Tournament Guidelines

- * Home team is listed first
- * Utah Valley State and Brigham Young will always be home team on their respective home fields
- * Underlined team occupies first base dugout
- * All games played at Utah Valley's MSTAR field unless otherwise noted
- * The official NCAA softball (Worth NC12L) will be used for all games involving either UVU, BYU, or UofU
- * Substitute runners can pinch-run only once, but can enter the game at any time. Players in the current batting order cannot pinch-run for other players.
- * You may bat as many as you wish, but if you start with 10, 11, etc. you must maintain that number in the order.
- * Once a hitter has been placed into the batting order that is the only position in which that hitter may bat.
- * **Games are 7 innings or drop-dead at 2 hours. Coaches can agree prior to game to amend innings (time is fixed)**
- * 8-run rule after five innings, unless coaches agree prior to game to amend.
