THE EVENT CENTER

The Event Center, located in the heart of the San Jose State University campus on the corner of Seventh and San Carlos Streets, is the home of the San Jose State men’s and women’s basketball teams. In addition to being the home basketball facility, The Event Center will host gymnastics meets and volleyball matches for the 2013-14 school year while the renovation of YUH Complex takes place.

The $36-million facility, created by SJSU students and developed by the Student Union Board of Directors, is financed by student fees and facility usage. The Event Center and the Aquatics Center directly across the street comprise the complex. Over 27,000 students, 3,500 faculty and staff members, alumni and the surrounding communities use the facility.

Groundbreaking occurred October 1, 1986. The Aquatics Center opened in May 1988. Originally named the Recreation and Event Center, The Event Center opened in May 1989. The first intercollegiate athletic games played in The Event Center were the season openers for both basketball teams, Friday, November 24, 1989, as the women played Utah, and the men faced South Alabama.

The arena in The Event Center can seat 5,000 for athletic events and over 6,000 for concerts. The size of the arena is large enough to attract major performing artists, yet small enough to provide a personal experience for the audience. The center has played host to national entertainment acts such as Eric Clapton, George Lopez, Conan O’Brien and Pearl Jam.

The recreation area of the Event Center includes 8 racquetball courts, 2 dance studios, 10,000 square foot weight room, a mini-gym and an aerobics room. Showers and lockers are also available.
