Women’s Round of 16 Quotes

#21 FLORIDA STATE (20-12) def. #24 TULSA (23-6), 4-3 - Cone-Kenfield Tennis Center

FSU Head Coach Jennifer Hyde
“I just continue to be incredibly proud of these girls. They fight, they stay, they hang around and are just tough competitors. It was a tough road to get back here to the quarterfinals and a lot of blood, sweat and tears went into it. These kids have been amazing and I am glad they get to play again on Saturday.”

FSU Ariana Rahmanparast, Jr, #5 singles
“It is an indescribable feeling to make an Elite Eight. It is a dream come true to get this win, especially to be the one to get the final point.”

Tulsa Head Coach Dean Orford
“You have to give Florida State a lot of credit for fighting back the way they did after losing the doubles point and being down 3-2. They never went away and it was a great win on their part. We thought we had a team that could go deep here, but we came up a little short. When we do have time to reflect on the season, it was a solid season to be conference champions and make the Sweet 16.”
