Walt Hameline will enter the 2008 season leading the Green & White on the gridiron. Going 27 years strong, he has seen the program grow into a FCS scholarship force. His career win total now stands at 186.

Hameline won his 175th career game - all at Wagner with a come-from-behind victory over St. Francis (PA) in the 2006 season finale. He became the winningest coach in Wagner College history in 1990, and boasts a .665 winning percentage at 186-97-2, which ranks in the top 10 amongst active FCS coaches in the United States.

Most recently under Hameline's regime, the Wagner College Stadium field has been resurfaced with Field Turf. The state-of-the-art multipurpose artificial playing surface was constructed in the summer of 2006 and is used for football, soccer and lacrosse.

In 1997 Hameline governed the opening of Wagner's football stadium and outdoor track & field facility and was instrumental in erecting the Spiro Sports Center in the spring of 1999 - a 93,000 square-foot building which houses a 2,100-seat, multi-purpose arena, a six-lane regulation sized swimming pool, team locker rooms and all athletic department offices.

An institution of high academic standards, Wagner was cited in the March 18, 2002 edition of US News & World Report for having the 15th best graduation rate amongst more than 300 Division I college and/or universities.
