* Donations to the UCI Athletic Association, less the value of the benefits, are tax deductible. To receive the maximum tax benefit consideration, donors must decline all benefits when they make a gift or pledge. Otherwise, the University is required to report to the IRS the fair market value of benefits the donor is **entitled to receive**. Please consult with your tax advisor regarding your donation.

Seating for Basketball Season Tickets is based on a point system which measures past contributions, years as ticket holder, and additional program support.
