

**ST. JOHN'S STUDENT-ATHLETE
SPORTS MEDICINE CHECKLIST
2011-2012**

Prior to participating with St. John's Athletics, you will receive several medical forms. Each form is important and must be completed prior to participation in athletics and enrollment at this university. While some of the forms may seem repetitive, it is necessary to complete each as different offices on campus require similar forms. If these forms are not complete, you will not be cleared to participate in intercollegiate athletics at St. John's University. Therefore, we ask that you **PLEASE MAKE CERTAIN YOU FILL OUT AND RETURN EVERYTHING** asked by each of the following offices. Please use this checklist to help ensure you have completed all the necessary forms.

1. SPORTS MEDICINE DEPARTMENT

- Insurance Info & Demographic Form with photocopies of **ALL** insurance cards
- Student-Athlete Initial Health History Questionnaire
- ADHA/ADD – NCAA Info for Drug Testing Medical Exceptions
- Acceptance of Risk/Liability Waiver & Consent of Medical Care & Treatment
- Sickle Cell Trait Info & Waiver Form
- HIPAA Form – Authorization for Use & Disclosure of Protected Health Info
- Original STJ Physical Examination Form & Medical Examination Form completed by your physician within the past 6 months**
- Immunization form with all required dates of immunization AND Meningitis form.
