To ensure a quality athletic program, we must meet the needs of all of our 350 student-athletes. Southern Miss athletics offers the full range of academic services and programs. In addition, we strive to offer the maximum number of scholarships allowable under the NCAA guidelines. Presently, the cost of these scholarships now exceeds $3.2 million. The only source of revenue we have for this program is donations to the Eagle Club. As you consider your support of the “Golden Tee Club” program, please ensure that this donation is above your annual Eagle Club giving. If you are not an Eagle Club donor, please consider supporting this program in addition to the Golden Tee Club. For further information on the Eagle Club, please contact us at:
