Frequently Asked Questions

Are you the Student-Athlete Advisor?
- No, we are his/her Academic Counselor. Our primary job is to help student-athletes balance the roles of a student and an athlete. A Faculty Advisor is assigned to each student, prior to Orientation.

Do you help the students choose classes?
- The students work primarily with their Faculty Advisor to pick their classes. We will work with the student and the advisor to help make sure that it is a balanced schedule in regards to course selection and daily demands of their athletic schedule.

Is there a mandatory study hall program for freshmen?
- Yes. The number of study hall hours for freshmen is a minimum of 8 hours per week. As students progress, they may be exempt from study hall.
