## Fresh, Healthy, Fun Food for Kids

fantazimo™ is a Seattle-based company committed to providing fresh, healthy, fun food for kids. We offer delivery to any child at any school or camp in the greater Seattle area.

Our nutritious lunches are made fresh daily by Gretchen's Shoebox Express. Our lunches provide a healthy and convenient alternative for busy parents wanting an option to packing a lunch for their child.

Fantazimo sources from local providers and producers as much as possible. We work closely with local food partners who share our passion to ensure the freshest quality ingredients for our lunches.

"Now more than ever parents are busy and need a convenient alternative to provide their children with a healthy lunch."
