MR. WALK-OFF
• Wake Forest freshman DJ Poteet hit walk-off homers in two of his first four career ACC games. Against No. 3 Florida State on March 10, he turned a 3-2 deficit into a 4-3 win with a walk-off two-run shot. Less than a week later against No. 11 Louisville, Poteet broke a 1-1 tie with a solo blast on March 16.
• The Deacs won three games in a nine-win span via walkoff homners, dating back to a Super Regional win over Florida on a Ben Breazeale walk-off bomb last June. Before that, Wake Forest hadn’t hit a walk-off homer since 2014.

ACC PRESEASON POLL
• Wake Forest was picked to finish fifth in the Atlantic Division in the ACC Baseball Preseason Coaches Poll. FSU was projected to win the division and overall conference.

2018 WAKE FOREST BASEBALL

PARDON OUR MESS

• Thanks in large part to a $3 million gift from David Couch, construction wrapped up on the first phase of a $14 million player development center. The stadium was dedicated as David F. Couch Ballpark in February 2016 in honor of the former Wake Forest baseball and football student-athlete.

• Along the third-base line, the 41,000-square-foot facility includes a team locker room, lounge, training room, equipment room, a full kitchen and pro players locker space. The project included renovation and relocation of the home dugout and bullpen and construction of a pitching laboratory, complete with 18 high-speed cameras to analyze the biomechanics of each player. Players moved into the new building on Feb. 20, 2017.

• Fundraising efforts are still underway for future phases of construction and renovations, including the video conference room, team meeting room, and coaches’ offices on the second floor, as well as a 100’x100’ indoor batting facility, which will be adjacent to the player development center and will be constructed without interior supporting posts. Above the facility, renovations include the concessions stands and restrooms as well as a concourse-level viewing area.

• Previous renovations include:
  - 2015: Visiting clubhouse converted into state-of-the-art weight room facility.
  - 2013: Multi-colored chairback seats replaced with modern seats.

**HOME RUN TRACKER**

- A look at the total number of home runs hit by the Demon Deacons from 2010-17, and in the year 1999.
- Wake Forest’s previous record was 90 homers in 1999, before breaking that record with an NCAA-best 106 in 2017.
- Before the 2011 season, the NCAA put in new requirements for BBCOR bats, reducing exit speeds of balls put in play. Wake Forest was the first Division I team to surpass 100 longballs in the BBCOR era.
- Before the 2015 season, the seams on NCAA baseballs were lowered from .048 inches to .031 inches - similar to minor leagues, and still higher than MLB baseballs.
- In 2015, home runs in NCAA Division I increased 44 percent from a year prior. Runs were up 7.0 percent, batting averages were up 1.5 percent and strikeouts were up 8.3 percent.
