

Thank you for your interest in Western Carolina University Cheerleading! (Page 1/12)

The Catamount Cheerleaders are prominent fixtures on campus and in the Cullowhee/Sylva community. In addition to cheering for our football and men's and women's basketball teams, Cats Cheer also can be seen in the weight room, on the track, in practice and in study hall, while still finding time to volunteer and make special appearances. In other words, cheerleading is part of your daily schedule, and therefore, all cheerleaders must be finished with classes, work, study hall, etc. by 5:00 p.m. daily.

At Western Carolina, we are extremely lucky to be part of our athletics department. With this association comes the obligations and responsibilities of all student-athletes including things such as student athlete meetings, random drug testing, and participation in community service activities. Study hall is mandatory for all freshmen and other team members who do not meet specific GPA requirements (hours per week to be assigned). As student-athletes, we have access to the computer lab, academic tutors, and the athletic training room.

We will hold one "open gym" session on campus in Camp Lab Gym prior to try-outs for anyone interested in the program. This will be on **Monday, April 17th from 5:30-7:30pm**. An open gym waiver form (see below) **MUST** be completed in order to participate for the open gym session you attend (parent/guardian signature required for anyone under the age of 18). These sessions are NOT REQUIRED in order to try-out and be considered for the 2017-2018 team.

Try-outs for the 2017-2018 squad will be held the weekend of **April 21st-23rd** in Camp Lab Gym on campus in Cullowhee. Registration will be from **6:00-6:30pm** on Friday April 21st, followed by a brief meeting before the try-out clinic begins—(to avoid the registration rush, I encourage you to print out and bring with you all completed try-out forms). All material will be taught during the clinic and performed in front of the coaching staff during the try-out on Sunday. Required try-out sessions in order to be considered for the team include: Friday evening, Saturday's morning session (ending at approximately 1:00pm), and all day Sunday! Saturday's afternoon session is for anyone wanting to get in extra work prior to Sunday's try-out. The 2017-2018 team roster will be posted shortly after the try-out on Sunday.

Standing tumbling requirements vary but typically include back handspring (standing tucks, standing back handspring tucks, toe backs, etc., will be scored higher). Running tumbling requirements vary but typically include a round off back handspring series and/or tuck (pikes, whips, layouts, and fulls will be scored higher). We are a small coed team; therefore, we perform coed and all-girl stunts and will be looking for all positions at try-outs. We will also have timed mile (goal should be under 8 minutes) and a short interview component during the try-out weekend.

The team will be **REQUIRED** to attend two summer practices on campus where we will begin preparation for the upcoming football season. (**Summer 2017 June and early-mid August practices will be determined and announced at try-outs**). We also plan to have NCA college camp staff members work with us on campus in mid-August.

The top priorities for WCU Cheer are to raise school spirit, involve the crowd in the game by helping to create a home field or home court advantage for our teams, and continue the tradition of Catamount Cheerleading. Our primary goals and daily schedule (practice, weights, study hall, special appearances, games, etc.) make WCU Cheerleading much different from high school or all-star cheerleading. You must understand that in your college life, cheerleading comes second only to school work, and if you make the team, you are committed for the entire 2017-2018 season (April 2017-April 2018). We invite you to check out our website at www.CatamountSports.com (click on the "Fan Zone" and then "CHEER") and we look forward to seeing you at try-outs in April.

GO CATS!

****TRY-OUT WAIVER** (Page 4/12)**
WESTERN CAROLINA UNIVERSITY – ATHLETIC TRAINING SERVICES
LIABILITY RELEASE, WAIVER, DISCHARGE AND COVENANT NOT TO SUE
FOR TRYOUTS FOR ATHLETICS TEAM

This is a legally binding release made by _____, to Western Carolina University. I fully recognize that there are dangers and risks to which I may be exposed to by trying out for _____, an intercollegiate athletics team at WCU. The following is a description and examples of specific, significant, non-obvious dangers and the risks associated with this activity: the possibility of musculoskeletal injury, orthopedic injury and/or general body aches and pains. I am aware that prior to participation in intercollegiate athletics, it is my responsibility to receive a pre-participation physical evaluation, as well as providing my own health insurance coverage. I understand that I am responsible for any expenses due to any injury I may suffer that occurs while I am trying out for the above intercollegiate athletics team at Western Carolina University. I therefore agree to assume and take on myself all of the risks and responsibilities in any way associated with this activity. In consideration of and return for the opportunity, services, facilities, and other assistance provided to me by WCU in this activity, I release WCU (and its governing board, employees, and agents) from any and all liability, claims, and actions that may arise from injury or harm to me, from my death or from damage to my property in connection with this activity. I understand that this release covers liability, claims, and actions caused entirely or in part by any acts or failures to act of WCU (or its governing board, employees or agents) including mistake, or failure to supervise by WCU.

I recognize that this Release means I am giving up, among other things, rights to sue WCU, its governing board, employees, and agents for injuries, damages, or losses I may incur. I also understand that this Release binds my heirs, executors, administrators, and assigns, as well as myself. I have read this entire Release. I fully understand it and I agree to be legally bound by it.

**Western Carolina University
Sports Medicine Department
Insurance Policy & Procedures for Cheerleading**

Starting June 1, 2016

Each Cheerleader at Western Carolina University must have primary insurance in order to participate in intercollegiate athletics and cheerleading. Prior to each season every athlete must provide the Sports Medicine Department with a front and back copy of their current insurance card. This copy will be kept with the certified athletic trainer in case of an emergency. The athlete will not be able to participate in any type of intercollegiate athletic event until this is received.

The Western Carolina University athletic department also has an excess secondary insurance policy that will cover expenses after the athletes' primary insurance has provided its benefits. This is only an excess policy covering the portion not covered by the primary policy. If the primary insurance company denies benefits, the Athletic Departments supplemental insurance policy may not assume the entire cost of the bill. This supplemental policy will only cover new injuries that are sustained during **athletically sponsored events. Pre-existing injuries, injuries sustained at practices, competition, or injuries incurred during the season that are not sustained at an athletic event WILL NOT BE COVERED.**

Western Carolina's athletic department also has an expanded activities accident medical insurance program that was purchased for the specific purpose of covering WCU Cheerleading. This policy is for "expanded activities" **sponsored by athletics** as well traveling as a team member to or from **activities sponsored by athletics** (such travel must be under the direct supervision of a coach, trainer, or other official designated by WCU's athletic department. **Pre-existing injuries, injuries sustained at practices, competition, or injuries incurred during the season that are not sustained at an athletic event WILL NOT BE COVERED.** This insurance policy is not guaranteed to pay all costs and Western Carolina University Athletics will not be responsible for any co-pays, or remaining bills that this policy does not cover. If the primary insurance company denies benefits, the Athletic Departments expanded activities accident medical insurance policy may not assume the entire cost of the bill.

Again, WCU Cheerleaders will still have secondary insurance coverage in the event that they are injured during any WCU Athletic event/expanded activity.

Acknowledgement of changes and understanding of policies:

I have read the above statements regarding Western Carolina University Sports Medicine Department's policies and procedures for medical bills and expenditures regarding the activity of Cheerleading.
