### Friends of Saluki Baseball:

I trust this note finds you and your family doing well. As a loyal friend of Saluki Baseball, it is again that time of year where we ask for your support of our program.

First of all, I would like to provide you with a brief update on our team. As most of you know, last spring was filled with many challenges - none larger than moving forward without Coach Cal, a mentor and leader who meant so much to our student-athletes and coaching staff. The young 2011 squad played an extremely difficult schedule and battled through a season marred by the loss of several key players to injury. Although we didn't pull out a victory, the Salukis played extremely well in an early three-game series to the two-time defending national champion South Carolina Gamecocks and continued to improve steadily from that point forward. We began league play with a series sweep on the road, won two of three at the home of the eventual league champion and finished MVC play with a winning record.

I can proudly say that through it all our players always played hard, never made excuses and built the foundation for what we believe are great days ahead. I would also be remiss if I didn't mention our exemplary work in the classroom. More than 50 percent of the team finished with grade-point-averages above 3.0 and collectively our team was over a 3.0. This group produced the highest spring semester grades for baseball in more than 10 years. Having lost only three seniors off of that club - and with the addition of 10 newcomers this fall - we are excited and confident heading into the future and truly believe that we will be in a position to battle for a Missouri Valley Conference title this spring.

In order to continue moving forward, we need your help. Now in its 16th year, the Saluki Dugout Club has become a crucial part of our program. From its meager beginnings in 1996, it has grown from a few local members to the over 300 annual members of today representing more than 30 different states. The Saluki Dugout Club has become our program's top source of outside resources. Without the generous support of so many of you over the years, we would not be in a position to offer our student-athletes what they require to be competitive at our current level. With the rising cost of team travel, equipment, etc. we need your help now more than ever. Also, please be aware that all of your donation goes directly to Saluki Baseball to offset these many expenses.

In closing, I want to thank you in advance for your willingness to consider supporting Saluki Baseball through a donation to the Dugout Club. We realize that economic times are tough and that you have many options as to where your donation dollars can go, but we certainly hope you feel we are worthy of your support. On behalf of our student-athletes, coaches and administrators, I appreciate your consideration and assure you we will continue working extremely hard to make you proud to be associated with Saluki Baseball.

Thank you and GO DAWGS!

Sincerely,

Ken Henderson  
Baseball Coach
