

Dear Campers and Friends,

Summer will soon be upon us and it will be time to start preparation for the 2011 Wisconsin Badger Basketball Camps! I am excited about another year of teaching basketball and watching our campers develop their skills. I enjoy seeing those campers who have been with us year after year. I take special pride in watching young people come through our camps, attend college and then return as coaches on the summer staff.

This will be our eleventh summer conducting the Wisconsin Badger Basketball Camps. We will be hosting one resident/commuter camp, a shooting camp, a father/son camp, an advanced instruction camp, a team camp, and our popular day camp. We know that you will have a first-class experience due to our dedicated and enthusiastic staff. If you have attended our camps before, we thank you and invite you to join us again. I highly recommend applying early. Even though our published deadline for most camps is May 15, 2011, we have reached our maximum enrollment in the early spring for several of our camps in the past.

We encourage you to register online by visiting our uwcamps.com web site. This is a quick and easy way to register for camp in a timely manner.

If you've never attended one of our camps, we invite you to join us for a fabulous basketball learning experience while spending time on our beautiful campus. Campers will visit the Kohl Center (home of the Badgers), learn to run the Badgers' offense in competitive camp games, and pick up new skills at our stations. In addition, overnight campers will reside in campus residence halls and enjoy fine on-campus dining with coaches and students from other schools. Building and maintaining one of the nation's best basketball programs that everyone can be proud of continues to be our goal. Thank you for your support of Wisconsin Badger Basketball. I look forward to seeing you this summer!

Bo Ryan
