Meet Director

Steve Keith, Director of Cross Country/Track & Field, Vanderbilt University

Since returning to his alma mater in a coaching role, Steve Keith has helped lead Vanderbilt into national prominence in both cross country and track and field. Keith has served as the head cross country coach for the past 11 years, and guided the Commodores to five consecutive berths in the NCAA Championships, beginning with the team's first-ever appearance in 2011. Keith was named South Region Coach of the Year in 2014 after the Commodores claimed their first region title in program history and earned the award again after the Commodores repeated as South Region champs in 2015. Keith has also served as director of the track and field program for the past four seasons.

Featured On Today's Cover

(From left to right):

Courtney Clayton (Sr.) - Mid-Distance:

Clayton is coming into this meet off of two strong performances including a PR in the mile run at last week's Commodore Invitational and a first-place finish at the Vanderbilt Indoor Opener.

Caleigh Lofstead (Fr.) - Pole Vault:

At the Vanderbilt Indoor Opener on Dec. 3, her first collegiate meet, Lofstead recorded a vault of 13' 5.25". That height ranked No.1 in the NCAA following the first week of competition and placed her second on Vanderbilt's all-time indoor performance list for pole vault.
