D-II Women's Field Announced Monday

April 28, 2008

NCAA

INDIANAPOLIS---The NCAA Division II Women's Golf Committee has selected the teams and individuals that will compete in the NCAA Division II Women's Golf Championships.

The 2008 NCAA Division II women's golf regional competition will be conducted May 5-7. Each regional will consist of both team and individual competition conducted concurrently with six teams and three individuals from non-qualifying teams at each site. All participants will compete throughout the 54 holes of competition. The top two teams along with the top two individuals not with a team from each regional, will advance to the championships.

The 2008 NCAA Division II Women's Golf Championships will be held May 13-16, at Memorial Park in Houston, Texas, and will be hosted by the Rice University and the Harris County-Houston Sports Authority. The championships will be part of the Division II Spring Championships Festival.

The championships will consist of both team and individual competition conducted concurrently. All participants will compete throughout the entire 72 holes of competition. In the team competition, the low four scores for each team will count in each day's total score. The number of participants that qualify for the finals is 48.
