

DIG for a CURE

October 1, 2007

Dear Friends:

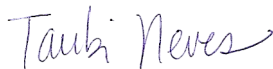

Greetings from Big Blue Country! As a volleyball staff, we would like to thank you for your support of all Aggie athletics but especially volleyball. We are starting our program called "Dig for a Cure" again this year and are extremely excited to support research that's finding a cure for breast cancer.

October is Breast Cancer Awareness month and the Utah State Women's Volleyball team participates in a program called "Dig for a Cure." This year we will donate half our proceeds to the American Cancer Society. We were thrilled with the overwhelming response last year and hope to build upon that success this year. Many of us have seen the effects of cancer, and we, as coaches and athletes, invite you to join us in making a difference in our community.

This is how the program works: Pledges are made for each dig during our seven home matches in the month of October. (A dig is a defensive move to control a spiked ball). For example, last year our team had 221 digs during four home matches. A pledge of \$.25 resulted in \$55.25 for USU Volleyball and the American Cancer Society. Pledges can be in any amount and flat donations are also accepted and greatly appreciated.

Below is a schedule of our home matches for the month of October as well as a pledge registration form. If you have any questions, please call Vicky Fannesbeck at anytime (435) 797-8115. The Aggie Volleyball team appreciates your help and thanks you for your support.

Sincerely,

Taubi Neves

Assistant Volleyball Coach
