A name synonymous with Tulsa men's soccer, Tom McIntosh has concluded his 17th season as the head coach of the Golden Hurricane. He is only the fourth coach in the 31-year history of the Tulsa men's soccer program and is the school's all-time winningest soccer coach. McIntosh accepted the interim position in July of 1995 and was named head coach at his alma mater a year later.

McIntosh is truly the epitome of Tulsa men's soccer. Since he first walked on campus as a player in 1986, McIntosh has been a part of 254 of TU's 341 victories either as a player (1986-88), an assistant coach (1989-91) or as the head coach.

Since his first season, McIntosh has built Tulsa into a conference powerhouse, through four seasons in the Western Athletic Conference (1996-1999), six seasons in the Missouri Valley Conference (1995, 2000-04) and now seven seasons in Conference USA (2005-present). He has also put the Hurricane into the national spotlight, as Tulsa has advanced to the NCAA Tournament in six of the last nine seasons, including national quarterfinal appearances in 2004 and 2009, while posting a 7-6-1 NCAA Tournament mark during that same time.

McIntosh's tenure is the longest in the history of the TU men's soccer program. He has an overall record of 184-127-28 and has notched a conference mark of 74-54-16 as a member of three conferences. The Golden Hurricane went undefeated in 21-straight regular-season league games from October 2006 to October 2009, and went undefeated in 22 regular-season road contests from October 2006 to October 2010 (doesn't include neutral site games).

Under McIntosh, the Hurricane has 10 seasons with 10-plus wins, including a school-best 16 victories in 2008, while five of his players (Kyle Brown, Chris Clements, Ashley McInnes, Austin Neil and Ryan Pore) have achieved All-America status. Tulsa student-athletes have also excelled in the classroom as 104 players have received conference academic honors, 25 have earned Academic All-District accolades and seven have received Academic All-America recognition.
