

## Message from Coach Rob Jeter

Thank you for your interest in the University of Wisconsin- Milwaukee men's basketball program. I am sure all of you know just how important the support of our fans, UWM students, and the community is to the continued success of the program. We also continue to

set attendance records each year.

This season, our returning group will be joined by a number of talented new faces. We're very excited about what these young men will bring to our program both on and off the court, and we believe you will truly enjoy watching them play and develop. We are looking forward to continuing the very high standards that have been set for Milwaukee basketball. In working to keep up with those high standards, we continue to seek the additional support of people who want to get personally involved in the program. Our Full-Court Club provides you with the opportunity to become an even bigger part of Milwaukee basketball. We'll share lunch, talk about the team, and answer your questions, all while helping to spread the word about the Panthers.

By purchasing a membership in the Full-Court Club, you'll be playing an important role in keeping Milwaukee basketball moving forward. I hope to see you at lunch and at our games throughout the season
