# Seahawk Tidbits

## **Sitting on top of the world, or at least the US**

Senior Billy Hoelck led not only the Seahawks in scoring but was the national leader in goals per game from March 12 - April 18. She now ranks tied for second in the country in both goals per game with an average of 3.4 and total goals with 101 on the season.

## **Don't take it personally, it's just the way I roll**

Junior Nicole Maichrowicz has given the Seahawks the offensive advantage with a team leading 51 drawn ejections and seven 5M drawn ejections. Her efforts account for nearly 25% of the teams total drawn ejections.

## **I'll take "Things that can't keep me from scoring" for 1,000 Alex**

Junior Alexandra Tomlinson has been able to overcome shoulder injuries and a mid-season broken nose to rank third on the team in goals scored along with senior Camille Karimzad who both have 34 goals this year.

## **The Fresh Princesses of Grymes Hill**

Wagner's 14-woman roster is comprised of six freshmen that have played a vital role off the bench to combine for 57 goals, 44 assists, 111 steals and 40 drawn ejections.

## **It's not you, it's me**

Hoelck isn't just an offensive phenomenon. Her 18 field blocks this season are more than Iona and Villanova's entire team total. The Seahawks' 53 team rejections are best in the MAAC and better the closest competitor by 12.

## **Momma needs a new pair of shoes**

Since her freshman year, senior Amber McMichael's final season goal total have been a multiple of seven - her freshman year 7, sophomore year 14, junior year 21. This year McMichael missed the mark of 28 by one. Coach Beemer and the rest of the team is glad with that, as she has 29 goals this season.

## **And award goes to...**

There was at least one Seahawk on the MAAC weekly awards list six out of the ten weeks of the season. Hoelck lead the Green & White with four total awards and McMichael, Tomlinson, Maichrowicz, senior Lindsey Rodgers and freshman Laura vanderBent each rewarded once.
