Mountain Pacific Sports Federation

Established in 1992, the Mountain Pacific Sports Federation (MPSF) unites the Big West, Pacific-10, Mountain West, Western Athletic and West Coast Conferences and other selected universities in the western United States, to provide championship competition for Division I intercollegiate Olympic sports in a conference setting. The MPSF was originally formed to provide enhanced competition and championship opportunities for sports without conference affiliation; to contain the costs of competition; and to ensure the survival of sports impacted by Title IX and other fiscal pressures.
