

Note: If a meet featured separate preliminary and final heats, the marks are designated with an "f," "sf" or "p." An "s" indicates placing in a event that features multiple sections or heats but no overall placing.

(1) - indicates 1st Rd. heat at NCAA Regional. All sprint/jump marks are wind-legal (less than +2.0 m/s) unless otherwise specified with a "**". Wind-hindered marks (more than -2.0, or NWI) are also listed for reference. ** - denotes winds exceeded NCAA qualifying maximum (+4.0 m/s)
