**Alumni Game Invitation**

This year's UMass Baseball Golf Tournament will again be held on Friday, September 23rd, at The Ledges Golf Club in South Hadley, Massachusetts. We had a strong turnout for last year's Tournament and certainly expect to have even more participation this year as popularity spreads for the tournament each year. We anticipate that everyone in attendance will have a great time on the course and enjoy the dinner catered by the Ledges Grille at the conclusion of the day. Go to [www.ledgesgc.com](http://www.ledgesgc.com) for course information. The course will be in great shape and will provide a challenge for all Teams.

Please spread the word and recruit some of your classmates, friends, and business partners. In order to make the tournament more financially successful, we need to sell out the course. In addition, we encourage you to either purchase or have a colleague commit to a hole/tee sponsorship. As you may have heard, we are now involved in a project @ the field to upgrade the back stop and dugout areas. The goal is to bring in between \$35,000 and \$40,000 toward this project. Money raised from a profitable golf tournament will give us a great start toward meeting this year's financial goals. See the attached Golf Tournament registration form for details. Non golfers may join us for dinner for a cost of \$50.00 per person. Parents are welcome to attend as well. Please return the response form below by Wednesday Sept. 14<sup>th</sup>.

School begins at UMass next month and with that the start of another Fall season. We will start practice officially on the 12<sup>th</sup> of September, but we'll get a jump on things with some conditioning practices prior to that. Our first fall scrimmage will be on Saturday, September 24<sup>th</sup> with the incoming freshman vs. the UMass Alumni @ 11:00am. Dust off the shoes and gloves, get those arms loose, and join us to help the Minutemen prepare for the remainder of the fall season. Please pass the word and motivate each other to come on Saturday morning @ 9:45am for BP& Infield followed by the game @ 11:00am. We plan to announce a Most Valuable Alum after the game. Please use the bottom portion of the letter to respond regarding your participation in the Alumni game. In addition to the Alumni game, we will play 2 games vs. outside competition this fall. Please check [www.umassathletics.com](http://www.umassathletics.com) for the schedule.
