Dear Coach,

We are pleased to invite you to the 36th edition of the Palo Alto High School/Stanford University Cross Country Invitational to be held on Saturday, September 26, 2009. This meet will take place on the Stanford Golf Course.

We have listened to your feedback and have made some big improvements in order to offer a more exciting and athlete-friendly format. The Invitational will continue having races based on divisions, which will provide fair and consistent competitions. However, please note, due to changes to the Stanford Golf Course, races have been condensed. Therefore, it is imperative that you check the schedule carefully for race times and to ensure proper travel planning. For the 2009 Invitational, meet management has highlighted the two collegiate races within the high school races.

The Stanford Cross Country Invitational is a great event for your student-athletes to experience exciting team competition. It is our goal to provide a fair and challenging opportunity to all accepted competitors. With that said, please make sure to read all of the enclosed information carefully, pay particular attention to our entry deadlines at EZMeets.com. We will not accommodate any late entries. If you have any questions please email stanfordxinvite@gmail.com. We hope that you find these policies to be positive and in the best interest of the athletes.

We appreciate your support and wish you a great 2009 Cross Country season!

Thank you.

Sincerely,

Edrick Floreal

Edrick Floreal
The Franklin P. Johnson Director of Track and Field

Stanford Cross Country Invitational Meet Information

Out-of-State Teams

If your team is from outside of California, please inform meet management at StanfordxInvite@gmail.com before September 1, 2009. This is for sanctioning purposes.

Team Divisions

Divisions are based on the total number of sophomores, juniors and seniors at a school. California high schools compete in the division your school has been assigned to by your section. For out-of-state high schools, please use the approximations below in effort to give you an idea of the division your school is. However, please check with your principal or athletic director for your schools division.

- Division I – (2101 or more)
- Division II – (1651 to 2100)
- Division III – (1151 to 1650)
- Division IV – (500 to 1150)
- Division V – (499 and fewer)

Teams WILL compete in their respective division. Please note, it is the responsibility of the high school coaching staff, *NOT MEET MANAGEMENT*, to enter your team correctly. If you want to be considered for the seeded races, indicate your interest when you register at EZMeets.com.

The Course

Please note that the 2009 course may be different than past years. A course map will be posted on www.gostanford.com by mid-September.
