

# HEAD COACH TERRY ROONEY

Dear UCF Baseball Supporters:

Welcome to the 2011-12 Baseball Season. This past year our program re-established itself as one of the top programs in the entire nation. The preceding items demonstrate that both on and off the field, these young men are becoming "Winners" in all aspects of their collegiate lives.

- NCAA Regionals
- 8 players signed professional contracts (school record)
- Top 25 in the nation
- 3.0 Team GPA (3 years in a row)

In an effort to assist our student-athletes quest to become the best both on and off the field, we formed the UCF Baseball Dugout Club. This organization was created to directly assist our players, along with providing financial support in the operations of the program. This funding is essential in the growth of our program, along with individually providing the resources to allow our student-athletes become successful in their respective areas of focus. The proceeding illustrates a few of the items we were able to purchase through the generosity of our members. Please note that your entire contribution goes directly to the team.

- Televisions for Locker Room
- Office Design Upgrades
- Bunting Cage Speakers
- Alumni Celebration Mural
- Nutritional Supplements
- Senior Awards

The second focus of the club is the promotion of our program, along with community involvement. We continue to raise awareness of our team and look to create one of the best "Game Day" atmospheres in all of college baseball. The growth of the club is essential in our quest to become a national leader in attendance. As a member you have the opportunity to purchase season tickets and attend our weekly "Friday Nights In The Dugout." Each Friday you will interact with your fellow members and get direct insight from myself regarding the weekend series.

I am looking forward to communicating with you soon and want you to know that you are always welcome here at the baseball complex. I am very honored to be the Head Baseball Coach and look forward to your support.

Thank you in advance and hope you decide to officially become a part of our journey "On the Road To Omaha."  
**GO KNIGHTS!**
