Auction Instructions

Silent Auction

Silent Auction items are displayed in categories as they are listed in the catalog. To bid on an item in the Silent Auction, write your bid number on one of the pre-set increments on the bid card. There is no limit to the number of times you may bid on a single item or the number of items on which you may bid.

Several items in the Silent Auction will have a “Buy it now” price. If you wish to purchase an item at the “Buy it now” price, simply write your bid number in that box. At that time, bidding on that item is closed. Otherwise, the person with the highest bid at the close of the Silent Auction will be the winner. The winning bid numbers will be tabulated by 7:00 p.m. At that time, you may go to the “Item Pick Up” area to pay for and pick up the items you won. All bidding must cease at the announcement of the closing of the Silent Auction. As the Silent Auction is coming to a close, periodic announcements of time remaining will be made so you can be sure to get in those last bids.

Live Auction

The item pick up area will be staffed during the Live Auction, and bidders may pay at any time. If you win more than one item, you may make one payment for all of the items won at the end of the evening.

Games

“Aggy’s Sports Grill” Balloon Game

Each person will have an “Aggy’s” blue or white numbered balloon tied to their chair. During the live auction, the emcee will draw colors and numbers of balloons to be popped. Balloons are popped until only five balloons remain. Prizes are awarded from 5th to 1st by drawing the last five numbers. Prizes are as follows: 1st - \$500 cash, 2nd - \$400 in Big Blue Scholarship Fund credit, 3rd - \$200 to Sherwood Hills Resort, 4th - \$150 Aggy’s Sports Grill gift card, 5th - \$100 Auto Spa gift card.
