USD BASEBALL HALL OF FAME

-The Chet & Marguerite Pagni Family Athletic Hall of Fame

John Cunningham (1962-1998)

No single person has done more for the USD baseball program than Hall of Fame head coach John 'J.C.' Cunningham. Directing the Toreros' program between 1964-98, Cunningham totaled 843 career victories, ranking him in the top forty in all-time victories among Division I coaches. Under his guidance, USD enjoyed sixteen winning seasons, including two World Series appearances in 1971 and 1978. Cunningham is not only in the USD Athletic Hall of Fame, but is also honored as a Hall of Famer by the American Baseball Coaches Association. His teams won 30 or more games seven times, with four of his squads advancing to post-season play. His 1971 and 1978 squads won regional titles and advanced to the Division II College World Series. He was named District VIII Coach of the Year in 1971. In 1979, the Toreros moved into the Division I ranks and later joined the West Coast Conference in 1985. Over the next 14 years, Cunningham won 343 WCC games. He was twice named the WCC Coach of the Year (1993 & 1998). USD's home field (Cunningham Baseball Stadium) is named after the legendary coach, who was essential in its construction. Cunningham

was recently the recipient of the 2005 Lefty Gomez Award, one of the most prestigious awards in all of amateur baseball. He has remained involved with the USD athletic department as its Director of Transportation since his final year of coaching in 1998.

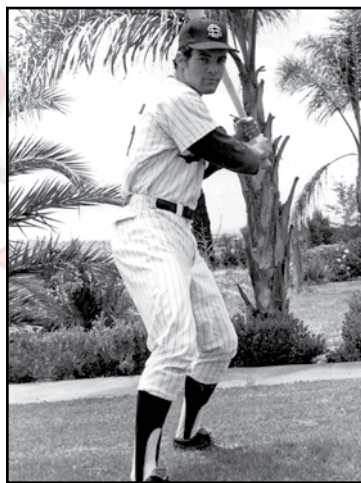

John Wathan (1968-70)

An All-American catcher in 1970, Wathan batted .430 with 39 RBIs and was named the team MVP. In three seasons, Wathan posted a career batting average of .347 and stole 67 bases; both remain among the best career numbers in San Diego history. He was the Kansas City Royals first selection in the 1971 January free agent draft. He played his entire 15-year professional career with the Royals and was a member of each of the Royals' six A.L. West Championship teams, as well as the World Series squads of 1980 and 1985. He began his coaching career in 1986 and was manager of the Royals from 1987-91. Having coached with the California Angels and the Boston Red Sox, the 1994 season was Wathan's 23rd in professional baseball.

Kerry Dineen (1971-73)

One of the best players to ever wear a USD uniform, Dineen starred for the Toreros from 1971-73. He was recognized as a three-time NCAA Division II All-American as an outfielder and a two-time USD team MVP. Dineen is the only San Diego player to own a career batting average above .400 (.409). After an outstanding 1973 campaign at USD, in which he hit .411, Dineen was drafted by the New York Yankees and made his major league debut on June 14, 1975. He had a brief stint on the 1976 Yankees team that went on to win the World Series, finishing his major league career in 1978 with Philadelphia.

Interesting Notes

Longest Game in NCAA History

The University of San Diego baseball team made NCAA history on March 26, 2011, as they competed in, but lost, a hard fought 3-2, seven hour and 11 minute, 22-inning game to No. 10 Fresno State University at Beiden Field. The seven hours and 11 minutes is the longest game in NCAA Division I history, and the 22 innings, ties the two teams for third longest game in NCAA Division I history. The record is held by Texas vs. Boston College at 25 innings on June 1, 2009 in the Austin Regional, and the regular-season record is held by Lafayette vs. McNeese State on March 27, 1971. Two other teams, Baylor vs. Houston (Feb. 21, 1999) and Colorado vs. Nebraska (Apr. 26, 1974), also went 22 innings along with tonight's game.

Fowler Park and Cunningham Field serves as USD’s current on campus home, and opened its doors to the public on Feb. 15, 2013. Nestled into a natural amphitheater, the ballpark’s signature feature is a Spanish Renaissance-style entry plaza that connects the ballpark with nearby campus architecture. Fowler Park also brings the ballpark up to modern-day standards for both fan and student-athlete amenities. Overall seating for the ballpark features 1,700 seat backs with only 14 rows (16 rows in section 3) around the seating bowl, with ability to expand to 3,000 with designed temporary seating areas in order for USD to be able to host NCAA Regionals and Super Regionals. A dedicated ticket office serves Fowler Park, located adjacent to the front office, and Torero Treats concession stand will serve fans through an upgraded and expanded operation with a greater variety of options and multiple points of sale. In addition, the ability exists to add at least five satellite stations throughout Fowler Park to meet the needs of Torero fans.

Dimensions of the field are 312 feet to left field, 370 feet to left center, 391 to center field, 385 feet to right center, and 327 to right field. The field was rotated four degrees, from the original location at Cunningham Stadium, and the outfield fence is padded and eight feet in height. The playing surface of natural grass is over an seeded hybrid of Bermuda called Bandera. The head groundskeeper with the San Diego Padres, Luke Yoder, assisted with this project along with the university’s grounds maintenance staff. Each team’s dugout is sunken with steps and designed to replicate a major league baseball dugout. A state of the art green Musco Lighting System with eight light standards has been added to the field for night baseball to be played on campus for the first time in program history.

Populous were the architects of Fowler Park and created five levels at the ballpark to incorporate necessary programmatic elements – an entry level with plaza space, a suite and press level, the main concourse, the Torero Zone and the team clubhouse. At more than 4,000 square feet, the Torero Deck sits atop the USD Clubhouse along the third base line. The press box area includes an operations room, and two radio/TV booths. The two suites directly behind home plate can also be expanded to one large suite. The clubhouse features ample space for coaches and student-athletes, a training room, equipment room, player lounge, expanded locker rooms, a display and reception area and added space for batting cages. Additionally, the field itself also features a new batter’s eye, renovated practice tunnels and a new full video scoreboard designed by ICG.
