Dear Parents and Campers,  
We hope you will consider attending our camp on June 16-19.

Our camp is a "learning" camp with special emphasis on technical aspects of running, jumping, throwing and speed development.

We will cover all events of track and field except the POLE VAULT, and we will work with speed development for all other sports.

We are confident that every camper will leave a more assured and confident athlete having benefited from expert instruction.

Sincerely,

John Kenneson
