

Dear Bruin Football Fan,

Welcome back for another year of UCLA football, travel and fun. I am thrilled to kick-off the 2001 UCLA football season with an outstanding blend of talent, experience and drive that I've seen in this year's Bruin Squad. UCLA has a great away schedule this year that will make traveling to every game exciting.

Playing in hostile stadiums across the country remains one of the greatest challenges of the season for both players and coaches. Your presence on the road keeps our focus on the opposition and increases the team's momentum to push towards victory. Nothing lifts our spirits more than hearing the sound of the eight clap above the rumble of the crowd and seeing the familiar blue and gold in the stands. Knowing our fans will travel across the country to lend their support motivates us to play at a higher level.

We appreciate your continued enthusiasm at our home games, now we invite you to join Bruin friends and family on the road to see the action live! Come share in the excitement, tradition and the glory as UCLA strives towards the 2001 National Championship. See you in the stands!

Sincerely,

Bob Toledo, Head Coach
