MAYOR ON THE MOVE FOR THE LADY BRONCS IN SECOND SEASON

UTPA sophomore Noelle Mayor has made a smooth transition from her natural outside hitter's position to the right-side where she is averaging 1.43 kills, 1.99 digs and 0.50 blocks per game through 100 games played. This season, Mayor has surpassed all of her statistical marks from her rookie season with the Lady Broncs.

Mayor has recorded 16 matches of five or more kills, including a career-high 12 kills against The University of Texas at San Antonio at the Prairie View A&M Tournament. The UTPA right-side hitter has also stepped up her defensive presence on the floor as she has posted 11 or more digs in seven matches during her sophomore season, including a 19-dig high match against UT-Brownsville.

LADY BRONCS MAKE HISTORY IN PAIR OF MATCHES

The Lady Broncs have defeated two opponents that they never triumphed over during their 20-history. The biggest victory at the Prairie View A&M Tournament came against The University of Texas at San Antonio where the Lady Broncs won in five sets en route to snapping a 27-match losing skid to the Roadrunners.

Also at that tournament, the Lady Broncs notched a five-set victory over the Air Force Academy, which was the first time in two tries that the Valley's program has recorded a triumph over the Falcons. It was also the first time in program history that the Lady Broncs have recorded a victory over a program from the Mountain West Conference.

LADY BRONCS ADD LOCAL FLAVOR TO ROSTER

The UTPA women's volleyball team is primarily made up of Texas talent with eight members of the Lady Broncs reigning from the Lone Star State. The Rio Grande Valley also plays the backyard to three student-athletes as Ytzsel Trinidad (Mercedes), Rebecca Toddy (McAllen) and Cassandra Trevino (Edinburg) all grew up within a stones throw of the UTPA campus.

UTPA LOOKS TO BECOME TOP INDEPENDENT PROGRAM

The UTPA women's volleyball program will look to rebound itself as the top independent program in the country during the 2007 season. Over the course of the last two years, four Independent programs have found homes in conference affiliates in Texas A&M-Corpus Christi (2005 / Southland Conference), North Dakota State (2006 / Summit League), IPFW (2006 / Summit League) and South Dakota State (2006 / Summit League).

This season, UTPA will be the veteran of the Independent programs as the Lady Broncs will be joined by Utah Valley University, New Jersey Institute of Technology, Savannah State, Providence and the newest member of the Independent nation - University of California-Bakersfield.

The 2007 National Independent Championships will be held in Orem, UT, hosted by Utah Valley University and will feature the home squad to go along with UTPA, New Jersey Institute of Technology, Providence and University of California-Bakersfield.

UTPA ADDS FAMILY TIES TO THE PROGRAM

UTPA newcomer Charity Cucancic comes to the Rio Grande Valley as one of the most promising players on the Lady Broncs squad as a setter. The Kirbyville, TX, native had ties with the Lady Broncs prior to joining the program as she is the niece of UTPA head women's volleyball coach Angela Hubbard.

LOGAN ENJOYING STANDOUT ROOKIE SEASON FOR UTPA

UTPA freshman Marci Logan had some big shoes to fill in her rookie season as she took over the role played by Heather Bravo as the sidekick to Kellie Phillips at the outside hitter's position. This season, Logan is averaging 2.40 kills, 0.57 digs and 0.29 blocks per game as a rookie.

This season, Logan has collected 11 matches of 10 or more kills, including three double-digit kill performances in the last four matches. The UTPA rookie had a career-high with 23 kills in the Lady Broncs' five-set battle over UT-Brownsville in their last home match of the season. Logan has recorded a hitting percentage of .200 or higher in ten matches this season and those numbers will only continue to grow with every trip to the starting lineup that the UTPA rookie makes.

TRINIDAD CONTINUES TO AID UTPA ON DEFENSIVE SIDE

Ytzsel Trinidad continues to improve with every practice and the results show on the court as she has aided the Lady Broncs on the defensive side of the court as a defensive specialist. The UTPA libero has recorded double-digit digs in five matches, including an 18-dig performance against the recent victory over Birmingham-Southern.

PHILLIPS POSTS 3,000TH CAREER ATTACK; MOVES UP LIST

Junior Kellie Phillips continues to make a move to the top of the record books for the Lady Broncs in career attacks as the UTPA outside hitter collected her 3,000th career attack against Texas A&M-Corpus Christi.. Heading into this week's match, Phillips has recorded 3,592 career attacks moving into third place on the all-time and surpassing 3,316-attack total by former standout Tanja Thomas.

LADY BRONCS SET TO TACKLE THE ROAD IN 2007

One of the first tasks that first-year head women's volleyball coach Angela Hubbard had to tackle when she arrived in the Rio Grande Valley in April was putting together the 2007 schedule for the Lady Broncs. Scheduling as an Independent is tough enough without any added obstacles, but with a lot of programs already set in their schedules, Hubbard was forced to play a lot of matches on the road in her first season.

The Lady Broncs will be on the road for 26 of their 30 matches this season - which is the most among all NCAA Division I programs in road matches. UTPA will play four matches on Sam Williams Court, and the only other NCAA Division I program to play just as few home matches is fellow Independent program Chicago State, who will play five home matches.

While the Lady Broncs are playing the majority of their matches on the road, they will not leave the State of Texas too much during the 2007 season as UTPA is only scheduled to make out-of-state trips. Scheduled trips to Illinois, Alabama and Utah (twice) are the only trips for the Lady Broncs out of the State of Texas.

LADY BRONCS EXCEED WIN TOTAL FROM 2006 SEASON

Last season, the Lady Broncs finished the season with six victories - three coming against NCAA Division I competition - whereas the 2007 version of the UTPA women's volleyball team has already surpassed that mark. Heading into the final half of the season, the Lady Broncs have plenty of chances to increase on that win-total from an upsetting last season.
