SJSU Overview

When you apply for admission to San José State, you are applying to join a unique community of individuals bound together by their shared creativity, passion and resilience: a community of Spartans!

As the founding campus of the California State University (CSU) system, San José State has grown since its 1857 inception into a major metropolitan university offering 134 academic disciplines, from the classics to emerging fields. But SJSU offers students more than a degree, and our award-winning faculty members educate far beyond the classroom. Here, learning is put into action. Our faculty members are leaders in their fields. Undergraduate students have the opportunity to participate in groundbreaking research projects funded by organizations like NASA, the National Science Foundation and Intel. Established Silicon Valley partnerships and a vast, global alumni network provide you access to internships and job opportunities with some of the world’s foremost companies. For those of you whose ambitions align with the region’s legendary entrepreneurial spirit, campus programs like the Silicon Valley Innovation Challenge nurture ingenuity and support budding businesses.

San José State is proud to have a long legacy of social and civic engagement. This spirit, along with a focus on service-learning and an international student body, helps prepare students to be responsible global citizens. Responsible citizens also know how to have fun: Division I athletics and nearly 400 student organizations—from art to archery—connect you to thriving student life on campus and beyond. From our home in bustling downtown San José, you have access to all that Northern California has to offer, from Santa Cruz’s famous beach breaks to the majesty of Yosemite National Park and San Francisco’s Golden Gate.

At San José State, Spartans believe that dreams are achieved through hard work and imagination. When you become a Spartan, you are giving yourself an opportunity to discover who you want to be and how you want to change the world—for yourself, your family and your community.

How to Apply

Use your full, legal name consistently on every application and every document you submit. This includes financial aid forms, transcripts and test scores. Avoid using nicknames as this will lead to delays in application processing and admission notification. If you allow someone other than yourself to fill out the application, you are still accountable and responsible for meeting all requests for information and deadlines.

1 Apply to SJSU at csumentor.edu
Fall 2015 Semester: Wednesday, October 1–Sunday, November 30, 2014 (11:59 pm)
THERE ARE NO EXCEPTIONS TO THE APPLICATION DEADLINE(S).
You will receive an application confirmation number: this is your receipt. Keep this number in a safe place; it is your proof that you submitted the application by the deadline.

EOP (Educational Opportunity Program)
EOP is designed for undergraduate students who are considered California residents or AB540 students with a history of low-income (as determined by the FAFSA or CA Dream Act Application) and from an educationally disadvantaged background. You must be part of the first generation in your family to earn a four-year college degree (siblings with a bachelor’s degree are acceptable). If you are interested and feel you meet this criteria, submit your completed EOP application via CSU Mentor with your admission application. See the “EOP” section for more details.

2 Look for an email with your SJSU ID in five to seven business days
Five to seven business days after applying at CSU Mentor, you will receive an email with your nine-digit SJSU ID included. This nine-digit number will be your primary university identification throughout your career at SJSU. Because you will use this number so frequently, make sure to put it in a safe, but accessible place. Make sure the spam filters on your email account are set to accept email from @sjsu.edu. You don’t want to miss this email.

3 Set the password to access your MySJSU account and your SJSUOne wireless account on campus
Go to https://sjsuone.sjsu.edu/SJSUOne/ResetPassword and enter the nine-digit SJSU ID you received in Step 2.
Choose one of the two options listed to set your password for the first time. This same process will allow you to reset your password.

4 Sign in to your MySJSU student account at http://my.sjsu.edu
SJSU communicates almost entirely by messages and ‘to-do’ items posted to your MySJSU account. Click on the blue “MySJSU Sign In” button and enter your nine-digit SJSU ID and the password you created in Step 3. Make sure your personal information is current—your email address is critical! You will be notified via this email address when a new message or ‘to-do’ item has posted to your MySJSU account. Confirm your email address and update if necessary. Also, be sure to set your filters to accept messages from the @sjsu.edu domain.

Lost SJSU ID or password?
Click on the yellow “Set/Reset Password” button at http://my.sjsu.edu

5 Check your MySJSU account
MySJSU is the main method of communication used throughout the application process and your time as an enrolled student. Check your MySJSU account at least once a week for important and timely notices, such as admission, fees, financial aid, enrollment appointment, test, and transcript information and deadlines. You are responsible for monitoring your progress at MySJSU, and you must take action by posted deadlines! Failure to do so will result in your application being withdrawn.
Choose Your Major Carefully
You cannot change your major during the admission process.

Once you are admitted, your mandatory orientation, advising, and registration will all be based on your choice of major. After you are admitted, change of major is never guaranteed and is by petition only. You must also enter an alternative major on your application to SJSU. We will use this information for advising purposes only, and will not consider your alternative major in the admission process.

Transfer students may not apply as an undeclared major.

Meeting Minimum Requirements
Admission to San José State is competitive in all majors. SJSU continues to have more qualified applicants than available new student spaces. Due to this shortfall, meeting the minimum CSU requirements does not guarantee admission to SJSU. San José State gives preference in the impaction process to “local” applicants. For freshmen, you are a “local” applicant if you will graduate from a high school in Santa Clara County. For transfers, you are a “local” applicant if you will earn the majority of your transferrable units at a college located in Santa Clara or Santa Cruz counties.

Learn more about impaction at http://info.sjsu.edu/static/admission/impaction.html

Former Students Returning (FSR)
Former students who have not attended SJSU as a Regular student for the past two consecutive semesters, and who have not been granted a leave of absence, must reapply for admission, attend orientation, and meet all deadlines, conditions, and admission requirements currently in effect. Open University attendance does not count as Regular enrollment. FSRs taking classes through Open University must also reapply. The deadline to reapply for Fall 2015 is Sunday, November 30, 2014. There are no exceptions to this deadline.

Note: Former students returning may gain admission priority by completing and obtaining departmental approval for the Petition for Re-Admission as a Former Student Returning (FSR). For information regarding eligibility and completion instructions, download the Re-Admission Petition form at sjsu.edu/registrar/forms. The deadline for submitting the FSR petition is Thursday, January 15, 2015.
**Freshman Admission Requirements**

Your path to admission at SJSU starts now.....

1. Earn a high school diploma, or equivalent

Your path to admission at SJSU starts now..... Remain fully engaged to successfully complete the admission process for Fall 2015. Before you apply, understand that you will be required to complete multiple steps in order to enroll successfully at SJSU. Each step affects the next step in the enrollment process. For instance, your SAT/ACT scores are used to determine if you must take one of the placement tests: Entry Level Math (ELM) or English Placement Test (EPT). Admission is provisional, based on self-reported data and official test scores at the time of application, and is subject to verification of final official high school transcripts.

Meet all Deadlines

If you miss an SJSU deadline, we will withdraw your application for admission, and you will not be able to attend SJSU in Fall 2015. If you have an extreme hardship or unusual circumstance that may cause you to miss one of our deadlines, contact admissions@sjsu.edu immediately!

It is best to contact us with your questions or concerns before a deadline. This way, we can assist you before action is taken on your account.

2. Complete the required high school courses with grades of "C-" or better.

All required high school courses must be completed by the end of the spring semester prior to fall admission. We will deny admission for missing or receiving failing grades in any of these courses. Print your high school transcript now and verify that you will graduate with grades of "C-" or better in courses approved to meet the admission requirements listed below.

A list of approved courses can be found at ucpd.edu/dooways

Freshman applicants are required to submit SAT (critical reading and math) or ACT composite scores from a test taken no later than November 2014. (The SAT institution code for CSUMentor is 3594.)

No exceptions! Submit your official scores by the deadline. Failure to do so will result in your application being withdrawn. Request to have your official scores sent from the testing agency. Listing your scores on your application will not satisfy this deadline. Please note: The SAT/ACT writing portion is not used for admission or placement purposes at SJSU.

- **SAT**
  - Critical reading: 530
  - Math: 530

- **ACT**
  - Composite: 21

4. Meet or exceed the Minimum Eligibility Index (combination of Grade Point Average and SAT/ACT scores)

Your admission to SJSU is based on a combination of the grades you earned in the approved courses (listed in step 2) during your sophomore and junior years and your official SAT/ACT scores. This combined score (eligibility index) is used to determine whether or not you will be admitted to SJSU.

**Minimum Eligibility Index (EI)**

To be considered for admission, graduates of California high schools or residents of California, as defined for tuition purposes, must have a minimum eligibility index of 2900 using the SAT or 842 using the ACT. Nonresidents who are not graduates of a California high school must have a minimum eligibility index of 3902 using the SAT or 842 using the ACT.

The CSU eligibility index is calculated by using either the SAT or ACT as follows:

- SAT (sum of scores in mathematics and critical reading)
  - 1,037

- ACT (combination of Grade Point Average and SAT/ACT scores)
  - 22

Support Programs

Early Start Program
The Early Start Program is designed for admitted freshmen who need to improve their skills in English and mathematics before the start of the fall term. The program is intended to help students begin university study with a higher level of academic preparation and aid them in completing their remedial classes within the one year limit. Students with an Early Start requirement will be notified in late May, after the final round of ELM and EPT results have been reported. Those who do not complete their Early Start requirement before the fall term begins will be withdrawn from their courses and unable to attend SJSU in the fall. Learn more about Early Start at sjsu.edu/ugs/earlystart

EOP (Educational Opportunity Program)
EOP is designed for first generation college students with a history of low income and from an educationally disadvantaged background. First generation students are the first in their family to earn a bachelor’s degree. Their parents/guardians cannot have earned a bachelor’s degree in any country (siblings with a bachelor’s degree are acceptable).

EOP provides a community, support services, and a small grant for eligible students during their undergraduate education at SJSU. All students who qualify as a California Resident or AB540 student from an educationally disadvantaged and low income background are encouraged to apply by submitting a completed EOP Application through csumentor.edu with their admission application.

Please note: The CSU admission application deadline is separate from the EOP application deadline. Your EOP application must be submitted by Monday, December 15, 2014. You must also have two EOP recommendation forms submitted on your behalf by Sunday, February 1, 2015. (Priority consideration for EOP applicants will be given to those who complete and submit their FAFSA or California Dream Act application by Sunday, February 1, 2015.) Learn more at sjsu.edu/eop

* In addition to all mandatory state and local tuition fees, non-residents of California pay $372.00 per unit.

Fees Are Subject to Change
The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

In-state tuition for certain non-residents of California (AB 540 provisions)
If you attended high school in California for at least three full years and graduated or earned an equivalent degree, you may be eligible for resident (in-state) tuition. You must file an affidavit (sjsu.edu/registrar/docs/AB_540.pdf) with SJSU stating that you have filed an application to legalize your immigration status, or will do so as soon as you are eligible. You will need to show proof of attendance and graduation.

For more information visit sjsu.edu/registrar/students/Residency/ab540.html

Financial Aid

Free Application for Federal Student Aid (FAFSA)
The Free Application for Federal Student Aid (FAFSA) is used to apply for financial aid to help cover the cost of attending SJSU. Apply by the Monday, March 2, 2015 priority filing deadline for Fall 2015. Applications are still accepted after March 2; however, funding for many programs is limited so you are encouraged to apply as early as possible.

Students who apply for financial aid through the FAFSA will view a personalized Student Aid Report online. Print this report for your records. The Financial Aid Office will post requests on your MySJSU account for the documents required to complete your file in order to determine your financial aid eligibility. It takes about two weeks to respond to your initial application and three to four months to complete the entire process. The FAFSA form asks for SJSU’s six-digit code, which is 001155. The form is available Thursday, January 1, 2015 at fafsa.ed.gov

To learn more, visit sjsu.edu/faso

California Dream Act Application

Eligible AB 540 students (including students with undocumented immigrant status) qualify for the state grant programs that make up the California Dream Act of 2011. The Dream Act is the result of two bills, Assembly Bill 130 (AB 130) and Assembly Bill 131 (AB 131). Together, these bills allow undocumented and documented students who meet certain provisions of AB 540 law to apply for and receive private scholarships funneled through public universities (AB 130), state-administered financial aid, university grants, and community college fee waivers (AB 131).

The California Dream Application form asks for SJSU’s six-digit code, which is 001155. The form is available Thursday, January 1, 2015. Complete the California Dream Act application by the Monday, March 2, 2015 priority deadline at caldreamact.org
Housing

University Housing Services

We strive to provide supportive and affordable residential learning communities that promote academic success and individual development. Our living-learning communities help ease the transition to college life, serve as an extension of the classroom, and increase awareness of community responsibility. Located on the main San José State campus, the residence halls are just minutes from classes, the library, recreation and dining facilities, and downtown.

Within the residence halls, we offer a variety of communities to bring students together who have similar interests. Programming is designed around student interests and often has a component tied to a SJSU academic department. Students who live on campus have the opportunity to get involved in social gatherings, cultural events, intramural sports, community service, and a wide range of other campus activities.

The Freshman Housing Requirement Priority Application deadline is Friday, May 1, 2015.

To apply for University Housing visit housing.sjsu.edu to download a housing application and submit the following:

1. A completed online University Housing application
2. A $50 non-refundable application fee
3. A $600 initial payment

Room/Apartment Assignment

The online housing application is available as early as Wednesday, October 1, 2014. We encourage you to complete the application and submit payments as soon as possible. If you are a freshman required to live on campus, you must complete your online application (electronically signed license agreement and $50 application fee) and submit the $600 initial payment by Wednesday, April 1, 2015 to be included in the first round of housing assignments. You may also complete your online housing application and submit payments any time after this date as long as space remains available. Your room/apartment assignment will be made on a first-paid, first-served basis after April 1.

Freshman Housing Requirement

Freshmen who graduate from a high school located in a city outside a 30-mile radius of campus are required to live on campus their first year. Appeals for exceptions to the housing requirement will be reviewed after admission. The sooner you submit your completed license agreement and initial payment, the greater your chance of receiving your hall preference. Residence in University Housing or the International House (I-House) satisfies the freshman on-campus housing requirement.

Residence at International House meets the freshman housing requirement.

Students interested in living in the I-House must send a separate application directly to the I-House. Applications are available at sjsu.edu/ihouse

Financial Aid and Housing

If you plan to live on campus and will need financial assistance to do so, you should apply for financial aid prior to the March 2 priority application deadline. (See the financial aid section for more details). International students do not qualify for financial aid.

The International House (I-House) is a co-ed residence for 70 U.S. and international students attending San José State. SJSU I-House is located two blocks from campus and is a large comfortable home featuring friendly interaction among students of many cultures. Residents represent approximately 30 countries. In general, residents range in age from 17 to 35 years of age, study in a wide variety of programs offered on the SJSU campus, and enroll in graduate, undergraduate, and English language programs. As much as possible, roommates are matched according to compatible interests and personal habits. After the first semester at the International House, residents have the opportunity to choose a roommate and designate a preferred room.

I-House offers a one-semester contract and stays open year-round with per diem rates during summer and winter breaks. All furniture, utilities, TV, internet access and computer equipment, as well as use of a fully equipped kitchen, are included. Apply directly to the I-House. There is no application fee.
