The summer months are the time when you can really work on your skills in order to become a better player. We want to provide you with the best possible basketball camp experience. If you are a beginner, we will help teach you the proper fundamentals of the game. If you are a more advanced player, we will coach you and help refine your skills so that you may become a more skilled and knowledgeable player. Our camp is for everyone.

The key to success in anything you do is to not only work hard, but also to enjoy what you are doing. At the Brad Brownell Basketball Camp, we want to make sure that our campers have fun while working hard to become a better basketball player. So, if you are looking for a camp with a first class staff, good basketball, and skill improvement, join us! I know that I am looking forward to it and I hope you are too!
