RESIDENTIAL CAMPS

DESCRIPTION OF RESIDENTIAL ACADEMY

This is an all girls camp specifically designed for grades 6-8. This is a crucial developmental period to establish proper techniques within the game, as well as compete in technical and tactical environments to challenge and develop the skills necessary for the upcoming high school level and beyond.

DESPCRPTION OF ELITE HIGH SCHOOL ACADEMY

This is an all girls camp specifically designed for high school age girls grades 9-12 who are interested in playing at the collegiate level. This camp will provide an overview of what Tennessee Women's soccer is all about. It will challenge each individual's skills, techniques, as well as teach technical and tactical nuances to the game that can help them get to the next level. Games will be played each day to display the transfer of training from practice to games.

**A campus tour, meeting our team nutritionist and sport psychologist are just a few of the key items this camp will display. This will be a great opportunity to be coached by college coaches.

DESCRIPTION OF TEAM CAMP:

The team camp is for Middle School and High School age girls and their teams. The purpose of the camp is to teach your team tactical play within the strengths of each system of play and team building activities. This camp is meant for TEAM development. It will include hands-on coaching and feedback from a college coach.
