WEEK TWO TEAM RACE RESULTS:

Gettin' Green for Big Blue led by **Team Owner Bret Wursten** is still in the lead over all. But, the big question on everyone's mind is: Are they running out of steam? Time will tell. Remember making the most of the point system, (5points for new dollars and 1 point for renewal dollars) is a great way to shorten the gap.

Second	Baleout	27,300 points (\$11,420)
Third	Fightin' Aggies	23,684 points (\$17,324)

Sixth	Wasatch Aggies	17,860 points (\$3,100)
Seventh	Big Blue Boys	13,450 points (\$8,050)
Eighth	GOYA	9,800 points (\$4,400)

Best Participation for Week Two was shown by three teams: **Gettin' Green for Big Blue, Blue Ladies, Fightin' Aggies**. Each had **100% attendance** for Week Two reporting session. Good Job!

Week Three: Make or Break Time

History tells us that Week Three is a tough week. For some reason it is the Struggle week. So just as our coaches tell their teams during the mid-season stretch... This is where you “**gut it out**” and **preserver**. A strong Week Three will insure our success! Make those calls and cheer on your teammates. You could be the one that makes the difference! You could be the teammate behind the team behind the teams!

You can make the difference!!!

LET THE PARTY BEGIN.....

BIG BLUE BASH

The party runs from 5:30-7:00 PM at the USU President's Home.
