

GOLDEN HURRICANE

2010-2011 • ANNUAL REPORT

Message from the Athletic Director

Dear Golden Hurricane Club Members,

Once again, our student-athletes, coaches and teams excelled in every way — on the fields of play, in the classroom, and in the community. I am pleased to present to you our annual report, which highlights the many outstanding achievements of the past year.

Without question, it was a successful year in competition, with TU teams capturing six Conference USA championships during 2010-11. This now brings our total number of team championships, since becoming a C-USA member in 2005, to a league-best 34. In addition, fourteen teams were represented in the post-season with eight student-athletes earning a total of nine All-America honors.

This success on the field is matched only by the outstanding accomplishments in the classroom. Nine Golden Hurricane student-athletes were named to their sports' All-Academic teams in 2010-11, while seven student-athletes were named to the Academic All-District VI team. The year was also highlighted by senior women's soccer player Mackenzie Ayer being selected as the recipient of the prestigious Jim Castaneda Postgraduate Scholarship Award by Conference USA.

The accomplishments highlighted within this annual report not only represent the effort and hard work of our student-athletes and coaches, but also the tremendous support and commitment of our loyal friends and fans. You have played an integral role in our success, and for that we are truly grateful.

Thank you for your support of TU Athletics. I look forward to celebrating even more achievements with you in the coming year.

Go TU!

Sincerely,

Bubba C.

Athletic Department Mission Statement • Enhance the educational experience of all University of Tulsa students.

ATHLETIC EXCELLENCE

What a year for Golden Hurricane Athletics! The year began in August with a 4-0 women's soccer victory over Northwestern State and ended in June with all six spring sports competing in national championship events, as the men's tennis team advanced to the NCAA "Sweet 16" and the softball team was one win away from reaching the NCAA "Super" Regional. Tulsa added to its' already league-leading Conference USA championships with six league titles and one shared Western Division crown in football, and now has won 34 C-USA championships in six years as a league member. In addition, TU student-athletes earned nine All-America honors and 99 All-Conference USA selections — to name just a few of the accomplishments. It's been an incredible year of tremendous team performances and outstanding individual efforts. We hope you've enjoyed these memorable moments and had an opportunity to witness some of them in person. Now, join us in taking a look back at 2010-11.

- The TU Spirit Squad was recognized with the Outstanding Team Community Service Award at the annual Golden Cane Awards Dinner for their involvement in various community service activities throughout the year.

Golden Cane Awards

At the annual Golden Cane Awards Dinner, more than 400 Golden Hurricane student-athletes, team managers and trainers were recognized for their achievements on the field and in the classroom; in addition for their service to the community during the 2010-2011 school year. This year marked the 16th anniversary for the year-end gala, which has become a signature event for TU Athletics, thanks to the vision and work of members of the TU Student-Athlete Advisory Committee (SAAC).

ACADEMICS

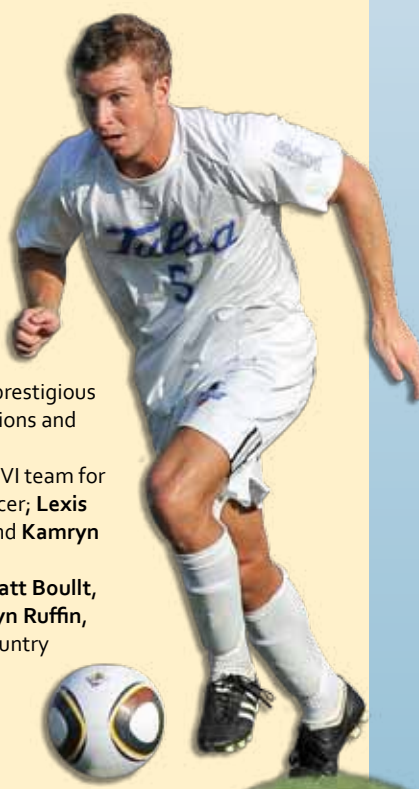

Throughout the year, student-athletes at The University of Tulsa compete and excel at the highest levels against some of the nation's elite on the fields of competition. However, in their pursuit of excellence in intercollegiate athletics, they also meet head-on the challenging academic rigors that come with being a student at TU.

During the 2010-11 year, a total of 187 TU student-athletes were named to the Conference USA Commissioner's Honor Roll for having a cumulative grade point average of 3.0 or better. In addition, a league-best 57 student-athletes were recognized as Conference USA Academic Medalists, for having over a 3.75 cumulative GPA. These are just some of the outstanding academic achievements turned in by TU student-athletes this past school year.

- Thirteen student-athletes were named to the President's List for having a perfect 4.0 grade point average, while an additional 70 student-athletes were named to the Dean's List for having a GPA of 3.5 or better.

TU Defeats the Fighting Irish

An interception in the end zone by senior **John Flanders** with 36 seconds remaining on the clock cemented a 28-27 Golden Hurricane victory over Notre Dame at historic Notre Dame Stadium. In what will go down in TU lore as one of the biggest wins in school history, the Hurricane traveled into South Bend, Indiana and claimed TU's first win over a Bowl Championship Series (BCS) opponent since 1998 when the Hurricane defeated Oklahoma State at home.

The win over the Fighting Irish provided the spark the Golden Hurricane needed for the rest of the season, as TU would not taste defeat again during the 2010 campaign, which was capped off with a win over #24-ranked Hawaii in the Sheraton Hawaii Bowl. TU finished the season ranked number 24 in the nation with a 10-3 record, the third 10-plus win season in the past four years.

TU Welcomes New Head Coaches

This past year, The University of Tulsa introduced three new head coaches in the sports of football, volleyball and women's basketball.

TU assistant coach and former Golden Hurricane quarterback **Bill Blankenship** was named as the 28th head football coach in school history on January 24, 2011. Blankenship had just completed his fourth season on the football coaching staff in 2010. In his

four seasons with the Golden Hurricane, he had been a part of 36 victories, two straight Conference USA West Division titles (2007, 2008), one shared C-USA Western Division crown (2010), two appearances in the C-USA Championship Game (2007, 2008), two GMAC Bowl Championships (2008, 2009) and the 2010 Sheraton Hawai'i Bowl Championship. Prior to his coaching stint at TU, he spent 14 years as the head football coach and athletic director at Union High School, where he guided his team to Oklahoma Class 6A state titles in 2002, 2004 and 2005.

On February 10, 2011, **Steven McRoberts** was appointed as TU's new head volleyball coach. McRoberts brought 14 years of head coaching experience to the Golden Hurricane program, where he has compiled a career record of 397-140, posted 20-plus-win seasons 13 times, had six seasons

with 30-plus wins and earned conference coach of the year honors nine times. McRoberts came to TU from the University of Central Arkansas where he served as head coach for the past seven years, winning back-to-back Southland Conference regular season titles.

Matilda Mossman was appointed as the head women's basketball coach on March 22, 2011. Mossman had spent the previous nine years as the head girls basketball coach at Norman High School, where her teams won eight straight regional championships and advanced

to the state semifinals six times, including a state championship in 2005. However, Mossman is no stranger to the college game, where she has held head coaching stints at both the University of Arkansas and Kansas State University. In eight years as a collegiate head coach, Mossman registered a 150-95 overall record and was tabbed as the Big Eight Conference Coach of the Year in 1987 while coaching at Kansas State.
