Thank you for your interest in scheduling Seymour for your event! For the convenience of all parties involved, we ask that all appearance requests be made two (2) weeks prior to the event to allow for adequate planning and scheduling. Our staff will do their very best to make arrangements, but a completed request form does not guarantee an appearance. Once we have your request form, you will receive confirmation of the appearance via telephone or email. We will also contact you should there be a conflict with this appearance request.

Below you will see a chart outlining the cost to have Seymour attend your event. The money collected from these appearances will help to reimburse the student fulfilling the appearance and to fund spirit squad needs (i.e. camp, competition, equipment, etc.).

General Public Rates	\$200 per hour for a maximum appearance of two (2) hours. Mileage of 40 cents per mile and \$25 per hour of travel time (per vehicle) if outside of Hattiesburg.
Charity Organizations And University Organizations/Departments	\$100 per hour for a maximum appearance of two (2) hours. Mileage of 40 cents per mile and \$12.50 per hour of travel time (per vehicle) if outside of Hattiesburg.

Should you have any questions or concerns, please feel free to call or email. Again, thank you for your support of our spirit program and Southern Miss Athletics! We look forward to working with you and being able to schedule Seymour for your event!
