

# Clinic Information

The 2008 Saint Joseph's University Softball team will be conducting three softball clinics designed for players ages 6-17. This year's clinics will include an All-skills camp, a pitchers/catchers clinic, and a coaches clinic. Players and coaches will learn proper fundamentals of softball from the Saint Joseph's University Softball Coaching Staff, as well as the 2008 Saint Joseph's University softball team. A special "learn to pitch" session will be offered in the coaches clinic. The coaches will learn "hands on" the techniques needed to teach your pitchers and/or throw batting practice to your team.

Sunday, February 17, 2008

9:00-12:00 am

# SJU Coaching Staff

Coach Terri Adams and Coach Gerry Mauro return to Hawk Hill for their second season. After coming off of the best fall season in almost a decade and winning the prestigious Carole Weil Fall Collegiate Tournament, the Saint Joseph's University Coaching Staff would like to invite you to challenge your skills and learn the newest softball techniques in the game.

Coach Adams brings years of experience from the Division 1 level through her coaching experiences at Temple University and Fordham University. She also served as Director of Player Personnel and Assistant Coach for the National ProFastpitch

team, the Philadelphia Force.

Coach Mauro is a successful speaker; clinician and teacher of the game of Fast pitch softball. Mauro's extensive travel and speaking schedule exhibits the demand for his methods and techniques around the globe. He has coached at the youth, high school and collegiate levels, leading his team to the ASA 18U Gold National Championship. Many of the teams that he has trained have used his methods in winning their own national championships and titles. Coach Mauro also garners international experience while training the Venezuelan National Team.

The SJU Clinic Series is designed especially for softball players and coaches to learn through exciting of softball instruction and talk.
