"The University of Massachusetts' rich athletic tradition was built by the hard work and dedication of our student-athletes and coaches. The Varsity M Club is a great way for former student-athletes to stay in touch with UMass Athletics and insure that the tradition continues for generations to come."

**Varsity M Club
250A Boyden Building
University of Massachusetts

An organization of former
UMass athletes recognizing the
efforts of today's UMass teams.

Since the University's earliest days both academics and extracurricular activities have been stressed as important parts of a total education. Intercollegiate athletics and the associated qualities of leadership and character are part of the fabric of UMass history.

EMPHASIZING THIS PROUD TRADITION of excellence in athletics is the goal of the Varsity M Club. The name was taken from a former organization of UMass letterwinners which supported various aspects of UMass Athletics.

SUCCESS OF UMass ATHLETICS IS NOTHING NEW. As a former letterwinner, you helped to establish a tradition of excellence that is being upheld by today's student athletes.

MEMBERSHIP in the Varsity M Club is open to everyone who earned a varsity letter as an athlete at UMass. Join the Varsity M Club and honor the student-athletes who are helping to bring UMass regional and national acclaim.

Membership is free for all first-year alums.
