

# *Reserve your place now on the Texas State Bobcat Walk of Champions!*

***This investment in Texas State*** will benefit the continued overall enhancement of its intercollegiate athletic program. It is a beautiful and lasting way to modernize and update facilities. By continuing to improve the facilities, all Bobcat teams will be able to attract and retain the best student-athletes to San Marcos.

***Your generosity*** and support of Bobcat Athletics will be acknowledged in a memorable way with a buff, clay tile bearing your name or the name of a loved one. These handmade, inscribed tiles will pave the entrance courtyard to the new end zone complex and to future facility additions. Each paver will endure as a permanent part of this splendid gathering place on campus.

***Now is the time*** to fund this project with your donation while keeping in mind that you may be eligible to participate in your company or foundation's matching gift program.

***To make your commitment*** or if you have any questions regarding this meaningful investment in Texas State please contact Tim McMurray, Assistant Athletics Director, at 1.800.687.6124.
