# Potential is nothing unless it is realized.

That is what the WAC is all about.  
It is about helping the student-athletes of our member  
schools become more than they are today,  
and more than they imagined they could be tomorrow.

**WAC**  
WESTERN ATHLETIC CONFERENCE

In its 45th year, the Western Athletic Conference continues to evolve and feature some of the nation's best intercollegiate competition. One thing that remains unchanged is the persistent nature of the nine schools in the WAC to advance their programs to contend at the top levels of the NCAA.

The WAC provides its student-athletes the chance to travel to scenic destinations and gain exposure in some of the nation's most diverse markets. In addition, the WAC's student-athletes work to achieve the highest levels of success with the academic support of their respective institutions.

The WAC is the sixth oldest among the nation's 11 Division I-A conferences. Its history traces back to July 27, 1962, when the original six-team league of Arizona, Arizona State, Brigham Young, New Mexico, Utah and Wyoming began competition.

The first championship was held in November 1962, when Arizona won the men's cross country title and New Mexico followed with the first WAC football title.

Since that year, several changes have occurred. The current membership was established on July 1, 2005, when Idaho, New Mexico State and Utah State joined the WAC after Rice, SMU, UTEP and

Tulsa withdrew.

The WAC has had just five commissioners in its history. Paul Brechler was named the first leader of the conference and held the position from 1962-68. He was followed by Wiles Hallock (1968-71), Stan Bates (1971-80), Dr. Joe Kearney (1980-94) and Karl Benson (1994-present).

Presently, the WAC crowns team and individual champions in 19 sports - eight men's and 11 women's. For the men, there are championships in baseball, basketball, cross country, football, golf, tennis, indoor track and field and outdoor track and field. Championships for women are held in basketball, cross country, golf, gymnastics, soccer, softball, swimming and diving, tennis, indoor track and field, outdoor track and field and volleyball.

The WAC office has been located in the Denver
