Team Notes

- Injuries have decimated the Wake Forest lineup the season. The Demon Deacons have been forced to forfeit 19 singles or doubles matches this season due to not having enough healthy players.
- Wake Forest has dropped six matches this season by a 4-3 score. That is the most one-point losses for a Wake Forest team since 2003 when the Demon Deacons lost 10 4-3 decisions.
- Wake Forest posted its best victory of the season back in February, downing then-No. 39 USF by a dominating 6-1 score.

Individual Notes

- Senior Kayla Duncan has had a career year for the Demon Deacons at the No. 1 singles position, earning five wins over nationally ranked opponents and reaching a career-high mark of No. 63 in the singles rankings.
- Fellow senior Ryann Cutillo also turned in her best season in a Wake Forest uniform. Cutillo went 6-5 in ACC singles matches and earned the best win of her career, topping then-No. 32 Gabriela Mejia of Miami.
- Cutillo won the 100th match of her career in singles against Virginia Tech. She currently sits at 103 career victories and is one of only 32 players to be a member of the Wake Forest 100-win club.
- After reaching the second round of the 2011 NCAA Doubles Championships, Kayla Duncan and Kathryn Talbert had high hopes heading into the 2012 season. The duo were ranked No. 7 nationally in doubles in the fall rankings, making them the second-highest ranked doubles tandem in school history. However, injuries hampered Talbert all season, keeping her out of the lineup. Duncan and Talbert played together only eight times in the dual-match season, going 7-1 in those matches. They finished the season with a 16-5 record.
- Duncan and Talbert will end their time as doubles partners with a 30-12 career record, making them the ninth-winningest doubles team in Wake Forest history.

ACC Tournament History

- Wake Forest is 4-1 all-time against its first-round opponent Virginia in ACC Tournament play. The Demon Deacons and Cavaliers last faced off in the quarterfinals of the 2002 tournament with the Deacs posting a 4-0 win.
- Wake Forest holds a 34-26 (.567) all-time record in ACC Tournament play, the third-best mark of any conference team. The Deacons have a winning or even record against every ACC team other than Duke and Miami. Wake Forest has faced every team except Boston College in the tournament.
- The Deacs have reached the finals on eight occasions, including seven straight years from 1995-2001, but lost to Duke in every championship match appearance. Recent seasons have not been as successful however as Wake Forest has not made the semifinals since 2002.
- Wake Forest has won its first match of the tournament on all but four occasions (1993, 2004, 2008 and 2011).
- The Demon Deacons are the tournament's No. 12 seed for the second year in a row. Last year, Wake Forest fell 4-0 to eventual tournament runners-up Florida State in the opening round.
