## WHY TEAM CAMP?

The goal of the Jan van Breda Kolff Team Camp is to help teach high school teams winning strategies and fundamentals along with the proper attitude and work ethic needed to be successful.

The camp offers great competition as high schools from Buffalo, Rochester, Jamestown, the greater New York-Pennsylvania-Ohio and Maryland areas are expected to attend.

The team camp is directed and planned by Coach van Breda Kolff and his assistants at St. Bonaventure. The school's staff consists of Bonaventure coaches and players who will work with each team individually.

**"I enjoyed the situation tournament and my players really benefited from the team skills competition. It was just an outstanding weekend for my team."**

- Jeff Anastasia, head coach, Olean HS (N.Y.)

**"I thought the St. Bonaventure coaches and players did a great job. The organization and setup was outstanding."**

- Patrick Donahue, head coach, Olmsted Falls HS (Ohio)

**"The guard/post skills segment proved to be a mini-coaching clinic and I got a lot out of it. The Bonaventure players were kind, fun and accessible to all the high school players. That interaction, including J.R. Bremer, was great for the kids."**

- Al Decarlo, head coach, Pittsford Mendon HS (N.Y.)
