VISITING TEAM WARM-UP AREA AND BENCH

The visiting team's designated warm-up and bench areas are located on the south and west ends of the field, respectively. Please refer to the stadium map on page 12 for exact locations.

Per NCAA rules, visiting teams will be provided 60 bench area passes, for use by coaches, trainers, managers and other personnel. These passes allow individuals in the team area only. These passes will be sent to the visiting team's media relations director in advance of the game.

The following items will be provided on the sideline: ice, cups, water, towels and sideline tables. A graduate assistant athletic trainer will also be available to assist with any needs. Splints and a backboard will be available on the home sideline. We have on-site ambulance and x-rays.

VISITING TEAM LOCKER ROOMS AND EQUIPMENT TRUCK

The visitors' locker room is located in the stadium locker room facility directly north of the playing field. Your dressing area is divided into two rooms. Access is gained from the west side of the building. The locker room will be made available to your equipment staff following the Aggies' Friday practice. The building will be secured Friday evening by campus security. On game day, the building will be opened at 8:00 am. If you wish to have your locker secured until a later time, please contact Mike Bair, Athletics Equipment Manager, in advance.

You may back your equipment truck to the building's west entrance to unload. On game day your truck must be parked directly north of the locker room to allow emergency vehicle access to the playing field. Following the game you may reposition your truck next to the locker room to reload.

VISITING TEAM SIDELINE TO PRESS BOX COMMUNICATION
