\*The purpose of the High School Prep Camp is to provide players with an excellent training environment prior to the start of their high school season. Players will spend time working with a strength and agility coach in order to gain new insight on what exercises to utilize to gain strength and speed. They will then be taken through small sided training sessions with an emphasis on technique. Finally, players will be placed in a full sided game with an emphasis on functional training.

\*All training sessions will be led by the Wright State Coaching Staff.
