practice.

Core Values

1. Community

The Athletic Department will provide opportunities in which student-athletes can share in the Franciscan values of Siena through its Saints in the Community program. The department recognizes the unique place Siena athletics holds in the Capital Region and that it has a responsibility to share its major varsity sports teams with the community.

2. Equity

Athletics will prioritize the competitive opportunities it offers the student-athletes in a fair manner. The department will provide recreational and intramural opportunities to all members of the community who desire to participate.

3. Integrity

The Athletic Department will win the right way. Success achieved by taking short cuts or operating outside prescribed requirements—NCAA, Conference, College policy—is a hollow success. As a staff, our actions and attitude will serve as examples to our students and teach them that any success worth having should be done the right way.

4. Student Centered

The department's services and efforts will be centered on the student-athletes and will assist them in developing to their full academic, athletic and social potential. Student-athletes will be given the opportunity to develop skills such as leadership, teamwork, decision-making and organization. We will educate student-athletes to the importance of respect, responsibility, accountability and compassion. Our recreational programs will provide the student community a means whereby their social development will continue beyond the classroom experiences.

Code of Conduct

The Athletic Department emphasizes that all student-athletes demonstrate appropriate behavior and adherence to all College policies whether traveling to and from competition, or hosting recruits during visits to Siena's campus.

It is a privilege to represent Siena College as a student-athlete. Student-athletes are expected to represent themselves, their families, and teammates in a favorable manner. Therefore, it is important to keep in mind how you represent yourself if posting information on websites such as FACEBOOK and My Space. Perceptions of inappropriate behavior which may violate College or department policies will be investigated.

Every student-athlete is expected to abide by the College's Code of Conduct, as defined in *Siena Life*. (As a student-athlete, you will be expected to demonstrate appropriate behavior according to the conference's code for sportsmanlike conduct as well.)

The Metro Atlantic Athletic Conference initiates, stimulates, organizes, enhances and improves intercollegiate athletic competition between member institutions and thereby promotes and develops educational leadership, physical fitness and sportsmanship.

UNSPORTSMANLIKE BEHAVIOR

- Any arrest for unlawful conduct;
- Physical and/or verbal abuse of officials, coaches, opponents, or spectators;
- Throwing or kicking of objects;
- Taunting;
- Use of obscene or otherwise inappropriate language or gestures;
- Participating in any action which violates the generally recognized ethical standards of intercollegiate athletics, the College or the community.

Sportsmanship Statement

The Constitution of the MAAC within its mission statement cites as a purpose of the Conference that its members shall participate in its athletics program on the basis of mutual trust and confidence and based upon high standards of scholarship and sportsmanship.

Understanding that realization of those goals requires that opponents respect each other and admire earnest effort made fairly in the pursuit of victory, the Conference requires ethical conduct worthy of the educational stature and the standards of its member institutions. MAAC student-athletes are expected to treat opponents with respect.

Please be aware that significant penalties will be applied for fighting, taunting an opponent, or other unethical conduct.

Athletic Department Policy on Alcohol and Drug Use

STATEMENT

The Siena College Athletic Department expects student-athletes to adhere to a set of standards that positively represent the Athletic Department and the College. There exists a responsibility on the part of the student-athlete to strive for excellence in all they do as students, athletes and members of the Siena College community. In the quest for excellence, both on and off the playing field, it is important for student-athletes to make responsible choices and realize the long-term athletic, academic, and health benefits of choosing not to drink, and/or drink responsibly, or use drugs. The welfare of its student-athletes is a major concern of the Athletic Department.

UNACCEPTABLE BEHAVIOR/ACTIONS

- Drinking and driving a motor vehicle.
- Use of alcohol before, during or after department (or conference) sponsored athletic events either at home or during road trips.

- Use of alcohol that interferes with academic success, athletic performance, personal relationships, or that leads to financial or legal problems.
- Irresponsible use and/or being intoxicated in a public place.
- Drinking in Siena College Athletic Department issued gear.
- Drinking with recruits.
- Violations of the College's Alcohol and Drug Policy.
- Violations of federal, state and/or local laws.
- Furnishing or distributing alcohol to minors.
- Behavior that is detrimental to the team, Athletic Department, or College.
- Use or possession of illegal drugs and/or abuse of legal drugs.

CONSEQUENCES

Siena College students are responsible for abiding by local, state, and federal law. Furthermore, as members of the Siena College community, student-athletes are responsible for adhering to the Siena College Alcohol & Drug Policy. Sanctions may occur for violations of the foregoing.

In addition, student-athletes may be subject to athletic department sanctions separately or concurrently with any legal or other College sanctions as a result of a violation of the Athletic Department's policy on alcohol and drug use. Student Affairs may be contacted for possible code of conduct violations and the Athletic Department will cooperate with the investigation. With respect to the athletic department policy, the respective head coach, sport administrator and/or Director of Athletics will review each case. The Director of Athletics or his/her designee will then determine if a violation of the athletic department policy has occurred and if so may impose an appropriate sanction. Possible sanctions, depending upon the nature or severity of the violation, may range from a warning to dismissal from the athletic program and/or forfeiture of athletic aid. Alcohol-

related incidents accumulate over a student-athlete's term of eligibility with sanctions ultimately becoming more severe.

Furthermore, if the student-athlete is found responsible for:

- Driving under the influence
- Drunken and disorderly conduct
- Public intoxication
- Minor in possession
- Use or possession of illegal drugs and/or abuse of legal drugs,

Or accepts responsibility for any other charge where legal intoxication is determined, one or more of the following sanctions may be imposed:

- Suspension – temporary, indefinite or permanent suspension of the student-athlete from further participation (scheduled team practice and competition) in all intercollegiate athletics.
- Cancellation of all or part of any athletic aid awarded to student-athlete.
- Community service deemed appropriate by the Athletic Administration.
- Alcohol/drug counseling.

The sanctions described in this policy are not intended to be all-inclusive and other sanctions may be imposed.

Student-athletes are required to sign a statement each year to confirm their understanding of and responsibility to adhere to the Athletic Department's policy if they are to be participants in the intercollegiate athletic program at Siena College.

It is further understood that coaches may have team policies that further define unacceptable behavior as it relates to alcohol consumption. A student-athlete may be subject to additional requirements and expectations of a team alcohol policy as defined by the Head Coach and approved by the Director of Athletics. Team rules must be clearly communicated in writing to all participants at the start of each school year.

Hazing Policy

New York State Law and Siena College policy prohibit hazing. New York State Penal Law provides as follows:

120.16 Hazing in the first degree. A person is guilty of hazing in the first degree when in the course of another person's initiation into or affiliation with any organization, he intentionally or recklessly engages in conduct which creates a substantial risk of physical injury to such other person or a third person and thereby causes such injury.

Hazing in the first degree is a Class A misdemeanor. (Note: Punishable by up to one (1) year imprisonment, or fine up to \$1,000 or both).

120.17 Hazing in the second degree. A person is guilty of hazing in the second degree when in the course of another person's initiation or affiliation with any organization, he intentionally or recklessly engages in conduct which creates a substantial risk of physical injury to such other person or a third person.

Hazing in the second degree is a violation. (Note: Punishable by up to 15 days imprisonment, or fine up to \$250.00 or both).

In addition, Siena College considers hazing as any action or situation created by an individual, group, organization, or athletic team intentionally or unintentionally, whether on or off College premises, to produce mental or physical discomfort, embarrassment, harassment, ridicule, or in any way demean the dignity of another human being. Examples may include, but are not limited to the following: forced consumption of alcohol; paddling in any form; creation of excess fatigue; "kidnapping"; physical and/or psychological shock; engaging in public stunts, morally degrading or humiliating games; wearing signs with inappropriate language/slogans; singing lewd songs; shaving of heads; or any other activities or behavior inconsistent with the law and/or College policies.

No individual or group may haze another at any time including initiation into or the affiliation with any organization, group,

or athletic team. Initiations, however explained, or activities that imply, force, encourage, condone or allow students to misuse alcohol or other drugs, or violate the law, or commit unethical, immoral or inappropriate behavior are forbidden. Hazing of any kind is strictly prohibited by the College and subject to sanction.

All members of the College community are expected to report to College officials hazing activity of any kind of which they have knowledge or information. Reports of hazing can be made to: the Vice President, the Vice President for Student Affairs, the Dean of Students, the Director of Security, the Director of Athletics, or the Director of Campus Programs and Activities. Upon investigation, the matter may be referred to the Vice President for Student Affairs for adjudication through the College's established disciplinary process. In addition, the matter may be referred to outside law enforcement agencies. Members, prospective members or participants who fail to report an act or contemplated act of hazing of which they have knowledge or information may also be found in violation of this policy. The planning or preparation to engage in hazing activity is also a violation of this policy.

If an individual student faces a charge of violating this policy, the matter will be referred to the College's disciplinary procedures and, if found responsible, s/he will be subject to the full range of sanctions, which may include expulsion from the College. If a College-recognized organization (e.g., a club) faces a charge of violating this policy, it will be charged as an individual would be under such procedures, and sanctions, to be determined at the discretion of the College, which may include the loss or suspension of college recognition and/or re-recognition on certain conditions, in addition to the charges and sanctions directed to individual members. If members of a College-sponsored activity or program (e.g., an athletic team) are charged and found responsible for violating this policy through the student disciplinary procedures, the College will impose appropriate

sanctions, which may include, but are not limited to, the full range of student status sanctions (including expulsion), removal or suspension from the program, forfeiture of games or limitation of activities, and/or other sanctions as deemed appropriate by the College.

It is the right of every Siena student to be free from the humiliation and danger of hazing. Hazing does not build strong organizations, teams, groups, or tradition. Rather, it is a means of abuse and humiliation. If you have concerns or complaints about hazing, or questions about this policy, you should contact the Vice President, the Vice President for Student Affairs, Dean of Students, Director of Security, Director of Athletics, or Director of Campus Programs and Activities immediately.

Gambling

The NCAA prohibits any involvement by prospective or currently enrolled student-athletes in any type of gambling activities that involve intercollegiate or professional

sports. Those found in violation will lose their eligibility for intercollegiate athletics subject to an appeal for restoration. Any of the following activities may render a student-athlete ineligible:

- providing any information (ie: reports concerning team morale, game plans and injuries of team members) to any individual who could assist anyone involved in organized gambling activities;
- making a bet on any intercollegiate team;
- accepting a bet or bribe on, or agreeing to throw, fix, or illegally influence the outcome of an intercollegiate contest;
- failing to report any bribe or offer, or any knowledge of any attempt to throw or fix a game or to illegally influence its outcome;
- participating in any gambling activity that involves intercollegiate or professional athletics, through a bookmaker, a parlay card or any other method employed by organized gambling.

Academic Policies and Procedures

NCAA ACADEMIC ELIGIBILITY REGULATIONS

The NCAA has developed rules and regulations for all intercollegiate athletic teams and athletes. The intent of these regulations is to ensure that college athletics remains as amateur competition and that student-athletes do not sacrifice education for athletics. We have summarized the regulations which you should keep in mind at all times.

SATISFACTORY PROGRESS

All student-athletes must meet the following requirements in order to participate in regular season competition:

- Register for a minimum of 12 credit hours of academic work each semester in which the sport season occurs. All courses must be taken for a letter grade or pass/fail.

Note: To be eligible to practice, you must be enrolled in a minimum of 12 credits at all times except during the first five days of classes.

Following either the first academic year, or after one season of eligibility has been used in a sport, then you must:

- Satisfactorily complete at least six credits in a semester to be eligible for the next semester, satisfactorily complete at least 18 credits during the academic year, and satisfactorily complete at least 24 credits before the start of the next academic year.
- Declare a specific major by the start of the third year (or fifth semester) of enrollment.
- The courses you take must lead toward a degree in your declared major. If the declared major is changed after these deadlines, the change must be documented by the academic official in order to comply with NCAA requirements.
- If you are entering your second year of collegiate enrollment, you must have a cumulative grade point average (GPA) of at least 1.8 and have successfully completed 24 credits.

- If you are entering your third year of collegiate enrollment, you must have a cumulative GPA of at least 1.9. For subsequent years you need to have at least a 2.0.
- NCAA regulations (Bylaw 14.4.3.2) require that student-athletes first enrolling in college after August 1, 2003 must complete a percentage of the requirements for their degree program. The following chart specifies the required percentages and credits needed for second, third, fourth, and fifth-year student-athletes.

See Chart Below:

Percent of Degree Requirements

In effect for all student-athletes whose first year of full-time collegiate enrollment occurred on or after August 1, 2003

<u>Academic Year</u>	<u>% of 120</u>	<u>Credits</u>
First Year	—	—
Second Year	20%	24
Third Year	40%	48
Fourth Year	60%	72
Fifth Year	80%	96

Courses for area requirements, required courses in major, and electives all count toward meeting this requirement.

TRANSFERS

Transfer student-athletes are expected to meet the criteria for the semester of collegiate enrollment they are entering.

ACADEMIC SUSPENSION

At any time while a student-athlete is on academic probation, the Vice-President of Academic Affairs has the right to declare that student-athlete ineligible for intercollegiate athletic participation and possible dismissal from the College. If a student-athlete is declared academically ineligible, his or her athletic eligibility may be restored upon meeting the academic criteria required for the subsequent semester.

INSUFFICIENT GPA

If a student-athlete's cumulative grade point average is below the institutional and/or NCAA standard, he/she may not travel or compete in an intercollegiate sport. A student-athlete's eligibility will be reevaluated each term. In order to improve his/her GPA, the student-athlete must take courses at Siena College.

INSUFFICIENT CREDITS

Student-athletes must successfully complete at least 24 credits each academic year in order to be eligible for intercollegiate competition. If a student-athlete does not meet the credit requirements, courses may be taken either at Siena or transferred from another institution (usually during the summer) in order to meet satisfactory progress requirements. Remember to consult with your division or school's office to receive approval to take courses at another institution.

****All academic issues must be discussed with the Athletic Department Academic Advisor or Associate Athletic Director/ Compliance to ensure all NCAA regulations are adhered to.**

ACADEMIC INTEGRITY

The concept of academic integrity is basic to the principles of Siena College and its strong Franciscan tradition. The College is dedicated to fostering sound moral growth, and in such an environment, academic dishonesty cannot be tolerated. Such an act is a violation of the bonds of mutual trust and respect on which the Siena community is built. Students who commit such acts expose themselves to punishments as severe as dishonorable dismissal.

CLASS ATTENDANCE

Attending class is the best way to maximize your chances for academic success at Siena. The classroom provides much of the material which will form the basis for projects, assignments and examinations. Attendance is taken in most courses, and many in which classroom participation figures heavily in the grading. There are also instances in which instructors consider attendance and participation in order to evaluate a borderline performance.

In the event that you will miss class due to an athletic competition, it is YOUR responsibility to get a letter of notification from the Athletic Department's Academic Advisor and present it to your instructor PRIOR to the date of your absence. *Do not plan on counting an athletic competition as an excused absence.

Siena College Class Attendance Policies

Faculty Attendance Policies

1. Faculty members establish their own class attendance policies and must provide these policies to students at the beginning of the semester (in writing and/or posted on a public website). This policy should also be verbally communicated during the first class (and laboratory) session of the semester (within the drop/add period).

For all courses that have any required activities scheduled outside of class time, faculty must include the required activities with their attendance policy. In addition, students must be given sufficient advance notice, at least four weeks in advance of the date and time of these activities.

For all courses that will conduct exams outside of class time, faculty must include with their attendance policy the time and the day (e.g., Wednesdays 6-8 p.m.) at which the exams will be administered.

Faculty members must provide the attendance policy for each of their next semester's classes (and labs) to their department heads within 48 hours of

the final submission of the next semester's schedule. The academic deans must post these attendance policies no later than the date that the schedule for the next semester is made available on-line to students.

2. It is each faculty member's discretion as to whether missing class for any purpose (bereavement, health/medical, personal business, varsity intercollegiate athletic contest, or any other activity) is an excusable absence. Faculty should establish attendance policies that treat all students equally. If a faculty member excuses a student for participation in any other College-sponsored activity, the faculty member must also excuse a student for participation in a College-sponsored varsity athletic contest.
3. At the beginning of the semester, faculty must review the scheduled College-sponsored activities for each student in her/his class (that brings these activities to the faculty member's attention) and must determine how the absences will be handled. If the absences will affect a student's grade and/or the student's ability to successfully complete the course requirements, the student must be informed immediately (as early as is possible within the drop/add period).
4. Class attendance policies are not in effect during a vacation period (vacations as listed in the Academic Calendar) and between terms when classes are not in session, unless attendance at a class-related activity is specified by the faculty member in the course syllabus at the beginning of the semester.
5. In conformance with College policy, when course exams are held outside of class time, if a student is absent due to a conflict with a scheduled contest, the student is "excused" and subject to the faculty member's policy regarding excused absence from an examination period.
6. It is often necessary to reschedule contests after the semester has commenced (often due to weather-related cancellations). The Athletic Department and student-athletes should inform faculty of these

changes in schedule as soon as is possible. Faculty should be flexible and reasonable in handling these changes. For these cases, the stated attendance policy is in effect and the faculty member should as soon as is possible inform a student if the changes in schedule will affect the student's grade and/or the student's ability to successfully complete the course requirements.

7. If a post-season athletic contest, scheduled by the MAAC or the NCAA, conflicts with a course examination, an affected student is excused from the examination and the faculty member will provide a make-up exam (or other appropriate accommodation) at another time within the examination period or no later than 24 hours after the last day of the examination period.
8. The VPAA, Deans, and Registrar should attempt to make up the final examination schedule as early as possible. The earliest date would most likely be at the end of the last "add" date. Also, this would most likely involve changes in many practices, including the deadline for faculty requests for "examination exceptions/special-scheduling."

Student-Athlete Missed Class Policy

1. Student-athletes will not miss any regularly-scheduled classes or laboratory sessions for any team meeting, practice,

non-official scrimmage, or other sports-related activities other than scheduled intercollegiate competitions and official scrimmages. Note: an official scrimmage or exhibition game is an event that is a non-league contest that is required by the MAAC or the NCAA (these organizations sometimes require a "minimum" number of scheduled competitions).

2. Faculty members establish their own class attendance policies and must provide these policies to students at the beginning of the semester. It is each faculty member's discretion as to whether missing class for an athletic contest is an excusable absence. At the beginning of the semester, student-athletes must discuss with each faculty member the impact that missing classes for scheduled athletic contests will have on their course grade and on successfully meeting the course requirements. It is essential that each student acquaint him/herself at the beginning of each semester with the attendance policies of each instructor/course.
3. The Director of Athletics will provide to the Faculty Athletics Representative and the Academic Vice President, at least one month prior to the start of a sport's season and no later than one week prior to the start of each semester/session, a listing of all competition in that sport which will necessitate student-athletes being absent from class. The listing will include the

time and date of competition, destination, estimated departure time, travel time, game time, and estimated return time. The Faculty Athletics Representative or the Academic Vice President may request that modifications to the travel plans be made. This listing may be provided in hardcopy but must be posted on a website. This website listing will be available for view by all faculty and students and will be accessible only to people with a *Siena Username and Password*.

4. At the beginning of each semester/session, student-athletes must provide each of their faculty a copy of their team's listing (item 3, above). The student-athlete must mark (highlight) the contests that conflict with class attendance.
5. The following scheduling policies do not assure that an absence is excused. As stated above, faculty members set their own attendance policies and it is each faculty's discretion as to whether missing a class for an athletic event is an excusable absence.
 - For *home* competition, student-athletes shall not miss classes (or class-sponsored activities) prior to two hours before the scheduled competition time.
 - For *away* competition with same-day travel, student-athletes shall not miss any classes (or class-sponsored activities) prior to 30 minutes before the scheduled time of departure.
 - For *away* competition with overnight travel, no team shall depart more than 30 hours prior to the time of competition (typically, this results in no practice at the site of competition the day before the contest). An exception can be made if there is no available flight within 30 hours prior to the time of competition.
6. Student-athletes will be responsible for submitting all assignments on time (or before leaving for an event), and advance arrangements will be initiated by the student-athlete for any tests/quizzes that will be missed. As noted above, the student is subject to each faculty member's attendance policy.
7. Coaches will not penalize student-athletes for missing practices or games due to conflicts with regularly-scheduled classes for which student-athletes are enrolled.
8. No competition, except MAAC or NCAA scheduled post-season competition, will be scheduled on days when final examinations are scheduled unless prior approval has been received from the Academic Vice President.
- 9a. When MAAC or NCAA scheduled post-season competition conflicts with the exam schedule, an affected student is excused from the examination and the faculty member will provide a make-up exam (or other appropriate accommodation) at another time within 10 days of the contest. In situations when the league is considering scheduling events during a final examination period, Siena College should formally propose to the league that such conflicts be minimized through scheduling after the examination period.
- 9b. Any additional exceptions (to the above statements regarding scheduling of contests, scheduling of travel, and notification of faculty) for tournaments and other competitions must be approved by the Faculty Athletics Representative and the Academic Vice President. Each faculty member's attendance policy is in effect and the student must immediately determine if these events will affect her/his grade and/or the ability to successfully complete the course requirements.

10. If a contest is rescheduled after the semester has commenced (often due to weather-related cancellations), the Athletic Department and student-athletes should inform faculty of these changes in schedule as soon as is possible. Each faculty member's attendance policy is in effect and the student must immediately determine if the changes in schedule will affect her/his grade and/or the ability to successfully complete the course requirements. *Note: see the exceptions listed in 9.a. & 9.b.*
11. Student-athletes who believe that they have received a lack of reasonable accommodations of the provisions of this missed class policy *by a faculty member* may immediately submit a complaint to the faculty member's departmental chair. The "Internal Complaint System" is described in *Siena Life Student Handbook*. Normally, the student should first discuss the matter with the faculty member.
12. Student-athletes who believe that they have received a lack of reasonable accommodation of the provisions of this missed class policy *by a coach* may immediately submit a complaint to the Director of Athletics. The "Internal Complaint System" is described in *Siena Life Student Handbook*. Normally, the student should first discuss the matter with the coach.
13. Students, faculty, or coaches who have questions about the application of these statements may contact the Faculty Athletics Representative or the office of Academic Affairs.

In complying with Siena's efforts to minimize missed classes by student-athletes, the following are considered when scheduling athletic events:

1. Schedules for intercollegiate contests in each sport should be constructed such as to limit the number of missed class sessions for each class/lab to: 6 per semester (for Mon/Wed/Fri) classes; 4 per semester for two-day-a-week courses; and, 2 per semester for once-a-week courses (this is approximately 15% of course meetings).
2. Team trips during weekends and vacation/break periods should not begin prior to the last scheduled class before a break; and, students should return from such trips in time to assure attendance at the resumption of classes.
3. Non-official exhibition games (and scrimmages) should not be scheduled when classes are in session (i.e., they should not conflict with a scheduled class) and are not considered to be an "official varsity intercollegiate competition." Note: an official scrimmage or exhibition game is an event that is a non-league contest that is required by the MAAC or the NCAA (these organizations sometime require a "minimum" number of scheduled competitions).
4. For travel to *away* games that involves leaving the day before the contest, meeting for departure must be scheduled after every team member's last (day-schedule) class/laboratory session (except in the case of multiple games). This is always possible with bus transportation. If this is impossible to arrange in cases where air transportation must be used, the Academic Affairs Office must be informed at the time that travel arrangements are made.
5. Teams should return to Siena as soon as possible following a scheduled contest. For bus travel, teams should return from the contest on the same evening as the contest. For air travel, teams should take the first available flight back to campus.
6. When it is necessary to reschedule contests after the semester has commenced (due to weather-related cancellations or other unavoidable circumstance), the Athletic Department and student-athletes should inform faculty of these changes in schedule as soon as is possible and must be immediately posted on the Athletic-

Schedule website. Only missed conference games (or games required by the MAAC or the NCAA) should be rescheduled and care should be taken regarding increasing the number of additional missed classes.

7. Coaches should be aware of the following:

- For *home* competition, student-athletes shall not miss classes (or class-sponsored activities) prior to two hours before the scheduled competition time.
- For *away* competition with same day travel, student-athletes shall not miss any classes (or class-sponsored activities) prior to 30 minutes before the scheduled time of departure.
- For *away* competition with overnight travel, no team shall depart more than 30 hours prior to the time of competition (typically, this results in no practice at the site of competition the day before the contest). An exception can be made if there is no available flight within 30 hours prior to the time of competition.

It should always be noted that faculty members set their own attendance policies and it is each faculty's discretion as to whether missing a class for an athletic event is an excusable absence.

CHANGE OF MAJOR

A student may change majors within the same division or school with the permission of the division dean and by completing a student permanent record change form in the Registrar's office. In order to change divisions, the student must file a Change of Division form which requires an evaluation of the courses previously taken and approval of the dean of the division the student wishes to enter. Students who change major fields, whether within the same division or into another division, must conform, whenever possible, to the major field requirements that are current at the time the student is entering the program.

MID-SEMESTER PROGRESS REPORTS

The Athletic Department Academic Advisor will monitor the progress of student-athletes throughout the semester. Approximately six weeks into each semester a progress report will be sent to the faculty.

This report will ask for feedback in regard to test and quiz scores, preparation of assignments, attendance and class attitude and participation. Returned reports will be shared with the student-athletes and his/her coach. At this point, determination will be made in terms of the academic approach needed for the remainder of the semester.

Actions could include: assignment of tutors, assignment to study hall, weekly reports from the faculty, or a combination of the above.

A follow-up report will be sent with three weeks remaining in the semester to all student-athletes who had a C- or lower reported on the official mid-semester grades.

CALCULATING GPA

$$\frac{\text{Quality Points} \\ (\text{grade points} \times \text{credit hours})}{\text{Hours Attempted}}$$

Point Scale

A	=	4.0
A ⁻	=	3.7
B ⁺	=	3.3
B	=	3.0
B ⁻	=	2.7
C ⁺	=	2.3
C	=	2.0
C ⁻	=	1.7
D ⁺	=	1.3
D	=	1.0
D ⁻	=	0.7
F	=	0.0
U	=	0.0

Support Services for Athletes

STUDY HALL REQUIREMENTS

1. Incoming freshmen, transfers and continuing students who have a cumulative grade point average below a 2.5, whether or not they are in season, are required to attend 6 hours of study hall each week for the entire semester. With the respective sports administrator's approval, coaching staff reserves the right to enforce more stringent standards, but must monitor their own study hall sessions for those student-athletes (the MAC Academic Center will be available during the evening hours).
 - a. Student-athletes with senior status, as determined by academic affairs, will be exempt from study hall for their **final semester of eligibility** if they have at least a 2.2 cumulative grade point average, are within 21 hours of graduation, as determined by the first days of classes for the semester and the Head Coach approves exemption.
 - b. Incoming Presidential Scholarship freshmen are required to attend **3 hours** of study hall each week and will be evaluated at mid-term. Upon review, these student-athletes will be exempt, remain in study hall for the required 3 hours or will be required to attend additional hours for the remainder of the semester.
2. Student-athletes required to attend study hall by administration's standards must complete their hours during the day by attending study hall sessions in accordance with the Siena course schedule. The study hall schedule will operate on a Monday through Sunday basis. Final hours for the week will be tallied and violations will be reported to the head coach and respective sports administrator on the following Monday.
3. Student-athletes on academic probation (cumulative grade point average below a 2.0) are required to meet with the Athletic Academic Advisor on a weekly basis. Failure to do so will result in missing a practice selected by your coach. Students are responsible for scheduling a meeting with the academic advisor at least one week in advance and arriving prepared with all syllabi and current assignments.

STUDY HALL RULES:

EACH RULE IS CENTRAL TO A CONSISTENT THEME. . . RESPECT. IT WILL BE GRANTED SO LONG AS IT IS GIVEN. IF YOU ARE ASKED TO LEAVE STUDY HALL FOR VIOLATING ANY OF THE FOLLOWING RULES, YOUR HEAD COACH WILL BE NOTIFIED AND YOU WILL NOT EARN CREDIT FOR ANY OF THE HOURS YOU ATTENDED DURING THAT SITTING!

1. Be respectful of your fellow Saints! You are responsible for utilizing this time and will be asked to leave immediately and will not receive credit for the session you are attending if you deny anyone else the opportunity to be productive.
2. Student-athletes required to attend study hall by administration's standards must complete their hours during the day by attending study hall sessions in accordance with the Siena course schedule. The study hall schedule will operate on a Monday through Sunday basis. Study hall will be designed in 1/2 hour intervals. Students will receive credit for study hall based on half-hour intervals, with a maximum of 3 consecutive hours. Students must stay for the full 1/2 hour or they will not receive any credit for the time. The minimum stay in study

hall is 1/2 hour. Final hours for the week will be tallied and violations will be reported to the Head Coach and respective Sports Administrator on the following Monday.

- a. Monday-Friday, 8:30am-6pm.
Evening hours for in-season athletes will be posted prior to the beginning of the semester.
- b. There will be an open Sunday study hall session offered from 2pm-7pm.
Students may only earn up to 2 hours during the Sunday session.
Students are encouraged to complete their 6 hours during the week.
3. There is no talking in study hall. This time is dedicated to school work. Students will receive a warning for talking. Should a student continue to be disruptive, s/he will be asked to leave study hall and will receive no credit for the hours s/he completed that day.
4. Cell phones will be **turned off** in study hall.
5. NO FOOD IS ALLOWED in the study hall lounges. Since the study hall system is set up so that you may choose the sessions that work best for your schedule, large lunches are not permitted. However, if you need a snack to hold you over, you may eat in my office to alleviate distraction. Covered water bottles are allowed in the study hall lounge.
6. No feet on the furniture.
7. No tobacco products permitted.
8. At the end of each session, chairs need to be left where they belong.
9. Head phones are permitted at a minimum level only. If you are asked to turn down your music more than once, you will not be allowed to use them for the remainder of the semester.
10. Study hall time is expected to be devoted solely toward completion of classroom assignments, preparation for exams and other academic-related work. If

you do not bring work, you may be asked to leave study hall.

11. Playing Games on the computer is NOT ALLOWED. If you are caught playing games on the computer, you will not be allowed to use the computer.
12. Assume you have to complete all of your study hall hours every week, even on short academic weeks. The Academic Advisor will inform you and the coaching staff otherwise if there is a reduction of hours during holiday weeks.
13. **In-season athletes** may complete study hall hours while traveling or away for competition if an arrangement has been made between the Head Coach and Academic Advisor, prior to departure. It is the student-athlete's responsibility to request this option. If a coach does not provide documentation (provided by Academic Advisor), the student-athlete will not earn credit.
14. The following activities may be counted toward your mandated study hall hours each week, so long as you provide documentation (*Paw Passes* are available in my office and online via www.sienasaints.com under Siena Academic Support Services).
 - Writing Center Session
 - Scheduled meeting with professor or office hour visit
 - Tutor session coordinated through Saints Supporting Saints or the Foy Tutorial Service
 - Group tutor session coordinated by the respective academic department
 - Mandated lecture, film or workshop
 - Attendance at one of the Student Support Service Sessions sponsored by Academic Affairs
 - Hammer Time

*If the Paw Pass is not completed in full, is forged or is not submitted to the Athletic Academic Advisor **prior** to the end of the week you are requesting credit study hall hours, you will not earn credit. No exceptions.*

Consequences for those who do not complete their required hours of study hall each week: (FYI - Consequences carry over from the fall to spring semester.)

1st Time: Action taken by coach (documented to the academic advisor and sport administrator, copy put in student file).

2nd Time: Action taken by coach, documented to the above sources, plus athlete owes three additional study hall hours the **following week**. (If the respective hours plus 3 additional hours are not completed in the following week, the student will be at his/her third offense.)

3rd Time: Athlete is suspended from the next **regular-season** competition.

4th Time: Athlete is suspended from all team activities for one calendar week during his/her regular season. Regular season is defined as starting six days prior to the first official contest (scrimmage excluded).

5th Time or More: Athlete is suspended **indefinitely** from all team functions.

Student-athletes required to attend study hall must sign a copy of the contract at the beginning of the semester.

TUTOR PROGRAM

Saints Supporting Saints, a tutorial service exclusively for student-athletes is set up so that Saints receive immediate attention in their attempt to gain control of their academic success. This program, begun in the fall of 2004, has proven to be a very effective resource for our student-athletes. The Athletic Department takes pride in supporting and promoting our own Saints who excel in certain subjects by inviting them to utilize their strengths and help fellow Saints achieve their academic goals.

Tutor request and application forms are available online and are in the Athletic Academic Advisor's office where they must also be submitted. Tutors are paid at both individual and group rates. There is also a tutorial service coordinated through the Siena College Writing Center, located in Foy Hall, which is available to **all** students who may obtain a tutor at no cost.

LAPTOP SIGN-OUT

Five laptops are available for student-athletes to sign-out for road trips for intercollegiate athletics. Students must fill out the required paperwork available in the Athletic Academic Advisor's office before signing out the

equipment and must return the computers **no later than 24 hours** upon their return to campus. The student must return the computer in the presence of the Athletic Academic Advisor so s/he can check to see that all equipment is in the same condition as when it was borrowed. By signing out the laptop, students take full responsibility of the condition of the laptop and are responsible for funding any necessary repairs.

ACADEMIC ADVISOR

In cooperation with the coaches, the Student-Athlete Academic Support Program regularly monitors the progress of student-athletes. Progress reports are sent to the faculty twice each semester, with additional correspondence for at-risk student-athletes. Information regarding grades, attendance, and progress are shared with both the student-athlete and the coaches. In the event a problem is discovered, an individual conference is scheduled with the athlete to develop strategies to alleviate the problem.

THE WRITING CENTER

The staff of the Writing Center offers free, one-on-one assistance with any piece of writing to all students, faculty, and staff at Siena. The Center can help generate ideas,

organize an argument, clarify a purpose, or provide an objective response to a draft. Writing Center staff members talk to all writers about any piece of writing in progress.

COUNSELING CENTER

Student-athletes share a variety of personal, social and academic concerns. The staff of the Student-Athlete Academic Support Program is available for consultation in response to these concerns. If the staff feels the situation requires more than consultation, the student-athlete may be referred to the Counseling Center.

Counseling is conducted on a one-on-one basis by psychologists and professional counselors. Group programs dealing with study techniques or personal development are also offered. All sessions, either group or individual, are held in strict confidence. Services are provided in personal counseling and psychotherapy, career development, educational counseling, alcohol and substance abuse and consultation.

NEWSLETTER

The Athletic Department publishes a newsletter for its student-athletes two times a year. This newsletter is designed to keep students abreast of changes in NCAA guidelines, along with information important to them during that particular semester. Outstanding student accomplishments are also recognized in this publication.

STUDENT-ATHLETE ADVISORY COUNCIL

The Student-Athlete Advisory Council (SAAC) is a representative body composed of one member from each intercollegiate team chosen by the members of that particular team. The purpose of SAAC is to further encourage communication between the student-athletes and the Athletic Department by providing a forum for student-athletes to discuss issues of concern regarding Athletic Department policies and procedures, as well as NCAA regulations (both current and proposed).

SAAC is also designed to promote communication between and among teams, and to encourage support for the Siena College

Athletic Program in both the campus and local communities through community service activities.

S.A.IN.T.S. CUP/LIFESKILLS PROGRAM

What is S.A.IN.T.S.?

Supporting Athletes IN Their Success

S.A.IN.T.S. is the CHAMPS/Life Skills program designed to give student-athletes experience in the five main components of the NCAA program. These areas include academic excellence, career development, personal development, community service and athletic excellence.

What can I do?

Each person can help earn credit for their team by participating in program offerings. There are a number of different ways for a team to stand out including: academic performance, community service events, supporting other teams in the department, and attending speakers and workshops throughout the year.

How can I learn more?

A bulletin board near the swimming pool will be updated throughout the year with all of the various S.A.IN.T.S. events. Highlights will include teams and individuals that have gone above and beyond for Siena and the greater community. Periodic emails will also be sent to student-athletes about upcoming events.

Key Terms

Certified Learning Disabled

Student-athletes with a certified learning disability will be reviewed on a case-by-case basis in regard to meeting the listed criteria. In any regard, student-athletes must meet NCAA requirements necessary for satisfactory academic progress.

Incomplete Grades

Unfinished course work from prior semesters (*I* grades) do not count in the calculation of academic classification. Students are given one month after the close of the semester to make up the work, otherwise the *I* grade is converted to an *F*.

Repeating a Course

A student may repeat a course in which a grade of less than *C-* is earned. In this case, a student must indicate at the time of registration that the course is one which is being repeated. Both grades will appear on the student's transcript, but the higher grade will be used in computing the cumulative grade point average (GPA). Credit for the course will be given only once.

Drop and Add

Withdrawal from a course requires the permission of the division dean. If a student withdraws from a course during the first two weeks of classes, the course will not be reflected on the transcript. After this, permission for withdrawal may be granted up until the date set in the Academic Calendar with the *W* grade assigned by the Registrar. After this date, up until two weeks before the last day of classes, the Dean may permit withdrawal with either the grade *WP* (Withdrawal Passing) or *WF* (Withdrawal Failing, not computed in the GPA) based upon the student's academic status in the course at the time of withdrawal. Withdrawal is not allowed during the last two weeks of classes.

A copy of all drop slips should be handed in to the Academic Advisor within two days of the official drop.

Pass/Fail Description

The purpose of the pass/fail option is to encourage students to take courses in which they may have an interest, but because of grade considerations might be reluctant to do so.

Any full-time student may elect to take one course each semester to a maximum of eight courses on the pass/fail option. The student may not apply any courses in the major field, any internships or any courses used to fulfill core requirements under this option.

In order to receive a passing grade, *P*, the student must earn at least a *C-* grade in the course. Otherwise, the failing grade, *Z*, will be assigned, and no credit will be received. A pass/fail grade does not affect a student's quality point index. The original letter grade will not be revealed to the student or transmitted to another college.

The student must complete the appropriate form in the office of the registrar by the published deadline and may not make a change after the deadline.

Academic Probation

A student's academic record will be reviewed, not only on the basis of grades for the current semester, but also on the basis of the entire record to date. The College reserves the right to assign a poor scholar to academic probation when he or she is below the minimum standards and may prohibit the athlete from participating in intercollegiate athletics.

Grade Point Index

This is the scholastic average for all courses completed. It is computed by taking the sum of quality points x credit hours divided by the number of credit hours attempted.

Full-Time Student

A matriculated full-time student is registered for at least 12 credits during a regular semester. Student-athletes engaging in inter-collegiate competition must be registered as full-time matriculated students. Pass/Fail courses count toward the 12 credits for determination of full-time status; however, there are additional guidelines in determining athletic eligibility.

Major

An extensive program of study in a designated academic area. Once the major is chosen and recorded, it can only be changed by following formal procedures for change. Consult with the department chair

and dean of the unit to which you are seeking admission. You should secure necessary forms from the Registrar's office. A major must be declared by the beginning of the fifth semester in order to remain eligible for athletic competition.

Quality Hours

The credit hours for courses receiving letter grades. Most courses will count in calculating quality hours.

Quality Points

Refers to the numerical value assigned to letter grades earned in a course. For example, a grade of *A* in a three-credit course earns 12 quality points (three hours x four points).

Academic Tips

Work Smarter

1. Always study the most important subject first.
2. Make friends with several students in each of your classes. This will ensure that, when you are absent because of away games, you'll have notes to borrow and friends to tell you what went on in class.
3. Get a high grade on the first exam by studying right from the first day of class. This high grade will help carry you through the balance of the semester when practicing and playing consume a lot of your time.
4. Be a miser with daytime minutes. Don't leave much for the evening. Go to bed early and get up early. An hour's work in the morning is the best way to start the day.
5. Take control of your life by making yourself do things when they are supposed to be done.

How to Improve Study Skills

Attend class regularly.

- Sit as close to the instructor as possible so you can hear him/her and see the black-board closely
- Draw a two-inch margin to write key words and special notes to yourself
- Take notes in the area to the right of the margin and only write on one side of the page
- Date and number each page
- Take down major points and skip lines between each major point
- Review your notes briefly before each class and as soon as possible after each class
- Write down the teacher's questions (they could be on a test)
- When you read the textbook:
 - read the introduction (you will know what to come is important)

- read the conclusion (you will know what was important)
- read the questions at the end of the chapter
- Be aggressive in your reading
- Sit alertly
- Pay particular attention to all charts, tables, graphs, etc. that are included in

the selection. They would not be included if they were not important

- Determine the meanings of all words which you do not know
- Sit in the front of the classroom

For more academic tips, visit our website at SienaSaints.collegesports.com, click on “Student Services.”

NCAA Rules Summary

The NCAA has developed rules and regulations for all intercollegiate athletic teams and athletes. The intent of these regulations is to ensure that college athletics remains as amateur competition and that student-athletes do not sacrifice education for athletics. We have summarized the regulations which you should keep in mind at all times.

PRACTICE AND PLAYING SEASON

The length of playing seasons, when practices may begin and end for the season, when the first contest can be played and how many hours and days per week student-athletes may participate in athletic activities are all areas governed by NCAA and institutional rules.

The length of playing seasons are sport-specific. What activities and the number of hours that these activities can be conducted are dependent upon whether a sport is considered in-season or out-of-season.

When a sport is in-season, practice, competition, or other athletically-related activities (i.e., team meetings, watching game tapes, required workouts, etc.) may not exceed 20 hours per week. It is also required that student-athletes have one full day off from athletically-related activities within a seven-day period. Activities may not exceed four hours in one day when classes are in session. Coaches are required by NCAA rules to document hours during which required activities are conducted.

When a sport is out-of-season, the maximum number of hours during which student-athletes may be required to work out is

eight hours per week. In most sports, two hours (within the eight permitted) may be skill-related instruction per week.

It is also required that student-athletes have two full days off from athletically-related activities within a seven-day period.

Please note that student-athletes may not miss class to participate in workouts or other types of practice activities.

DURING THE SUMMER

Student-athletes may not be required to participate in weight-training and conditioning activities held under the supervision of coaches or other departmental staff members during the summer. Student-athletes may voluntarily participate in strength and conditioning activities conducted only by the department’s strength and conditioning coach. Summer practices cannot be organized or supervised by staff members. In individual sports only (tennis, cross country, golf, swimming and diving), a coach may participate in individual workout sessions with student-athletes from the coach’s team if the request is initiated by the student-athletes.

PARTICIPATION IN OUTSIDE COMPETITION

A student-athlete in any sport who participates as a member of any outside team in any noncollegiate, amateur competition during the academic year becomes ineligible for intercollegiate competition in that sport for the remainder of the year and for the next academic year.

Student-athletes may compete on an outside team during any official vacation period provided such competition is during a period outside of Siena's declared playing season in that sport. The number of currently enrolled student-athletes from any one school participating on the same outside team is limited by sport as follows:

- Swimming (5)*
- Baseball (4)
- Lacrosse (5)
- Cross Country (2)*
- Soccer (5)
- Field Hockey (5)
- Softball (4)
- Tennis (2)*
- Golf (2)*
- Volleyball (2)
- Basketball (2 in summer only)#

* In individual sports, there are no limits on the number of student-athletes from the same school who may participate on the same outside team during the summer

Basketball players may compete only in NCAA sanctioned leagues or events (Permission to participate in leagues or events must be granted in writing by the Associate AD/Compliance or AD.)

• **Always check with the Associate AD/ Compliance BEFORE participating on any outside team.**

NCAA Rules Regarding Extra Benefits

An extra benefit is considered to be anything provided to a student-athlete which is not afforded to the general student body of the College. It should be assumed that the following benefits would not be permissible to provide to student-athletes:

- special discounts, payment arrangements or credit on purchases or services (ie: airline tickets, clothing, dry cleaning);
- arrangement for employment for family member or friends;
- free or reduced cost of professional services;
- use of telephone without charge for long distance call;
- use of a departmental copy machine or fax machine;
- free or reduced rates for services from a business owned by a department staff member or booster (ie: movie tickets, dinner or other entertainment);
- cash or loan for money;
- guarantee of bond or bail;
- use of an automobile;
- loan or arrangements for a loan by departmental staff member by signing or cosigning for a loan;

- use of personal properties (ie: stereo, boat, apartment, summer home);
- birthday, Christmas or other holiday gifts;

Accepting impermissible benefits is a serious NCAA violation. Regardless of the circumstances or the motivation, you will be held accountable for any such violations which may jeopardize your eligibility and/or institutional financial aid.

If you are unsure of what may constitute an extra benefit, please consult with your coach and/or the Associate Athletic Director/Compliance.

INVOLVEMENT WITH BOOSTERS

A "representative of athletics interest," commonly referred to as an athletic booster, is a supporter of Siena's athletic programs. A booster may be a member of one of the support groups affiliated with the College through Saints Alive!, and/or is or has been involved in promoting Siena Athletics in any way.

Boosters are not permitted to do anything for prospective or enrolled student-athletes without receiving authorization from the Athletic Department Administration.

Certain types of involvement may jeopardize the eligibility of the student-athletes involved. It is a violation of NCAA rules for boosters to be involved in the recruitment of prospects (i.e., making any type of contact with prospective student-athletes on or off-campus, via phone or mail).

It is permissible for a booster to invite a student-athlete to his/her home for a home-cooked meal if it is a special occasion (i.e., birthday, Thanksgiving). However, student-athletes may not be transported by the booster. Boosters may also invite a team for dinner or to meet with a group of alumni in a city where the team is competing. Boosters may not pay for meals at restaurants.

Boosters are permitted to employ currently enrolled student-athletes during the summer and/or official vacation periods during the academic year. All arrangements for such employment must be made through the Athletic Department and all NCAA rules regarding employment of student-athletes must be adhered to.

COMPLIMENTARY ADMISSIONS

According to NCAA regulations, each student-athlete is allowed a maximum of 4 complimentary admissions per event in his/her designated sport. All recipients of a student-athlete's complimentary tickets will be admitted via a pass list held at the ticket window on game day. Hard tickets are not issued to student-athletes or their recipients. The appropriate teams are provided with a ticket sign-up sheet in advance of each scheduled contest for which admission is charged.

Student-athletes may not receive payment for complimentary admissions nor exchange them for any item of value.

In the event of post-season competition, the Athletic Department reserves the right to determine complimentary ticket distribution within the guidelines established by the institution, conference and the NCAA.

INVOLVEMENT IN PROMOTIONAL ACTIVITIES

Student-athletes may not be involved in any type of promotional activity or contest held in conjunction with a college's inter-collegiate competition in which a prize may be won. Participation would jeopardize the individual's eligibility for intercollegiate competition unless:

- the prize won is through a random drawing in which all members of the general public or the student body are eligible to participate, and
- in the case of a Division I student-athlete, the eligibility shall apply only in the sport in which the promotional contest or activity occurs. For example, if a student-athlete takes part in a free-throw shooting contest at halftime of a men's or women's basketball game, that student-athlete would lose his/her eligibility in the sport of basketball.

If a student-athlete's appearance on television or radio is related in any way to athletic ability or achievement, the student-athlete is not allowed to accept any payment for the appearance. Student-athletes may not make any endorsement of any commercial product or service. The student-athlete may receive only legitimate and normal expenses directly related to such an appearance provided it occurs within a 30-mile radius of the campus.

A student-athlete's name or picture may not be used by an athletic equipment or apparel company to publicize the fact that the college's team uses its products.

If a student-athlete's name or picture appears on commercial items (i.e., T-shirt, posters, playing cards, etc.) sold by an individual or agency without the student-athlete's knowledge or permission, the student-athlete (or the institution acting on behalf of the student-athlete) is required to take steps to stop such an activity in order to retain his/her eligibility for intercollegiate athletics.

All promotional activities involving student-athletes must be cleared by the Associate AD/Compliance.

Athletic Department Policies

TEAM TRAVEL

Travel arrangements are made in accordance with College and athletic department guidelines. Normally, athletic teams travel by vans or chartered buses. Airline transportation is utilized for long distance travel or when participating in national events.

Prior to leaving for competition away from Siena, student-athletes should reconfirm with their instructors that they will be absent from class. It is important that student-athletes communicate with professors well in advance. It is the student-athlete's responsibility to make up missed coursework.

While traveling with a team, the Athletic Department pays only for transportation, room, and meals in compliance with NCAA rules. Room service, laundry (except for team uniforms), telephone calls, entertainment, etc. must be paid for by the student-athlete.

All student-athletes must travel to and from athletic competition with their team. Student-athletes are not permitted to drive themselves or ride with non-departmental staff members to away contests. Exceptions may be made after contests are completed if the student-athlete is to travel with a parent or guardian.

At no time should unauthorized individuals drive College-owned or leased vehicles.

EQUIPMENT/UNIFORM ISSUANCE AND RETURN

Student-athletes are responsible for all equipment and uniforms issued to them as representatives of intercollegiate teams.

All practice and game uniforms supplied by the College are to be worn only during official team practice and competition. Student-athletes should wear articles of clothing with identifying college marks (ie: jackets, sweat-shirts, T-shirts, hats) with the thought in mind that they are representing Siena College and their particular sport.

All College property must be returned at the completion of the season in good condition. Items damaged or not returned will be charged at replacement cost to the student-athlete's student account in the Business Affairs office.

HOUSING

Student-athletes receiving a full athletic scholarship are required to live on-campus in either the dormitories or in townhouses. The townhouse apartments are generally reserved for juniors and seniors. Returning resident students select rooms each spring for the next academic year using a campus-wide lottery and priority point system. For further information on the priority point housing system, please refer to the *Siena Life* handbook.

MEAL PLANS

Student-athletes receiving a full athletic scholarship are provided with a full meal plan. Full grant recipients residing in the residence halls receive the standard meal plan and may eat meals at Serra Hall or the Sub Shop. Full grant recipients residing in the townhouses may be provided with a declining balance account each semester. The account begins with the full amount of the standard meal plan for that semester.

All food purchases on campus are charged against this account. It is adequately budgeted because once a balance of zero is reached, s/he must pay for meals.

Students with meal plans must present their ID card as they enter Serra Hall. ID cards and meal plans are nontransferable. Anyone other than the individual authorized by the College found to be using an ID card/meal ticket will be sanctioned. Individuals who allow their card to be used may also be sanctioned.

ATHLETIC TICKET POLICY

Men's Basketball: Regular-season game tickets are covered in your college recreation fee. Tickets can be picked up at the Athletic Ticket Office located in the Marcelle Athletic Complex.

Guidelines: For individual game tickets, you are limited to one ticket per college ID. One student is allowed to present up to five Siena ID cards for individual game purchases.

Transportation: Shuttle buses will be available for all games played at the Times Union Center. Buses leave from in front of Siena Hall one hour before tipoff and return immediately following the game.

Women's Basketball: Students are not required to purchase tickets to the women's games held at the Alumni Recreation Center. For all games played in the ARC, Siena students are admitted free by showing their Siena ID at the door.

The ATHLETIC TICKET OFFICE is located in the lobby area of the Marcell Athletic Complex.

FULL GRANT STUDENT-ATHLETE TEXTBOOK PURCHASING AND RETURN POLICY

At the time of purchasing AND returning books from the Sarazen Student Union Bookstore, student-athletes on a full athletic scholarship must identify themselves as a full grant student-athlete. They are responsible for seeing the Athletic Academic Advisor prior to purchasing and returning their books. For each fall, spring and summer (if applicable) term, the Academic Advisor will provide each student-athlete with a form, which identifies them as a full grant student-athlete. The student-athlete is responsible for picking up the form from the Academic Advisor's office and submitting to the SSU Bookstore cashier at the time of purchasing and returning their books.

FULL GRANT STUDENT-ATHLETES SIGN A FORM, PROVIDED BY THE ACADEMIC ADVISOR AFFIRMING THEY WILL COMPLY WITH THE FOLLOWING PROCEDURES:

Purchasing Procedure:

- I may only purchase books required for the course I am currently enrolled in.
- I must return required books for courses I dropped prior to the "last day to drop" date passes.
- I will arrive to the bookstore with my course schedule and syllabi, if available, which lists the books I am required to purchase.
- I understand the Sarazen Union Bookstore will be forwarding the Athletic Academic Advisor a copy of the receipt(s) for all of the books I purchase at the end of the second

week of school, in addition to a list of required books for each course to ensure the Athletic Department is funding only the required text books for each of my classes.

- Outside of required books, the only other accessory the Athletic Department will fund is a calculator required for a class. Calculators must then be returned to the Athletic Academic Advisor at the conclusion of the semester so that she may lend these calculators to other student-athletes. If I intend on keeping for future use at the conclusion of the course, I must purchase the calculator on my own.
- I understand it is most convenient for the Sarazen Union Bookstore staff and the Athletic Department Administration if I purchase all of my books in one visit.

Return Procedure:

- I am responsible for returning all books and submitting a buyback receipt to the Athletic Academic Advisor no later than 24 hours after the last final exam is scheduled on campus. This receipt will be matched with the bookstore copy of the buyback receipt to ensure compliance.
- In order to keep any text books, I must submit a typed letter addressed to the Athletic Academic Advisor listing the title of the book(s) I would like to keep and citing the reason why. Administration will determine whether or not my reason is legitimate.
- I understand it is most convenient for the Sarazen Union Bookstore staff and the Athletic Department Administration if I return all of my books in one visit.

If full grant student-athletes do not comply with these rules, the Athletic Department reserves the right to bill them personally for the cost of their books and does not guarantee covering the cost of their books for subsequent semesters while at Siena College.

DEPARTMENT POLICY ON TRANSFER REQUESTS

Siena College will not release student-athletes to any institution that has membership in or association with the Metro Atlantic Athletic Conference and, in the sport of field hockey, with the Northeast Conference.

Releases to non-conference schools will be issued on a school-by-school basis after the student-athlete has completed the department's transfer request process.

Student-athletes requesting a release should contact the department's Compliance Officer. Once the necessary forms are completed, the request will be reviewed by the Compliance Officer and the appropriate Head Coach in consultation with the Athletic Director.

The student-athlete requesting release may appeal the decision to an appeals committee which consists of college representatives not from the Athletics Department and conforms to the NCAA guidelines.

HOSTING RECRUITS

Siena College expects all students, student-athletes and their campus visitors to respect the rights of others, obey all local, state and federal laws, and abide by campus policies and regulations.

- Student-athlete hosts will not use alcohol or illegal drugs during an official visit or encourage prospective student-athletes to use alcohol or drugs.
- Student-athlete hosts are required to register prospects as their guests as per College policy.
- Appropriate conduct at all times is required of student-athletes in accordance with College, Conference and NCAA standards.
- It is expected that student-athletes and their guests will respect all College personnel.
- Inappropriate behavior (especially those involving alcohol, drugs or sex) in the recruiting process and during recruiting visits will not be tolerated.
- Any violation of this code of conduct, College policy, Athletic Department policy or any law that occurs during the official visit by anyone involved (student-athlete, prospect, and/or teammates) must be reported to the Head Coach prior to the prospect's departure from campus.

Violations of this policy, other departmental policies or College policy will be dealt with through the department and/or College's judiciary system. Possible sanctions, depending upon the nature and severity of

the violation can range from a warning to dismissal from the College.

Violations of NCAA regulations will be handled through the College and Conference policy and procedures for reporting NCAA violations. Student-athletes responsible for violating NCAA rules may jeopardize their eligibility for intercollegiate athletics.

STUDENT-ATHLETE EXIT INTERVIEWS

Interviews are conducted by the athletic administration with student-athletes who are either graduating, transferring, or leaving Siena College for other reasons. The purpose of their interview is to assess the student-athlete's overall experience at Siena College, relative to his/her participation in intercollegiate athletics. Through the interviewing process, the administration can evaluate areas such as academic support services, gender equity, integration of the athlete into campus life, and other aspects of athletic programming. In seeking the input of the student-athlete, the department can learn where deficiencies may exist and where improvements need to be made in order to provide the best possible experience for the Siena student-athlete. Student-athletes are requested to complete an online survey. Those wishing to have a face-to-face interview with an athletic department administrator are accommodated. A random selection of student-athletes are also invited to a face-to-face interview as well.

MARCELLE ATHLETIC COMPLEX POLICIES

All students are allowed to use recreational and athletic facilities and equipment located in Marcelle Athletic Complex upon payment of tuition and fees. Students are permitted to bring guests into the facility at a charge of \$10/day per guest.

In order to gain access to the MAC, a valid Siena College ID must be presented at the front desk upon entering the facility. ID cards will be held until you leave the building.

The Marcelle Athletic Complex is a tobacco-free area. Use of tobacco (i.e., cigars, cigarettes, chew and snuff) is prohibited in the building.

Scholarships and Financial Aid

FINANCIAL AID

Financial aid at Siena College is generally awarded on the basis of need and scholastic achievement. In order to be considered for federal financial assistance, all students must file the Free Application for Federal Student Aid (FAFSA). To be considered for grants and scholarships from Siena College, students must file the College financial aid application as well.

ATHLETIC GRANT-IN-AIDS

The awarding of athletic grants is based on the recommendation of the respective head coach and the Athletic Director, with final approval by the Assistant Vice President for Financial Aid. The student-athlete recommended for an athletic award must be accepted to the College and have filed with the NCAA Eligibility Center before a National Letter of Intent and a financial aid agreement may be sent. All student-athletes, regardless of the amount of athletic aid awarded must file the FAFSA, and for TAP if a resident of New York State.

According to NCAA regulations, a full athletic grant may not exceed the cost of tuition, fees, room, board and books. However, a student-athlete qualifying for a PELL Grant may receive this additional aid beyond the full grant.

Partial scholarship student-athletes may supplement their athletic award with other types of institutionally or externally administered financial aid should they qualify. It is recommended that student-athletes apply for all available sources of aid.

RENEWALS AND NONRENEWALS

Once an athletic grant is awarded, Siena College is committed to fulfilling its financial responsibilities until the student-athlete's eligibility is exhausted, regardless of athletic performance. However, athletic grants are not automatically "four-year scholarships." They must be renewed annually. Notices of

renewals or nonrenewals must be made on or before July 1 for the next academic year by the Financial Aid Office.

An athletic grant may be reduced or cancelled immediately if the student-athlete:

- voluntarily drops off a team;
- engages in serious misconduct as determined by the College's regular disciplinary authority;
- renders him/herself ineligible for intercollegiate competition; or
- fraudulently misrepresents any information on an application, letter of intent or financial aid agreement.

Graduation or cancellation of athletic aid is not permitted on the basis of athletic ability, performance or contribution to the team, an injury that prevents the student-athlete from participating, or for any other athletic reason during the award period.

An opportunity for a hearing before the Financial Aid Committee is required under NCAA rules for all student-athletes whose athletic aid has been reduced, cancelled, or not renewed.

TERMINATION, REDUCTION OR NONRENEWAL

Process:

A decision to reduce, cancel or not renew a grant-in-aid may be appealed within 14 calendar days of the date of the written notice from the Assistant Vice President for Financial Aid regarding the change in aid status. The student shall send a letter appealing the decision to the Assistant Vice President for Financial Aid who will convene the Athletic Scholarship Appeal Committee. The Athletic Scholarship Appeal Committee shall be comprised of the Faculty Athletics Representative, the Assistant Vice President for Finance and Administration and the Assistant Vice President for Financial Aid, who will chair the committee.

The letter from the student requesting an appeal should include a detailed statement in response to the cancellation, reduction or nonrenewal of aid and any supporting documentation.

The Athletic Department will be notified and given an opportunity to provide a detailed statement citing reasons for the recommendation to change the grant-in-aid status as well as any supporting documentation.

The Athletic Scholarship Appeal Committee will convene to review all submitted materials and may, at its discretion, seek additional clarification and/or information. The Committee may also, at its discretion, invite the student and/or a representative from the Athletic Department to present information in person before the committee. The Athletic Department shall have the right to respond to any new issues raised by the appellant.

In considering any appeals, the Committee deliberations will take into consideration that the College is under no contractual obligation to renew athletic grants-in-aid from year to year; however, it is the College's hope to continue providing this type of financial aid until a student-athlete's eligibility is exhausted, except where there is reason not to do so.

The Committee will render its finding on whether there was cause to terminate, reduce or not renew grant-in-aid prior to the exhaustion of the student-athlete's eligibility based on the standard of more likely than not. The Committee will forward its findings to the appellant and the Athletic Department.

If the Committee finds it more likely than not there was cause for the termination, reduction or nonrenewal of grant-in-aid, the decision of the Athletic Department should be affirmed. If in the judgment of the Committee, it was more likely than not that there was not cause for action, the Committee may mandate a renewal of the grant-in-aid for such a period of time as it deems appropriate under the circumstances.

The decision of the Committee is final.

Student-athletes unable to participate due to injury or illness will have the opportunity

to retain all or part of their athletic aid if they remain with the program in some capacity.

All student-athletes wishing to voluntarily withdraw from a sport must sign a release form with the Associate Athletic Director/Compliance.

SUMMER ATHLETIC AID

Siena College may provide summer athletic aid to those student-athletes receiving a full athletic grant in men's or women's basketball during the regular academic year. The issuance of summer aid is not automatic. Only summer courses taken at Siena may be covered for full grant recipients. Student-athletes receiving such aid will be allowed to stay in the dormitories only during the time they are taking classes. They will be charged for any additional days at the College's current rate. Issuance of aid for summer classes must be approved by the Assistant Vice President for Financial Aid and is approved primarily to keep students on track for graduation within four years.

FIFTH-YEAR ATHLETIC AID

The receipt of athletic aid for a fifth year will be given consideration on a case-by-case basis upon request of the Head Coach. Final approval must be made by the Assistant Vice President for Financial Aid.

REQUEST TO STUDY ABROAD (effective 2009-10)

All requests by student-athletes to study abroad must be submitted to the Associate Athletic Director/Compliance using the *Student-Athlete Request to Study Abroad* form.

In order to be considered for retention of an athletic scholarship when studying abroad for a semester, a student-athlete must meet all of the following criteria:

1. The study-abroad experience must be a demonstrated integral component of the student's major field of study. All credits must be preapproved through the appropriate school office.

Note: Minors and certificate programs are not requirements of degree programs, but rather are considered optional.

2. A student-athlete must meet all applicable progress toward degree and eligibility requirements as per NCAA regulations.
3. The semester abroad must be taken during the non-traditional sport season of the student's junior or senior year – unless dictated by the academic program (for example: Albany Med and Social Work).

If a student-athlete's request is denied, he/she has the right to appeal this decision. A committee composed of an athletic administrator, Dean of the student's school and the Director of International Programs will review the appeal. The student will be required to provide a transcript, CAPP report and other supporting documentation to be considered for a review.

NCAA STUDENT-ATHLETE OPPORTUNITY FUND APPLICATION PROCESS

The NCAA has allocated funds to supplement opportunities for student-athletes at Division I member institutions. NCAA Special Opportunity Funds are not institutional funds. The Metro Atlantic Athletic Conference, as per NCAA regulations, is responsible for distribution and administration of the funds to its member institutions each year that funds are available. It has been determined by the MAAC Board of Directors that the funds will be used for summer financial aid.

At Siena College, a student-athlete can apply for summer tuition aid through the NCAA Special Opportunity Fund, and if selected based on the criteria below, may be awarded the cost of tuition for up to two courses. Room, board and fees may be provided as per MAAC policy.

In order to be considered for summer tuition aid, the following conditions must be met:

1. Summer aid can be used only for courses taken at Siena College's official summer school session. Correspondence courses,

courses taken at other institutions, study abroad or independent study courses are not covered.

2. A student-athlete must have been enrolled full-time at Siena College for the fall and spring semesters during the previous academic year.
3. Summer aid will only be given if a student-athlete is enrolled in course(s) that are required to meet the student's degree requirements.
4. Summer aid will only be awarded while a student is enrolled in a class that meets the above criteria and relevant NCAA regulations.
5. A student-athlete must be recommended by his/her coach and academic advisor to be considered for summer aid.

PROCEDURES:

1. Student-athlete can pick up an application from the Athletic Department Academic Advisor.
2. Student-athlete must complete form, secure required signatures and provide a written statement as detailed on application to the Athletic Department Academic Advisor by the deadline.
3. Academic Advisor reviews and verifies information.
4. Director of Athletics consults with Academic Advisor and Head Coach to consider applicant's request.
5. If approved, the Director of Athletics or designee signs and forwards application and supporting materials to the assistant Vice President for Financial Aid. If denied, the Director of Athletics notifies applicant.
6. Assistant VP for Financial Aid or designee reviews recommendation and if approved, issues an award letter to the applicant. If denied, the Assistant VP for Financial Aid notifies the applicant.

SELECTION CRITERIA: Consideration for selection to receive aid may be based on

any one or more of the criteria listed below: (not necessarily in this order)

1. Student-athlete needs credits from course(s) to maintain progress toward degree and/or restore eligibility to participate in NCAA intercollegiate athletics.
2. Student-athlete has documented financial need through Siena's Office of Financial Aid. The FAFSA based on the most recent tax year will be used to determine need and must be filed by April 1st.
3. Consideration may be given to a student-athlete's year in school and expected graduation date.
4. Student-athlete needs to improve his/her GPA to maintain eligibility or restore eligibility to participate in NCAA intercollegiate athletics.
5. Student-athlete has submitted all required paperwork (application and written statement) accurately and in full no later than APRIL 1ST.

NCAA SPECIAL ASSISTANCE FUND

The NCAA has established a fund to benefit student-athletes who receive PELL Grants and athletic aid recipients with unmet need. The fund is administered through the MAAC Office. Qualified student-athletes in all varsity intercollegiate sports at Siena may apply by completing an application with the Associate Athletic Director/Compliance.

Permissible uses for special assistance funds include:

- medical expenses (except those covered by another insurance program, either personal or institutional);
- hearing aids; vision therapy (contact lens, eyeglasses—if not covered by another insurance program);
- off-campus psychological counseling or therapy;
- travel expenses for student-athlete or parents related to family emergencies;

- purchase of expendable academic course supplies (notebooks, pens, computer paper) and rental of nonexpendable supplies (computer equipment, cameras) that are required of all students in a course; and
- articles of clothing and shoes up to \$500.

Those student-athletes verified as eligible through the Financial Aid Office will be notified that they may qualify for aid through the NCAA Special Assistance Fund. After an application is made with the Associate Athletic Director/Compliance, the application is forwarded to the MAAC Office. The student-athlete must pick up the check in person at the office of the Associate Athletic Director/Compliance. Valid receipts must be turned in to account for the amount of the check.

VACATION EMPLOYMENT

All student-athletes may be employed during official vacation periods as defined by the Academic Affairs Office.

EMPLOYMENT GUIDELINES

According to NCAA rules, the following applies to all types of student-athlete employment:

- useful work must be performed,
- the rate of pay must be the regular rate for such duties,
- hours paid must be equal to actual hours worked,
- payment in advance of hours worked is not permitted, and transportation to the job site may be provided if it is available to all employees.
- Effective 8/1/02, student-athletes may be employed on a fee-for-lesson basis in any sport as long as the above guidelines are met.
- Student-athletes are responsible for adhering to employment rules and regulations and are to report any irregularities in compensation or benefits to the Athletic Director or Associate Athletic Director/Compliance.

Sports Medicine

Unfortunately, injuries are part of inter-collegiate athletics. Therefore, the sports medicine staff is on hand to assist injured student-athletes. Immediate care can and will reduce the amount of time required to return the student-athlete to competition.

An important thing to remember is that not all student-athletes are the same. Some will recover more quickly than others. Attendance at treatment and therapy sessions is important to recovery. If a student-athlete cannot make a scheduled therapy time because of class or work, s/he must bring that to the trainer's attention and other arrangements will be made.

Each athlete is treated with the staff's best efforts, so please take advantage. If there is something we cannot do or provide, we can direct you to that service. Physicians provide game coverage and are on-call. Our physicians are extremely dedicated to the well-being of Siena College student-athletes.

POLICIES AND PROCEDURES OF TRAINING ROOM

The Siena College training room is under the supervision of Head Athletic Trainer Greg Dashnaw. The trainer has the authority, with approval of the Director of Athletics, to set policy, establish hours, monitor conduct and make decisions concerning the overall operation of the training room.

**Training Room Hours
Evaluation and Treatments
9 a.m. - Noon**

**Taping and Treatments
12:30 p.m. - 3:45 p.m.**

**Post-Practice Treatments
6 p.m. - Reasonable Time As
Determined by Head Trainer**

Important Phone Numbers

Siena College Security783-2376
Director of Athletics783-2450
Training Room783-2544

EMERGENCY MEDICAL TREATMENT

The following procedures should be used in emergency medical situations:

- 1. DO NOT MOVE THE ATHLETE**
2. Send someone for the trainer. Stabilize the injured athlete. If a trainer cannot be reached, summon Siena Security by calling 783-2376. Security will call for an ambulance, so be ready to supply security with:
 - a. exact location
 - b. nature of injury

Telephones are located in the training room, the front desk of the Marcelle Athletic Complex and in the Intercollegiate Athletics Office.

3. Direct all life-threatening injuries to Albany Memorial Hospital. Notify the emergency room at Albany Memorial:

471-3111

TRAINING ROOM DAILY GUIDELINES

1. Training room hours run from 9 a.m. to 6:30 p.m., Monday thru Friday when school is in session. Weekend hours vary according to season, travel and game schedules.
2. The training room is a co-ed facility. Therefore, you are expected to dress appropriately. Proper use of language is expected and appreciated.
3. Any type of tobacco product in the training room is prohibited by Siena College and the NCAA.
4. The training room is not an equipment room. Please do not bring your equipment or duffel bags in with you. Do not wear cleats or spikes in the training room.
5. An injury log is maintained on a daily basis, as well as a treatment log. Please report all injuries to the training staff for proper care and record-keeping.
6. If you need some type of care or assistance, please ask us for help. Do not attempt to do things on your own.

7. Treatments for injury care and prophylactic taping are provided on a first-come, first-serve basis. In-season athletes will be given priority on gamedays.
8. Training room equipment shall not be taken from the training room without permission from the trainers.
9. The telephone in the training room is for staff use only.
10. At certain times, the training room can become crowded. Should this occur, an athlete could be asked to leave the room until an available slot opens up. The athlete that is asked to leave the room is expected to show cooperation, since an overly-crowded room can only hinder the staff from working as expeditiously as possible.
11. An athlete that has any special needs or concerns should see the Head Athletic Trainer or the Director of Sports Medicine. Our goal is to meet everyone's needs.
12. OSHA health standards and guidelines are followed by the training room staff. These rules are for your protection, as well as ours. Please report all open wounds, scratches, abrasions, turf burns, etc. to a member of the training room staff for proper care.
13. A trainer will be present at all home events. Coverage of away events and practices will be provided as staffing allows.
14. Our goal is to return a healthy, functional athlete to the playing field. We are not here to force athletes into competition, nor are we making an attempt to detract from an

athlete's participation time. The sports medicine staff will make decisions about treatment, taping and training room administration. These decisions are final.

Intercollegiate Athletics Insurance Policies and Procedures

Siena College provides supplemental athletic accident and medical insurance for all injuries sustained during supervised practice and contests.

Injuries sustained out-of-season, at unsupervised/voluntary sessions, in intramural or in non-intercollegiate athletic situations are not covered. Illness and other health-related problems are not included.

The College Health Service offers student insurance which covers such instances for a nominal fee.

The Intercollegiate Athletic Department strongly recommends that the parent(s) or guardian(s) maintain coverage for the student-athlete under their current policy or purchase the insurance available through Health Service. Insurance information MUST be updated with the Athletic Office annually.

The Siena College policy is in excess of the family insurance and requires the family policy to serve as the primary coverage.

Unlike automobile insurance, claims made against the family policy will not increase the premium.

The following procedures should be followed for insurance claims related to intercollegiate injuries:

1. Report injury to the trainer within 72 hours of occurrence. Not doing so will put at risk Siena's insurance coverage.
2. If medical bills result due to injury treatment, all claims must first be filed with all family policies.
3. Vouchers and itemized bills for expenses not covered by family insurance must be submitted to Siena's Head Athletic Trainer.
4. Siena's Athletic Trainer will submit outstanding expenses to the College for payment or to the College's insurance carrier for payment.

Siena's policy includes a \$25,000 minimum benefit per accident and a \$5,000 accidental death and dismemberment provision.

All student-athletes must annually complete and return an insurance information form distributed to them at the student-athlete orientation session. If this form is not on file in the intercollegiate athletic office, the student-athlete will not be permitted to practice or compete.

NCAA Catastrophic Injury Insurance Program

The Catastrophic Injury Insurance Program sponsored by the NCAA is an insurance program that covers the student-athlete who is catastrophically injured while participating in a covered intercollegiate athletic activity. The policy has a \$25,000 deductible and provides coverage in excess of any other valid and collectible insurance.

HIPAA STATEMENT

Since a student-athlete's health and medical information is protected by federal privacy regulations (HIPAA), the Sports Medicine Office asks that student-athletes voluntarily sign a release authorizing the sports medicine staff to disclose certain health information to authorized personnel such as coaches, other College personnel, parents/guardians and health care personnel. The student-athlete has the right to refuse to sign this authorization. A copy of the release authorization follows:

Release of Protected Health Information Authorization for Siena College Student-Athletes

I give my permission for Siena College, its sports medicine staff, health care personnel and other employees to disclose certain health information in accordance with this Authorization for Release of Information Form. The Protected Health Information is any information that pertains to any injury or illness, which has or may have an impact on my ability to participate in any intercollegiate athletic program (including training, strength and conditioning, travel) in which I have enrolled for this academic year.

Siena College may disclose the Protected Health Information to the NCAA, the Metro Atlantic Athletic Conference, the Northeast Conference (field hockey members only), media outlets covering Siena College Intercollegiate Athletics, my parents/guardians, and Siena College employees and agents. This authorization shall remain in force and effective until 380 days from the date of my signature below. I understand that I have the right to revoke this Authorization, in writing, at any time by delivering written notification to the athletic director at Siena College. It is understood that a revocation of the Authorization is not effective until the athletic director acknowledges receipt of my notification **in writing**, and that such revocation is not effective to the extent that anyone, including Siena College, has acted in reliance on this Authorization to disclose Protected Health Information prior to an effective revocation of this Authorization. I understand that information used or disclosed pursuant to this Authorization may be subject to redisclosure by the recipient, and hereby consent to such disclosure.

I understand that my Protected Health Information is protected by federal regulations under the Family Educational Rights and Privacy Act of 1974 (FERPA) and may not be disclosed without my authorization and that I have signed this Authorization freely and voluntarily. Siena College shall not condition my treatment or eligibility for treatment on whether I provide this Authorization for the requested use or disclosure, and I understand that I have the right to refuse to sign this authorization.

Questions regarding HIPAA regulations may be directed to the Head Athletic Trainer in the Sports Medicine Office

Use of Banned Substances/ Drug Testing

The NCAA has established a list of banned substances. The use of such substances by student-athletes may jeopardize eligibility for intercollegiate athletics participation.

Student-athletes should not assume that the list is limited to “street” or illegal drugs. Some of the banned substances can be found in prescription and over-the-counter medications such as cold remedies. Therefore, before taking any medication, student-athletes are advised to consult with members of the sports medicine staff.

Strict penalties have been established for first and subsequent violations of the NCAA banned substance rule. In addition, student-athletes who refuse to participate in mandatory drug testing, or who attempt to cause an incorrect result, will also receive a penalty.

Any student-athlete may be subject to NCAA drug testing during the year, including the summer. In all sports, student-athletes are randomly tested prior to, or immediately following an NCAA Championship.

Facts about banned drugs and supplements

It is the responsibility of the student-athlete to know about NCAA banned drugs and/or supplements. It is important to be aware of the fact that many nutritional supplements sold over the counter may contain NCAA banned substances.

The NCAA categorizes drug classes into the following categories:

Prohibited (may not be used)

Restricted (may be used under special circumstances defined by the NCAA)

Allowed (may be used, assuming the use is legal, appropriate or medically justified).

Student-Athletes may contact the Resource Exchange Center (REC) directly with any questions concerning the NCAA banned drugs or supplements or contact the Athletic Trainer or Associate Athletic Director/Compliance.

To contact the REC: Call Toll Free: 877/202-0769 or on the web www.drugfreesport.com/rec (password is ncaa1)

Remember you are solely responsible for what you consume, so play it safe for your health, safety and eligibility.

NCAA Banned Drugs

The following is the current list of banned drug classes with examples of...

(a) Stimulants:

amiphenazolo
amphetamine
bemigrido
benzphetamine
bromantan
caffeine¹ (guarana)
chlorphentermine
cocaine
cropropamide
crothetamide
diethylpropion
dimethylamphetamine
doxapram
ephedrine
(ephedra, ma huang)
ethamivan
ethylamphetamine
fencamfamine
meclofenoxate
methamphetamine
methylenedioxyamphetamine
(MDMA, ecstasy)
methylphenidate
nikethamide
pemoline
pentetrazolo
phendimetrazine
phenmetrazine
phentermine
phenylephrine
phenylpropanolamine (ppa)
picrotoxine
pipradol
prolintane
strychnine
synephrine
(citrus aurantium, zhi shi, bitter orange)

and related compounds

(b) Anabolic Agents:

anabolic steroids
androstenediol
androstenedione
boldenone
clostebol
dehydrochloromethyl-testosterone
dehydroepiandro-sterone (DHEA)
dihydrotestosterone (DHT)
dromostanolone
epitrenbolone
fluoxymesterone
gestrinone
mesterolone
methandienone
methenolone
methyltestosterone
nandrolone
norandrostenediol
norandrostenedione
norethandrolone
oxandrolone
oxymesterone
oxymetholone
stanozolol
testosterone²
tetrahydrogestrinone (THG)
trenbolone

and related compounds

other anabolic agents

clenbuterol

(c) Substances Banned for

Specific Sports:

alcohol	pingdolor
atenolol	propranolol
metoprolol	timolol
nadolol	

and related compounds

(d) Diuretics:

acetazolamide
bendroflumethiazide
benzthiazide
bumetanide
chlorothiazide
chlorthalidone
ethacrynic acid
flumethiazide
furosemide
hydrochlorothiazide
hydroflumethiazide
methyclothiazide
metolazone
polythiazide
quinethazone
spironolactone
triamterene
trichlormethiazide

and related compounds

(e) Street Drugs:

heroin marijuana³
tetrahydrocannabinol (THC)³

(f) Peptide Hormones and Analogues:

corticotrophin (ACTH)
human chorionic gonadotrophin (hCG)
leutenizing hormone (LH)
growth hormone (GH, somatotrophin)
insulin like growth hormone (IGF-1)

All the respective releasing factors of the above-mentioned substances also are banned:

erythropoietin (EPO)
darbypoetin sermorelin

(g) Anti-Estrogens

anastrozole tamoxifen
clomiphene

and related compounds

(g) Definitions of positive depends on the following:

- 1 for caffeine – if the concentration in urine exceeds 15 micrograms/ml.
- 2 for testosterone – if the administration of testosterone, or the use of any other manipulation has the result of increasing the ratio of total concentration of testosterone to that of epitestosterone in the urine to greater than 6:1, unless there is evidence that this ratio is due to a physiological or pathological condition.
- 3 for marijuana and THC – if the concentration in the urine of THC metabolite exceeds 15 nanograms/ml.

NCAA Drug-Testing

Consent Form

Each academic year, a student-athlete shall sign a form giving consent to be tested for the use of any banned drugs. Failure to complete and sign the consent form prior to practice or competition shall result in the student-athlete's ineligibility for participation in all intercollegiate athletics. Any student-athlete may be subject to NCAA drug testing.

Tobacco Ban

Under NCAA regulations, all tobacco use is prohibited during practice and competition for coaches, game officials and players. If a player is chewing tobacco, that player shall be disqualified for the remainder of that practice or competition.

Athletic Communications

The Siena College Athletic Communications Office is the publicity and media relations arm of the College's intercollegiate athletics program. The office is located in Room 115 of the Marcelle Athletic Complex.

Assistant Athletic Director for Communications, Jason Rich, can be reached at ext. 2411 or via e-mail at jrich@siena.edu.

Publicity

The Athletic Communications Office acts as the gatekeeper for the athletic department's media relations. The department coordinates all media requests for interviews, photographs and social appearances.

In addition, the office makes every attempt to contact the media in the immediate locale of each of its student-athletes in an attempt to keep each player's hometown well informed of all athletic happenings at Siena. The office is responsible for the compilation and distribution of all statistics and records for each of Siena's 18 varsity sports.

The goals of the Athletic Communications Office are to effectively communicate to the news media, and other interested groups, information about Siena's athletic program. The office produces media guides, game-day programs, schedule cards and news releases as part of its daily activities and also maintains the official department website, www.SienaSaints.com. It is also responsible for responding to news media inquiries as well as requests for information made by professional scouts. The other principal duty of the office is to serve as the College's liaison to various athletic governing bodies such as the NCAA, ECAC, MAAC and NEC.

The Athletic Communications Office also keeps a personal information file on every student-athlete at Siena College. The file is updated at the beginning of each season through the use of a questionnaire.

Each student-athlete will be asked to fill out the player biography form for the Assistant Athletic Director for Communications. This form, which includes your past experience and achievements in athletics, as well as

personal information, such as your intended major course of study at Siena, will be used extensively by the Athletic Communications Office. Such uses include releases for your hometown papers and media to keep them posted on your progress, as well as for use in media guides, game programs and other printed materials.

Your cooperation in filling out the forms completely is greatly appreciated and results in improved recognition for all our athletic programs. Remember, it is the Athletic Communications Department which nominates student-athletes for nearly every academic and athletic award.

This questionnaire also includes a grade point average release on the reverse side. The student-athlete is not required to sign the release, but if they don't sign it, s/he cannot be nominated for conference All-Academic or regional or national honors.

All requests for interviews or photos will be handled solely by the Athletic Communications Office. If a member of the media contacts a student-athlete at his/her dorm or place of residence without permission from a member of the Athletic Communications Office, refer that media member to the Athletic Communications Department before answering any questions.

Media Guideline and Interview Tips

The following media guidelines should help you in dealing with the news media, a process that is important to you, both educationally and professionally, and to your team and its perception by the public, and to Siena College.

- Reporters, both print and electronic, are interested in reporting the games and personalities as facts, and as they interpret those facts. **The media, both print and electronic, is not necessarily there to make you look good, nor are they there to make you look bad.** They have a job to do and it is important that you understand and cooperate whenever possible.
- Whether you realize it or not, you have a responsibility to Siena College, your coaches and teammates, as well as to yourself, to cooperate with the media. **You are public figures and role models by virtue of your participation in the College's athletic program.**
- Dealing with the news media can be a learning experience in which you develop communication skills that are not only helpful in your intercollegiate career, but also to your professional and business careers.
- **You should never agree to an interview unless the interview has been arranged by the Athletic Communications Office.** Your home telephone number will not be given to the media. This allows you to avoid contact with unauthorized persons who may attempt to gain and use information for gambling or other questionable purposes.
- If you have concerns about the reporter, his or her questions, or the tone of the

interview, please see a staff person in the Athletic Communications Office.

- Remember that the public's acceptance of you, your team, and the College is developed by the impressions made during the interview process, the resulting stories and your decorum.
 - Be positive when talking about your teammates, coaches and team. **Praise your teammates. Avoid negatives.**
 - **Be human. Let reporters see and learn of other things about you besides your role as an athlete.** Make sure the Athletic Communications Office knows of those things, such as unique summer jobs, organizations, awards, special class research projects, academic honors, hobbies, etc.
 - Expect to be in a "fish bowl." High-profile sports and their participants are public figures and celebrities. Expect to lose some of your privacy.
 - **Assume you are "on the record."** When reporters are present, don't say anything you would not want to see in print or on the air. Don't forget that microphones are extremely sensitive and cameras have zoom lenses. If you can't see them, assume you are being recorded.
 - Treat a telephone interview as you would an in-person interview. Just because it may be more conversational, don't do or say things you wouldn't do in a face-to-face interview.
 - **Be on time for scheduled interviews. If you can't, call ahead and let the Assistant Athletic Director for Communications know.**
 - Do not respond to a question that you do not wish to answer. A proper response might be, "I'd rather not discuss that subject."
 - **Don't play referee. Avoid blaming officials. Let someone else say that call was wrong.**
 - If a story is written that is inaccurate, see the Athletic Communications Office and state the facts.
- Note: Student-Athletes may not comment about the expectation that a particular recruit will sign with the College or how the recruit's abilities will benefit the team. Under NCAA rules, comments about recruits may not be made until a signed National Letter of Intent has been received by the Athletic Director.**

Appendix: Sample Absence Letter

Sample Letter Notifying Instructor of Class Absence for Intercollegiate Athletic Participation

Dear Professor:

Due to my commitment to the Siena Women's Softball program, I wanted to let you know, in advance, of potential schedule conflicts that may occur. Although the Metro Atlantic Athletic Conference works to schedule games that will have a minimum amount of interference with class time, complete avoidance of absences is not possible. Highlighted below are dates and times for both home and away competition that will conflict with attendance in your course:

Day of Competition	Date	Time of Competition	SA Report Time	Opponent	Location
WED.	3/29/2006	2:00PM	12:30PM	ALBANY	SIENA
THUR.	4/13/2006	2:00PM	12:30PM	HOLY CROSS	SIENA
THUR.	4/20/2006	4:00PM	2:30PM	BUCKNELL	SIENA
TUES.	5/2/2006	2:00PM	12:30PM	SACRED HEART	SIENA
WED.	5/3/2006	3:30PM	2:00PM	COLGATE	SIENA

Day of Departure	Departure Date	Departure Time	Date of Competition	Time of Competition	Return Date	Est.Return Time	Location
Thu	2/23/2006	4:45PM	2/24-2/26/06	TBA	2/27/2006	3:00PM	Tampa, FL
Thu	3/9/2006	1:00PM	3/10-3/16/06	TBA	3/17/2006	12:00PM	AL/NC/KY
Thu	3/23/2006	6:00AM	3/24-3/26/06	TBA	3/27/2006	10:00AM	Macon, GA
Fri	3/31/2006	4:00pm	4/1/2006	1:00pm	4/1/2006	10:00PM	Buffalo, NY
Tue	4/4/2006	10:00AM	4/4/2006	2:00PM	4/4/2006	10:00PM	Burlington, VT
Tue	4/25/2006	11:00AM	4/25/2006	3:00PM	4/25/2006	10:00PM	Hamden, CT
Fri	5/5/2006	6:00PM	5/6/2006	1:00PM	5/7/2006	9:00PM	Fairfield, CT

I understand that it is my responsibility to make up any work that is missed and to come to you with any questions or concerns I may have, including scheduling conflicts involving tests and/or quizzes. Please do not hesitate contacting my Athletic Academic Advisor, Gail Picillo at 783-2993 with any questions or concerns. She is also available as a resource to proctor any missed exams/quizzes on your behalf. Further, I can assure you, that with the resources I am encouraged to take advantage of, I will not at any point in the semester compromise my education for athletics.

Summary of NCAA Regulations – Division I

- For:** Student-athletes.
Purpose: To summarize NCAA regulations regarding eligibility of student-athletes to compete.

DISCLAIMER: THE SUMMARY OF NCAA REGULATIONS DOES NOT INCLUDE ALL NCAA DIVISION I BYLAWS. FOR A COMPLETE LIST, GO TO WWW.NCAA.ORG. YOU ARE RESPONSIBLE FOR KNOWING AND UNDERSTANDING THE APPLICATION OF ALL BYLAWS RELATED TO YOUR ELIGIBILITY TO COMPETE. CONTACT YOUR INSTITUTION'S COMPLIANCE OFFICE OR THE NCAA IF YOU HAVE QUESTIONS.

TO: STUDENT-ATHLETE

This summary of NCAA regulations contains information about your eligibility to compete in inter-collegiate athletics.

This summary has two parts:

1. Part I is for **all** student-athletes.
2. Part II is for **new** student-athletes only (those signing the Student-Athlete Statement for the first time).

If you have questions, ask your director of athletics (or his or her official designee) or refer to the 2010-11 NCAA Division I Manual. The references in brackets after each summarized regulation show you where to find the regulation in the Division I Manual.

PART I: FOR ALL STUDENT-ATHLETES.

This part of the summary discusses ethical conduct, amateurism, financial aid, academic standards and other regulations concerning your eligibility for intercollegiate competition.

1. Ethical Conduct – All Sports.

- a. You must act with honesty and sportsmanship at all times so that you represent the honor and dignity of fair play and the generally recognized high standards associated with wholesome competitive sports. [NCAA Bylaw 10.01.1]
- b. You have engaged in unethical conduct if you refuse to furnish information relevant to an investigation of a possible violation of an NCAA regulation when requested to do so by the NCAA or your institution. [Bylaw 10.1(a)]
- c. You are **not eligible** to compete if you knowingly: provide information to individuals involved in organized gambling activities concerning intercollegiate athletics competition; solicit a bet on any intercollegiate team; accept a bet on any team representing the institution or solicit or accept a bet on any intercollegiate competition for any item (e.g., cash, shirt, dinner) that has tangible value. [Bylaw 10.3]
- d. You are **not eligible** to compete if you knowingly participate in any gambling activity that involves intercollegiate or professional athletics, through a bookmaker, a parlay card or any other method employed by organized gambling. [Bylaw 10.3]
- e. You are **not eligible** to compete if you have shown dishonesty in evading or violating NCAA regulations. [Bylaw 14.01.3]

2. Amateurism – All Sports.

a. You are **not eligible** for participation in a sport if you have ever:

- (1) Taken pay, or the promise of pay, for competing in that sport; [Bylaw 12.1.2]
- (2) Agreed (orally or in writing) to compete in professional athletics in that sport.

Exception: Prior to collegiate enrollment, in sports other than men's ice hockey and skiing, you agreed to compete on a professional team provided the agreement did not provide for more than actual and necessary expenses and you did not receive more than actual and necessary expenses. [Bylaws 12.1.2 and 12.2.5.1]

- (3) Played on any professional athletics team as defined by the NCAA in that sport.

Exception: Prior to enrollment, in sports other than men's ice hockey and skiing, you competed on a professional team provided you did not receive more than actual and necessary expenses. [Bylaws 12.1.2 and 12.2.3.2.1]

- (4) Used your athletics skill for pay in any form in that sport. [Bylaws 12.1.2 and 12.1.2.4]

Exceptions:

(a) Prior to collegiate enrollment, you accepted prize money based on place finish or performance in an open athletics event from the sponsor of the event and the amount of prize money did not exceed your actual and necessary expenses to participate in the event; or [Bylaws 12.1.2 and 12.1.2.4.1]

(b) After collegiate enrollment, you accepted prize money based on place finish or performance outside your sport's playing and practice season and during the summer vacation period in an open athletics event from the sponsor of the event and the amount of prize money did not exceed your actual and necessary expenses to participate in the event. [Bylaws 12.1.2 and 12.1.2.4.2]

b. You are **not eligible** in a sport if you ever have accepted money, transportation or other benefits from an agent or agreed to have an agent market your athletics ability or reputation in that sport. [Bylaw 12.3.1]

c. You are **not eligible** in any sport if, after you become a student-athlete, you accept any pay for promoting a commercial product or service or allow your name or picture to be used for promoting a commercial product or service. [Bylaws 12.5.2.1 and 12.5.2.2]

d. You are **not eligible** in any sport if, because of your athletics ability, you were paid for work you did not perform, were paid at a rate higher than the going rate or were paid for the value an employer placed on your reputation, fame or personal following. [Bylaw 12.4]

3. Financial Aid – All Sports.

a. You are **not eligible** if you receive financial aid other than the financial aid that your institution distributes. However, it is permissible to receive:

- (1) Money from anyone on whom you are naturally or legally dependent;
- (2) Financial aid that has been awarded to you on a basis other than athletics ability; or
- (3) Financial aid from an entity outside your institution that meets the requirements specified in the Division I Manual. [Bylaw 15.01]

b. You must report to your institution any financial aid that you receive from a source other than your institution. However, you do not need to report financial aid received from anyone on whom you are naturally or legally dependent.

4. Employment Earnings – All Sports.

- Earnings from a student-athlete’s on- or off-campus employment that occurs at any time is exempt and is not counted in determining a student-athlete’s full grant-in-aid or in the institution’s financial aid limitations, provided:
 - (1) The student-athlete’s compensation does not include any remuneration for value or utility that the student-athlete may have for the employer because of the publicity, reputation, fame or personal following that he or she has obtained because of athletics ability;
 - (2) The student-athlete is compensated only for work actually performed; and
 - (3) The student-athlete is compensated at a rate commensurate with the going rate in that locality for similar services. [Bylaw 12.4 and Bylaw 15.2.7]

5. Academic Standards – All Sports.

a. Eligibility for competition.

- (1) To be **eligible to compete**, you must:
 - (a) Have been admitted as a regularly enrolled, degree-seeking student according to the published entrance requirements of your institution;
 - (b) Be in good academic standing according to the standards of your institution; and
 - (c) Be enrolled in at least a minimum full-time baccalaureate degree program (not less than 12 semester or quarter hours) and maintain satisfactory progress toward that degree, be enrolled in a full-time graduate or professional degree program (not less than eight semester or quarter hours) or be enrolled and seeking a second baccalaureate degree at your institution. [Bylaws 14.01.2, 14.1.7.1, 14.1.8.2 and 14.1.8.2.1.4]
- (2) If you are enrolled in less than a full-time program, you are **eligible to compete** only if you are enrolled in the last term of your degree program and are carrying credits necessary to finish your degree. [Bylaw 14.1.8.2.1.3]
- (3) You are **eligible to compete** during the official vacation period immediately preceding initial enrollment, provided you have been accepted by your institution for enrollment in a regular, full-time program of studies at the time of your initial participation, you are no longer enrolled in your previous educational institution and you are eligible under all institutional and NCAA requirements. [Bylaw 14.1.8.2.1.1]
- (4) You are **eligible to compete** between terms if you are continuing enrollment, provided you have been registered for the required minimum full-time load at the conclusion of the term immediately preceding the date of competition, or if you are either continuing enrollment or beginning enrollment, provided you have been accepted for enrollment as a regular full-time student for the regular term immediately following the date of competition. [Bylaw 14.1.8.2.1.2]

b. Eligibility for Practice.

- (1) You are **eligible to practice** if you are enrolled in a minimum full-time program of studies leading to a baccalaureate or equivalent degree as defined by the regulations of the certifying institution. [Bylaw 14.1.8.1]
- (2) You are **eligible to practice** during the official vacation period immediately preceding initial enrollment, provided you have been accepted by your institution for enrollment in a regular,

full-time program of studies at the time of your initial participation, you no longer are enrolled in your previous educational institution and you are eligible under all institutional and NCAA requirements. [Bylaw 14.1.8.1.1]

- (3) You also are **eligible** to **practice** if you are enrolled in the final semester or quarter of a baccalaureate program while enrolled in less than a minimum full-time program of studies and your institution certifies that you are carrying (for credit) the courses necessary to complete the degree requirements, as determined by the faculty of the institution. [Bylaw 14.1.8.1.3]

c. Continuing Eligibility – All Sports (For those student-athletes first entering a collegiate institution as a full-time student on or after August 1, 2003).

- If you are entering an institution for the first time on or after August 1, 2003, your eligibility for competition shall be based on:
 - (a) Having successfully completed 24-semester or 36-quarter hours of academic credit prior to the start of the institution's third semester or fourth quarter following the student-athlete's initial full-time enrollment;
 - (b) Having successfully completed 18-semester or 27-quarter hours of academic credit since the beginning of the previous fall term or since the beginning of the certifying institution's preceding regular two semesters or three quarters (hours earned during the summer may not be used to fulfill this requirement); and
 - (c) Six-semester or quarter hours of academic credit the preceding regular academic term (e.g., fall semester, winter quarter) in which the student-athlete has been enrolled at any collegiate institution. [Bylaw 14.4.3]
 - (d) You must choose a major that leads to a specific baccalaureate degree by the beginning of your third year of enrollment. (This includes transfer students who have not yet completed an academic year in residence or used one season of eligibility in a sport at their current institution.) [Bylaw 14.4.3.1.6]
 - (e) If you are entering your second year of collegiate enrollment, you must present a cumulative grade-point average that equals at least 90 percent of the institution's overall cumulative grade-point average required for graduation (based on a 4.000 scale). [Bylaw 14.4.3.3]
 - (f) If you are entering your third year of collegiate enrollment, you must have completed successfully at least 40 percent of the course requirements in your specific degree program and you must present a cumulative minimum grade-point average (based on a 4.000 scale) that equals at least 95 percent of the institution's overall cumulative grade-point average required for graduation. For this purpose, a student-athlete's grade-point average will be certified on a term-by-term basis. [Bylaw 14.4.3.3.2 and 14.4.3.3]
 - (g) If you are entering your fourth year of collegiate enrollment, you must have completed successfully at least 60 percent of the course requirements in your specific degree program and you must present a cumulative grade-point average (based on a 4.000 scale) that equals at least 100 percent of the institution's overall cumulative grade-point average required for graduation. For this purpose, a student-athlete's grade-point average will be certified on a term-by-term basis. [Bylaw 14.4.3.2 and 14.4.3.3]
 - (h) If you are entering your fifth year of collegiate enrollment, you must have completed successfully at least 80 percent of the course requirements in your specific degree program and you must present a cumulative grade-point average (based on a 4.000 scale)

that equals at least 100 percent of the institution's overall cumulative grade-point average required for graduation. For this purpose, a student-athlete's grade-point average will be certified on a term-by-term basis. [Bylaw 14.4.3.2 and 14.4.3.3]

d. Freshmen.

- (1) You are referred to as a qualifier and are eligible to practice and compete in your sport and to receive financial aid (institutional and athletically related) during your first academic year under Bylaw 14.02.11.1, if you:
 - (a) Graduate from high school;
 - (b) Attain a minimum high school grade-point average as specified in Bylaw 14.3.1.1.2 (based on a 4.000 scale) in a successfully completed core curriculum of at least 16 core courses; and [Bylaw 14.3.1.1]
 - (c) Achieve a corresponding sum ACT or SAT score as specified in Bylaw 14.3.1.1.2.
- (2) You are referred to as a nonqualifier if you fail to meet the criteria above. In addition to being ineligible for practice and competition during the first academic year in residence, a nonqualifier is not permitted to receive any institutional financial aid, except as stated below. [Bylaws 14.02.11.2 and 14.3.2.1.1]

e. As a Nonqualifier:

- (1) You are eligible to receive nonathletics institutional financial aid based on need only, consistent with institutional and conference regulations; and
- (2) You will have three seasons of eligibility after your first academic year in residence. You may earn a fourth season of competition provided you complete 80 percent of your baccalaureate degree before beginning your fifth academic year of enrollment and you are within five years of your initial, full-time collegiate enrollment. [Bylaw 14.3.3]

6. Other Regulations Concerning Eligibility – All Sports.

- a. You are **not eligible** to participate in more than four seasons of intercollegiate competition in any one sport. [Bylaw 14.2]
- b. You are **not eligible** if five calendar years have passed from the date you first registered as a full-time student at a collegiate institution and attended your first day of classes for that term, except for time spent in the armed services, on official church missions or with recognized foreign aid services of the U.S. government and extensions that have been approved in accordance with NCAA legislation. [Bylaws 14.2.1]
- c. You are **eligible** at an institution other than the institution from which you have received or satisfied the requirements for a baccalaureate degree or an equivalent degree, if you meet the conditions of the one-time transfer exception [Bylaw 14.5.5.2.10] and you have eligibility remaining as set forth in Bylaw 14.2.1. [Bylaw 14.1.9]
- d. You are **eligible** for championships, certified bowl games or the National Invitation Tournament that occur within 60 days of the date you complete the requirements for your degree. [Bylaw 14.1.9.3]

7. All Sports Other Than Basketball.

- You are **not eligible** in your sport for the remainder of the year and the next academic year if, during the academic year, you competed as a member of any outside team in any noncollegiate, amateur competition. You may compete outside of your declared playing and practice season as a member of an outside team in any noncollegiate, amateur competition during any official vacation period published in your institution's catalog. Competing in the Olympic

Games tryouts and competition and other specified national and international competition is permitted. [Bylaws 14.7.1, 14.7.1.1 and 14.7.3]

- o **Exception:** In men's and women's soccer, women's volleyball, field hockey and men's water polo, you may compete on outside amateur teams during the spring outside of the institution's playing and practice seasons, provided such participation occurs no earlier than May 1, and the remaining provisions of Bylaw 14.7.1.2 are met.

8. All-Star Football and Basketball Only.

- You are **not eligible** if, after you completed your high school eligibility in your sport and before your high school graduation, you participated in more than two high school all-star football or basketball games. [Bylaw 14.6]

9. Basketball Only.

- a. You are **not eligible** if, after you become a student-athlete, you participate in any organized basketball competition except while representing the institution in intercollegiate competition. Competing in the Olympic Games tryouts and competition and other specified national and international competition is permitted. [Bylaws 14.7.2 and 14.7.3]
- b. It is permissible to participate as a member of a basketball team in an NCAA-sanctioned summer basketball league or event. [Bylaw 14.7.4]

10. Transfer Students Only.

- a. You are a transfer student if:
 - (1) The registrar or admissions officer from your former institution certified that you officially were registered and enrolled at that institution in any term in a minimum full-time program of studies and you were present on the opening day of classes; **or**
 - (2) The director of athletics from your former institution certified that you reported for the regular squad practice that any staff member of the athletics department of your former institution announced before the beginning of any term. [Bylaw 14.5.2]
- b. If you are a transfer student from a four-year institution, you are **not eligible** during your first academic year in residence unless you meet the provisions of one of the exceptions specified in Bylaw 14.5.5.2 or one of the waivers specified in Bylaw 14.8.2.
- c. If you are a transfer student from a two-year institution, you are **not eligible** during your first academic year in residence at your new institution unless you meet the academic and residence requirements specified in Bylaw 14.5.4 or the exceptions specified in Bylaw 14.5.4.6.
- d. If you transferred from a four-year college to a two-year college and then to your new institution, you are **not eligible** during your first academic year in residence at your new institution unless you meet the requirements specified in Bylaw 14.5.6.

11. Drugs – All Sports.

- a. If the NCAA tests you for the banned drugs listed in Bylaw 31.2.3 and you test positive (consistent with NCAA drug-testing protocol), you will be **ineligible** to participate in regular-season and postseason competition for one calendar year (i.e., 365 days) after your positive drug test, and you will be charged with the loss of a minimum of one season of competition in all sports.
- b. If you test positive a second time for the use of any drug, other than a "street drug" as defined in Bylaw 31.2.3, you will lose all remaining regular-season and postseason eligibility in all sports.

- c. If you test positive for the use of a “street drug” after being restored to eligibility, you shall be charged with the loss of one additional season of competition in all sports and also shall remain ineligible for regular-season and postseason competition at least through the next calendar year. [Bylaw 18.4.1.5.1]
- d. A policy adopted by the NCAA Executive Committee establishes that the penalty for missing a scheduled drug test is the same as the penalty for testing positive for the use of a banned drug other than a street drug. You will remain ineligible until you retest negative and your eligibility has been restored by the NCAA Division I Committee on Student-Athlete Reinstatement. [Bylaw 18.4.1.5.1]

12. Non-NCAA Athletics Organization Positive Drug Test – All Sports.

- a. If you test positive for banned substances by a non-NCAA athletics organization, you must notify your director of athletics regarding the positive drug test. You also must permit the NCAA to test you for the banned drugs listed in Bylaw 31.2.3.
- b. If the result of the NCAA drug test is positive, you will lose all remaining eligibility during the season in which you tested positive and an additional season of competition.
- c. The director of athletics must notify the vice president of NCAA educational affairs in writing regarding a student-athlete’s disclosure of a previous positive drug test administered by any other athletics organization.
- d. If the student-athlete immediately transfers to a non-NCAA institution while ineligible and competes in collegiate competition within the 365 day period at a non-NCAA institution, the student-athlete will be ineligible for all NCAA regular-season and postseason competition until the student-athlete does not compete in collegiate competition for a 365 day period. Additionally, the student-athlete must retest negative (in accordance with the testing methods authorized by the Executive Committee) and request that eligibility be restored by the Committee on Student-Athlete Reinstatement.
- e. The list is subject to change and the institution and student-athlete shall be held accountable for all banned drug classes on the current list. The list is located on the NCAA Web site (www.ncaa.org) or may be obtained from the NCAA health and safety staff in education affairs.

PART II: FOR NEW STUDENT-ATHLETES ONLY.

This part of the summary contains information about your recruitment, which is governed by Bylaw 13 of the Division I Manual.

- **Recruitment.**

- a. Offers – All Sports.
 - (1) You are **not eligible** if, before you enrolled at your institution, any staff member of your institution or any other representative of your institution’s athletics interests provided or offered to you, your relatives or your friends any financial aid or other benefits that NCAA legislation does not permit.
 - (2) It is permissible for your summer employment to be arranged by the institution or for you to accept educational loans from a regular lending agency provided you did not receive the job or loan before the end of your senior year in high school. [Bylaws 13.2.1, 13.2.3]
- b. Contacts – All Sports.
 - (1) For purposes of this section, contact means “any face-to-face encounter” between a prospect or the prospect’s parent or legal guardian and an institutional staff member or

athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged or that takes place on the grounds of the prospect's educational institution or at the site of organized competition or practice involving the prospect or the prospect's high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of the conversation that occurs. [Bylaw 13.02.4]

- (2) You are **not eligible** if any staff member of your institution:
 - (a) Contacted you, your relatives or your legal guardians in person, off your institution's campus, before July 1, July 7 (women's ice hockey) or July 15 (women's gymnastics) following completion of your junior year in high school (except for students at military academies) as described in Bylaw 13.1.1.1;
 - (b) Contacted you in person, off your institution's campus, more than the number of times specified in Bylaw 13.1.6; or
 - (c) Contacted you in person, off your institution's campus, outside the time periods specified in Bylaw 13.1.4.1 for the sports of football and basketball.
- (3) You are **not eligible** if, before you enrolled at your institution, a coach from your institution contacted you in person, on or off your institution's campus, while you were practicing or competing in football or basketball outside the permissible contact periods. [Bylaw 13.1.6.2.4]
- (4) You are **not eligible** if you were not a qualifier and any staff member of your institution contacted you, your relatives or your legal guardians in person, on or off your institution's campus, while you were enrolled in your first year of a two-year college. [Bylaw 13.1.2.1]
- (5) You are **not eligible** if anyone from your institution, other than an authorized staff member, contacted you, your relatives or your legal guardian in person, on or off your institution's campus, to recruit you. You also are not eligible if you received recruiting letters or telephone calls from any representative of your institution's athletics interests. [Bylaw 13.1.2.1]
- (6) You are **not eligible** if, while you were being recruited, any staff member of your institution or any other representative of your institution's athletics interests, contacted you during the day or days of competition at the site of any athletics competition in which you were competing. It was permissible for such contact to occur (during the permissible period) after the competition if the appropriate high school authority released you prior to the contact. [Bylaw 13.1.6.2]

c. Publicity – All Sports.

- (1) You are **not eligible** if, before you enrolled at your institution, your institution publicized any visit that you made to its campus. [Bylaw 13.10.5]
- (2) You are **not eligible** if, before you enrolled at your institution, you appeared on a radio or television program that involved a coach or another member of the staff of the athletics department at your institution. [Bylaw 13.10.3]

d. Letter-of-Intent Signing.

- You are **not eligible** if a staff member of your institution was present while you were signing, at an off-campus site, a National Letter of Intent or an acceptance of a financial aid offer from your institution or your conference. [Bylaw 13.1.5.7]

e. Source of Funds – All Sports.

- You are **not eligible** if any organization or group of people outside your institution spent money recruiting you to attend your institution, including entertaining, giving gifts or services and providing transportation to you or your relatives or friends. [Bylaw 13.15.1]

f. Tryouts – All Sports.

- You are **not eligible** if, after starting classes for the ninth grade, you displayed your abilities in any phase of any sport in a tryout conducted by or for your institution. [Bylaw 13.11.1]

g. Football, Basketball, Volleyball and Gymnastics Only.

- You are **not eligible** if, after starting classes for the ninth grade, you participated in a high school competition that was conducted in conjunction with a collegiate competition. [Bylaw 13.11.1.6]

h. Basketball Only.

- You are **not eligible** if a member of your institution's coaching staff participated in competition or in coaching activities involving a nonscholastic basketball team of which you were a member. [Bylaw 13.11.1.7]

i. Sports Camps.

- You are **not eligible** if you were a winner of any athletics participation award in high school (includes ninth-grade level), preparatory school or junior college and before you enrolled at your institution, the institution, members of its staff or a representative of its athletics interests employed or gave you free or reduced admission to its sports camp or clinic. [Bylaw 13.12.1.6]

j. Visits, Transportation and Entertainment – All Sports.

- (1) You are **not eligible** under Bylaws 13.5, 13.6 or 13.7 if, before you enrolled at your institution, any of the following happened to you:
 - (a) You accepted expense-paid visits to more than five NCAA institutions or more than one expense-paid visit to one member institution;
 - (b) Your one expense-paid visit to the campus lasted longer than 48 hours;
 - (c) Your institution paid more than the actual round-trip cost by direct route between your home and the campus when you made your one expense-paid visit;
 - (d) Your institution paid for you to visit during your first year in a junior college, and you were not a qualifier;
 - (e) Your institution entertained you, your parents (or legal guardians) or your spouse outside a 30-mile radius of the campus during your expense-paid visit; **or**
 - (f) Your institution entertained you, your parents (or legal guardians) or your spouse excessively during your expense-paid visit or entertained your friends or other relatives at any site.
- (2) You are **not eligible** if your institution paid for you to visit its campus before the first day of classes of your senior year in high school. [Bylaw 13.6.2.2.1]

- (3) You are **not eligible** if your institution paid for you to visit its campus before you presented the institution with a score from a PSAT, SAT, PLAN. An international prospect who requires a special administration of the PSAT, SAT, PLAN (or PACT Plus) or ACT, may present such a score on the approval of the NCAA Division I Academic Cabinet or the NCAA Division I Initial-Eligibility Waivers Committee. [Bylaw 13.6.3]
 - (4) You are **not eligible** if your institution paid for you to visit its campus before you presented the institution with a high school (or college) academic transcript.
 - (5) You are **not eligible** if, at any time that you were visiting your institution's campus at your own expense, your institution paid for anything more than the following:
 - (a) Three complimentary admissions for you and those individuals who came with you to an athletics event on campus in which your institution's team practiced or competed. [Bylaw 13.7.2.1]
 - (b) Transportation, when accompanied by a staff member, to see off-campus practice and competition sites in the prospect's sport and other institutional facilities located within a 30-mile radius of the campus. [Bylaw 13.5.3]
 - (6) You are **not eligible** if, when you were being recruited, staff members of your institution or any representatives of its athletics interests paid the transportation costs for your relatives or friends to visit the campus or elsewhere. However, your friends, relatives or legal guardians may receive cost-free transportation to visit a member institution's campus only by accompanying you at the time you travel in an automobile to visit the campus. [Bylaw 13.5.2.2.1]
 - (7) You are **not eligible** if, when you were being recruited, your institution gave you complimentary admissions to more than one regular-season home game scheduled outside your institution's community, or gave you more than three complimentary admissions to that one regular-season home game scheduled outside your institution's community. [Bylaw 13.6.7]
 - (8) You are **not eligible** if, when you were being recruited, a staff member of your institution's athletics department spent money other than what was necessary for the staff member's (or representative's) personal expenses during an off-campus visit with you. [Bylaw 13.14.2]
- k. Precollege or Postgraduate Expense – All Sports.
- You are **not eligible** if your institution or any representative of its athletics interests offered you money, directly or indirectly, to pay for any part of your educational expenses or other expenses during any period of time before you enrolled at your institution. This applies to your postgraduate education as well. [Bylaw 13.15.1]

Siena Athletics

Since Siena's founding in 1937, athletics have played an important role in the development of its students and community.

In 1976, Siena's athletics program was elevated to NCAA Division I status. With that move, the College committed itself to upgrading its program and making all teams competitive. After stops in the ECAC Metro and North Atlantic Conference, Siena moved to the Metro Atlantic Athletic Conference (MAAC) in 1990, where it has made its mark and become a flagship representative for the league.

The Program

Siena has won 44 MAAC Championships and in the last few years emerged as a top mid-major program. Take a look at some of the accomplishments...

Men's Basketball

- five MAAC Championships including the last three
- six NCAA Tournament appearances
- three NCAA Tournament victories
- only Division I school to win both its regular-season conference title and tournament title the last three years
- Kenny Hasbrouck '09 signed with the Miami Heat
- Tay Fisher '08 plays for the Harlem Globetrotters

Women's Basketball

- 2001 MAAC Championship and NCAA Tournament appearance
- seven regular-season MAAC Championships
- three WNIT appearances

Volleyball

- eight MAAC Championships
- five NCAA Tournament appearances

Baseball

- four MAAC Championships
- 1999 NCAA Tournament appearance
- 34 players have signed professional contracts
- John Lannan pitches for the Washington Nationals
- Dan Paolini competed in the inaugural College Home Run Derby in 2010

Men's Golf

- two MAAC Championships and NCAA Tournament appearances

Women's Golf

- 10 consecutive MAAC Tournament Championships
- honored by NCAA for posting multiyear Academic Progress Rates (APR) in the top-10 percent of all teams

Men's Lacrosse

- won first MAAC Championship in 2009 and earned an NCAA Tournament appearance
- won two consecutive undefeated regular-season MAAC Championships in 2009 and 2010
- Brent Herbst '10 became first Siena lacrosse player to be drafted by MLL

Women's Lacrosse

- two MAAC Tournament appearances
- won 2005 regular-season MAAC Co-Championship

Softball

- under the direction of new head coach Bill Lajeunesse
- won its most MAAC games since 2003

Women's Swimming and Diving

- swam to a third-place finish at the MAAC Championships in 2010, its second best in program history

Men's Soccer

- finished second in the MAAC in 2008, equaling its best league finish ever

Women's Soccer

- won a program-record 13 games in 2008, had the best start in program history (8-0-2) and was named 10th Most Improved Team in the country
- has a .750 win percentage the last two seasons (25-7-4)

Men's Cross Country

- a MAAC-leading 10 runners were selected to the MAAC All-Academic Team

Women's Cross Country

- earned the highest cumulative team GPA at Siena (3.49)

Men's Tennis

- honored by NCAA for posting multiyear Academic Progress Rates (APR) in the top-10 percent of all teams

Women's Tennis

- 2006 MAAC Championship and NCAA Tournament appearance
- honored by NCAA for posting multiyear Academic Progress Rates (APR) in the top-10 percent of all teams

Field Hockey

- in 2009, won its most games in seven years

Water Polo

- competed in two of the last three MAAC Championship tournaments

Facilities

Most Siena teams make their homes on campus, competing in and around the Marcelle Athletic Complex (MAC). In the spring of 2007, the department opened a multiple-purpose, artificial turf, outdoor athletic facility which serves as a venue for Siena lacrosse, field hockey and soccer in addition to intramurals. There is also a grass soccer field and the softball field adjacent to the turf field.

Inside the MAC, Siena student-athletes have all the amenities to ensure they can succeed at the Division I level. Most recently, the Raymond Center, Home of the Harry Mikhitarian Golf Training Facility was dedicated in May and includes a custom putting green, an indoor driving range, a swing/video analysis center, a players' lounge, club storage area and coaches' offices. The men's and women's basketball and volleyball locker rooms were all refurbished in the fall of 2009.

The women's basketball and volleyball teams play their home contests on UHY Court at the 4,000-seat Alumni Recreation Center (ARC).

Siena's men's basketball team makes its home at the Times Union Center in downtown Albany. The Times Union Center is a regionally acclaimed facility billed as Upstate New York's premier sports and entertainment destination. Since its full-time move to the Times Union Center prior to the 1996-97 season, the men's basketball teams' home attendance has soared to 66th in the country. A record 133,505 fans (7,853/game) turned out for Siena's 17 home games last season.
