- Always designate a pre-determined location both inside and outside the stadium to meet friends and family in case you get separated or in the event of an emergency.
- Upon arriving at your seat location, first find the nearest exit and then locate an alternate exit in case of emergency.
- Specific emergency instructions are provided for the guests in Deacon Tower and Bridger Field House. Patrons at those locations should read and be familiar with the emergency evacuation instruction located in each building.
- Do not use elevators in the event of a fire evacuation or power failure.
