BIG 12 CONFERENCE

THE BIG 12 CONFERENCE - SUCCESS ON THE FIELD AND IN THE CLASSROOM

THE BIG 12 CONFERENCE HAS BEEN SYNONYMOUS WITH SUCCESS in competitive play and in the classroom as it enters its 12th season, and league members anticipate continued success during the 2007-08 academic year.

In the first 11 years of the Big 12, the conference can boast of 30 team and over 350 individual NCAA Championships. The success continued this past season, with team titles in men's cross country (Colorado) and women's volleyball (Nebraska) in addition to numerous individual crowns.

Over the past three seasons alone a total of 11 NCAA trophies have been hoisted by Big 12 institutions, with at least one national crown won in 10 of 11 years for the conference, including each of the past 10 seasons.

Through the first nine Bowl Championship Series title games, the Big 12 leads all conferences with five appearances in the contest. Big 12 squads have played for the football national championship five times in the last eight years, with berths in 12 BCS games overall.

In basketball, eight men's and women's teams have advanced to their respective Final Fours in the past six seasons as the Big 12 continues its place among the elite intercollegiate athletic conferences. Numerous national honors have been won by men's and women's student-athletes during conference history, with Kevin Durant (Texas) the most recent to garner accolades as the consensus 2007 National Player of the Year.

The Big 12 and its member institutions are committed to a competitive environment where sportsmanship and fair play take center stage. Whether on the field, in the classroom, or within the community the student-athletes, administrators, coaches and game officials of the Big 12 support the highest ideals in sportsmanship.

Big 12 student-athletes also do well in garnering national academic recognition. This past season, two league standouts were named the Academic All-America of the Year

in their sport by ESPN The Magazine and the College Sports Information Directors of America. Nebraska's Sarah Pavan (volleyball) boasted a 4.0 grade-point average in Biochemistry, while Aaron Ivey of Oklahoma (baseball) also has a 4.0 GPA in Energy Management.

Competitive excellence, scholarship and sportsmanship are all equal components of the Big 12 philosophy. All-Big 12 teams and Academic All-Big 12 squads are recognized for each sport at the end of their respective seasons.

At the end of each academic year, the Conference honors its top male and female student-athletes with the Big 12 Athlete of the Year and Big 12 Sportsperson of the Year awards.

Institutions can also nominate student-athletes for the prestigious Dr. Prentice Gautt Postgraduate Scholarships at the end of each academic year. A total of 177 scholars have received more than \$1 million in postgraduate financial aid through the first 10 years of the program.

The Big 12 sponsors 21 sports. Men's squads include baseball, basketball, cross country, football, golf, indoor track & field, outdoor track & field, swimming & diving, tennis and wrestling. Women's teams are fielded in basketball, cross country, golf, gymnastics, indoor track & field, outdoor track & field, soccer, softball, swimming, tennis and volleyball.

The conference is made up of 12 institutions that have shared many traditional rivalries throughout their histories. Member schools include - Baylor University, University of Colorado, Iowa State University, University of Kansas, Kansas State University, University of Missouri, University of Nebraska, University of Oklahoma, Oklahoma State University, University of Texas, Texas A&M University and Texas Tech University.

The institutions created a league that encompasses seven states, over 42 million people and more than 18 million television households within its geographic footprint.

The conference conducts championships for 20 of its 21 sports. Each championship helps to determine teams and/or individuals that will represent the Conference in national postseason competition. The winner of the Big 12 football championship game earns the league's berth into the prestigious Bowl Championship Series.

The Big 12 also has additional football bowl agreements and expanded television opportunities for all sports through contracts with ABC/ESPN, FSN and CSTV. Most recently, the league renewed and expanded its multi-year arrangement with ABC/ESPN, Inc.

In its 11-year history, the conference has distributed \$913.2 million to its 12 member institutions.

The Big 12 staff administers to over 4,600 student-athletes in 21 sports. The conference is headquartered in Irving, Texas.

WOMEN'S BASKETBALL OFFICIATING CONSORTIUM

THE WOMEN'S BASKETBALL OFFICIATING CONSORTIUM (WBOC) BEGINS its seventh year as a multi-faceted and enhanced officiating service for the member institutions from eight conferences.

The WBOC was officially launched on July 1, 2002, when the Big Ten Conference, Conference USA, Horizon League, Summit League (formerly known as the Mid-Continent) and Great Lakes Valley Conference partnered together to create a program that focuses on the identification, recruitment, evaluation, training, education and assignment of officials on a year-round basis. The WBOC aligned with the Mid American Conference prior to the 2005-06 season, the Missouri Valley Conference prior to the 2006-07 season and welcomes the Big 12 Conference as its newest partner for the 2007-08 campaign.

Patty Broderick serves as coordinator of officials for the WBOC. The 30-year basketball officiating veteran assumed this role in 2002-03 after having served as the Big Ten's coordinator of women's basketball officials since 1987. Broderick was an official in the WNBA and has extensive high school, college and international officiating experience. She also was on the committee that coordinated the inaugural 1999-2000 Women's Basketball Officiating Manual. Broderick began officiating in 1972, while coaching grade school basketball. She officiated the Indiana State High School Basketball Tournament, working the finals in 1982 and '83.

The inaugural winner of the Naismith Female Basketball Official of the Year Award in 1988, Broderick became the first woman to officiate women's basketball at the Pan American Games in 1987. Also, she was one of two U.S. basketball officials at the 1988 Seoul Olympics. Broderick worked as an NCAA Basketball Tournament official from 1986 to 1992, including five Women's Final Four appearances.

Broderick attended Indiana University-Purdue University at Indianapolis and majored in physical education. She resides in Indianapolis. Her daughter, Jamie, graduated from Denver University and was a member of the school's basketball team.
