

For every Pink t-shirt sold \$3 goes back to the fight against breast cancer!

The Utah State Women's Gymnastics Team invites fans, friends, and family to share in their efforts to help raise funds for the fight against breast cancer. Awareness is the first step towards the fight against breast cancer and the Utah State Women's Gymnastics Team is taking steps to help support the Cure!

October is Breast Cancer Awareness month. Purchase your pink t-shirt for \$10 and the Aggies will donate \$3 back to the Cure. Just think... if we sold 1000 shirts we would be able to donate \$3,000 back to the Cure! Not to mention you could have an **awesome** t-shirt to remind everyone that the best protection is early detection.

"There is not anyone we know who has not been affected by breast cancer or cancer for that matter. We want to do what we can to help prevent breast cancer and to support and bring hope to those undergoing treatment," Utah State Head Coach Ray Corn said. "My hope is that everyone participates in such a great cause to help make a difference in the fight against this terrible disease."

All t-shirts are \$10. Please make your check or money order payable to USU Gymnastics.

To order or for more information, contact the USU Gymnastics Office at 435-797-0666 or via email at dkozlow@cc.usu.edu. To order by mail, send completed order form to: DeEtte Kozlow, USU Gymnastics, Dee Glen Smith Spectrum, 7400 Old Main Hill, Logan, UT 84322-7400.
