

Crystal Garden Corporate

Rewards Program

The Corporate Rewards Program has been developed as a way for SIUE faculty, staff, and students to earn credits for their organization or department. Credits can be used towards events catered by GC Cuisine or hosted by Crystal Garden. These events can include such things as faculty wine and cheese parties, student cookouts, department luncheons, awards banquets, birthday cakes, etc.

The way it works is every time you come in the Crystal Garden Cafe and make a purchase, such as a lunch or food from the deli, the organization designated by you will receive a credit for a future event equaling 10 percent on the amount you spent. In other words, if you buy two lunches totaling \$11.50, you will receive a \$1.15 credit for your group, organization, or department. This way you can stretch your dollars further and help your organization with upcoming events.
