Our Director

Dr. Leonard J. Nardone

Since the University began sponsoring intercollegiate athletics, the Dustdevils have earned respect and recognition in a wide variety of sports. It's our goal to enhance that image even further in the years ahead. Major improvements are planned for the near future and our coaching staff is expanding its recruitment efforts. Already, higher caliber student-athletes are now considering and committing to TAMIU in larger numbers.

Still, the costs of providing students with first-rate athletic and academic opportunities continue to increase. For TAMIU to reach its full potential in all of its Division II sports, the University's increased commitment must be matched by greater support from our alumni and friends. The Dustdevil Club exists to meet this critical need. It will help to ensure that our student-athletes have the financial resources they need to prepare and perform at the highest level--on the fields, courts and in the classroom. While your gifts make a difference on the scoreboards and in the standings, they also touch and change each one of our student-athletes, who emerge as better teammates and stronger leaders in their personal lives.

For generations, alumni, friends and fans like you have generously supported students in their athletic endeavors. Your gift will help to improve team scholarship allocations and travel that might not otherwise be available. As always, your contribution--in any amount--is appreciated. Please help us build on our already great tradition. Make your Dustdevil Club gift today!

What is the Dustdevil Club?

The Dustdevil Club is the official fundraising organization for the TAMIU intercollegiate athletics program. It operates under the guidelines of the National Collegiate Athletic Association (NCAA) and the Heartland Conference. The Dustdevil Club is supported by both individuals and businesses, all of whom are committed to the success of TAMIU Athletics. The Club provides funds to support the operational costs of our varsity sports programs which consist of nearly 200 men and women student-athletes.

Join the TAMIU Dustdevil Club!

Yes, I want to join the team by making a tax deductible gift donation to the "New" Dustdevil Club to support the continued development of TAMIU Athletics as an NCAA Division II member and the growth of all of the Dustdevil participating men and women student-athletes.

(Please check or write in your gift. Make checks payable to Dustdevil Club).

Ways to Contribute

There are many ways for you to contribute.

Gifts by cash, check or credit card: It's the simplest and the most direct way to support our young men and women student-athletes. In almost every case, cash gifts are fully deductible if you itemize on your deferral income tax return.

Gifts in Kind: This is a creative way to earn tax credit while helping TAMIU. The University may accept equipment, artwork, rare books or other property that TAMIU can use in its educational mission.

Matching Gifts: You may be able to double or even triple the value of your gift to the University. Many companies also match their employees' personal donations.
