Thank you for your support of
Lady Eagle Basketball

*"You are my Wings, I am your "Eagle"
I am powerful, strong, and made for stamina. I soar, hunt, and protect my territory. I chase down opponents, attack with knife-like talons, and fight relentlessly. As "The Wings" of an Eagle, "You" are an important part of the team.*

"Lifting the Lady Eagles into a New Era"

"The Wings" is an organization comprised of a group of people who are passionate about reviving "the tradition" of the Lady Eagle program. This support group is a part of the Lady Eagle Family, will develop personal relationships with each Lady Eagle, and will receive an in-depth look at our program.

Through a membership in "The Wings," you will help us rise to accomplish our goals and dreams. As with the wings of an Eagle, our program needs you to help us be successful. We need people who are willing to give their time and are excited about being a part of an organization that will be the foundation of our team's success.
